**Mrs. Scott Leaves  
Phys. Ed. Department**

**Miss Bauer Takes  
Gym Post**

This semester John Adams is minus one of its familiar faces, Mrs. Scott, the girls' gym teacher. Mrs. Scott's husband accepted a position in their home town, Carothersville, Indiana, and they left South Bend last week-end. Mrs. Scott, formerly, Miss Beldon, came to teach here two and one-half years ago upon her graduation from Hanover College, Hanover, Indiana. Besides her excellent teaching she has gotten G.A.A. into a school club worthy of the name, along with many other athletic clubs and contests for girls. Two of the most widely participated in contests are the basketball and girls' volleyball tourney, held annually. Another development of the girls' athletic department is the awards now given for the winners of the various contests.

Mrs. Scott, very athletic and while teaching here, became a member of the South Bend Mustangs women's basketball and softball team. She remained last week to show her successor, Miss Mary Jane Bauer, how John Adams runs.

Mrs. Scott has made a place for herself here at Adams and we all wish her the best of luck.

### HOWARTON DIRECTS COMBINED GLEE CLUBS

This semester the Glee Clubs of the city High Schools are going to have an opportunity they have never had before.

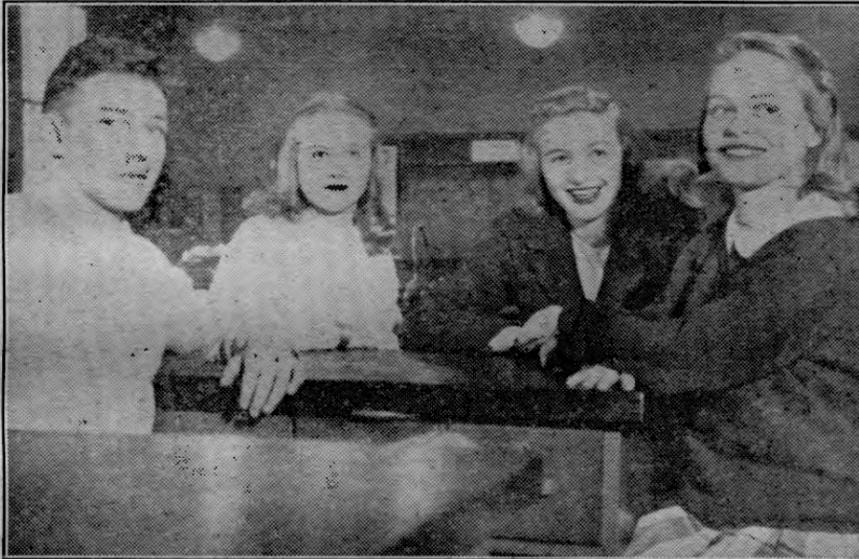

Mr. Howarton, head of the vocal department at Northwestern University, is coming to South Bend to direct the combined Glee Clubs in an all day vocal clinic.

The numbers being sung are varied. There are junior high numbers, senior high numbers, a combined Junior and senior high number; numbers for girls and numbers for boys. One of the familiar numbers the boys are singing is the Negro spiritual "Steal Away." We hope you will be able to attend. Tickets will be on sale soon.

This will be a very memorable day and will stand out in the students' minds as North Central day does. The entire glee club is going and the group that is singing will be larger than North Central. It really should be a thrilling program.

Experience is a dead loss if you cannot sell it for more than it cost you.—*Northwestern National News.*

### Cabinet Officers

Left to right: Tom Rutherford, Margaret Jahnke, Fran Bickel, Regina Freels

### SENIOR ROOMS ELECT FOUR

Shortly after the election of senior class officers this fall, elections were held in the various senior home rooms to choose cabinet officers. Those chosen were:

- Francis Bickel—107.
- Regina Freels—106.
- Margaret Jahnke—204.
- Tom Rutherford—209.

These cabinet officers together with regular class officers will head the entire senior class of approximately one hundred and seventy-five members. They will attend all meetings and take the news back to their home rooms for all rooms are not represented in the officers.

### Sophomore Talent Wanted For Tower

**10Bs Invited To Join  
Tower Staff**

The John Adams Tower extends to all you hustling little sophomores a hearty invitation to our organization.

Last week you received a free copy of the weekly paper, that is written and edited by the Adams student body.

Headed by a fine staff and a cooperative faculty, the Tower encourages you newcomers to start now on what will be an enjoyable career on a school paper.

A variety of opportunities should entice even the average writers. First, your name will appear in the staff box and each individual has equal chances to advance to better positions. Silver and gold pin awards are given after four and five semesters of work. Ask any of the staff members about the fun and good qualities derived from the Tower.

Room 205 is official headquarters for the paper so come in and sign up. You may serve in any capacity on the staff.

### American Legion Holds Speech Contest

This year the ninth annual American Legion Speech Contest will be held Thursday, January 31, at 3:30. The speeches must be based on some phase of the constitution, last 10 to 12 minutes, and be spoken extemporaneously. In addition to the value gained in experience, there will be several prizes awarded. The participants will speak in the local match and then have a chance to go on to county and state contests. Anyone interested in obtaining information concerning this should see Mrs. McClure immediately.

### Debate Season Opens In City

**First Match To Be Held  
February 5 at Riley**

A city wide debate session is now being held. The schools taking part are: Adams, Riley, Central and Mishawaka. Extemporaneous speeches were given here on Tuesday, December 18, with two to five minute speeches from each school. A Round Table Discussion was held here on Tuesday, January 15. Two people took part from each school in a fifty minute discussion. The schedule for the debate is as follows:

## Tower Welcomes Sophs

Hi-ya sophs! Welcome to John Adams. We're all hoping that you will soon be acquainted with your new surroundings and settle down to a happy three years here.

You've all been informed, I'm sure, about the different clubs and organizations here at Adams. There is one, though, that I'd like to brush up on and tell you about. That is—the Tower. We here at Adams are proud of our school paper. We of the staff are even prouder of it. Now if any of you have ever had the idea that you'd like to try your hand at writing, this is the time. Perhaps others of you have helped by contributing to your junior high papers; you are needed on the Tower staff. Each semester seniors graduate from the staff, and must be replaced by oncoming sophomores.

I suppose you would like to know how to go about getting on the staff. Maybe you've been wanting to work on the paper but have neglected seeing about it; hating the red tape that goes with it. If so, you are in for a surprise. There is no red tape, no waiting, no fuss or bother. All you have to do is express your desire to write to Miss Roell, the Tower sponsor, in room 205. She will give you the details.

What a thrill it is to see your article in print, with your name tacked on as a by-line! It will have a definite place in your school memories when you look back in years to come.

There are rewards given in the Tower as in any other organization. For four semesters of work, a silver pin is given. For five or six, a gold one is given. To receive a gold pin, you must start now to get five semesters completed.

## Supporting Our Sportsmen

Remember way back when South Bend lamented the lack of school spirit out Adams way. And do you remember too, the comments that flew during the last basketball tourney. We now are recognized as people of school spirit.

We're proud of our reputation of a school with good spirit, and we intend to keep that spirit. When our cheerleaders ask us to yell, we'll scream our lungs out, if necessary. We'll stand, to a man, when our School Song is played, and you won't hear a "boo" from our section. If we loose, and no one wins all of the time, it will be our place to congratulate the winners. If they beat a school as good as Adams, they have earned our congratulations. There will be none of this "We was robbed" attitude from us. We can take defeats as calmly and graciously as victory.

Our predecessors worked hard to establish our record, lets you and me work just as hard to maintain it.

Do not ask whether a man has been through college; ask whether a college has been through him. — *Chapin.*

Dear Jo:

I shall dispense with the usual formalities of how are you etc. You asked for some gossip in your last letter so—

You asked if Fred Wegner was loose yet, well, in a way yes and in another way no. You see Fred is loose to girls named Joan for Fred seems to have an obsession for girls whose first names are Joan. Joan Dannerberger, Joan Dibble, Joan Shively, Joan Butler and Joan La-Crosse are the main ones I guess. (Are or were?) Come home Jo and we'll call you Joan.

Your dear friend (and mine) Lila, is, well—sort of in debt. You see she went on a hay ride with Herch Keefer and lost his—oh well you'd better write her and ask her because I'm not sure she wants anyone to know.

Our dear friends at John Adams have turned primitive. They are resorting to the terms of bartering, that is Martha Warrick and Dick Larson have exchanged rings. Yes sir.

Say Jo, is competition ever going to be tough now. You should see the darling sophomore B's that just came over. Umm.

Wow, Jack Weil is home now and Marcia is as busy as a bee. She was sort of going pretty good with a tall soph, but we don't know which it is now. I'll let you know later.

Curt Heckaman is steadyng Pat Lord. I'm wondering if Pat will get him to dance more. I hope so. Don't you?

We've got a locker romance a cookin' now. It is Joanie Butler and that Weissert fellow. I'll notify you later as to the results.

Dick Trimm has been seen with a lot of girls (and there are many more that would like to date him) but he isn't getting serious about any of them (it seems). I hope he keeps up the good work for there seems to be too many steadies as it is. Sigh for a Casanova that would make the rounds and come around my way.

Say are you having man trouble down there? There were only two men in your last letter. You're slipping.

Nancy Flickinger has changed from '45 fashions to '46 fashions by selecting a new beau. It is Rodney Million this time. They're both lucky, don't you agree?

Guess what? Danny Walters wrote a marvelous new song. It's reet all right. Simply super delicious. I'll try to get a record of it as soon as he has it done.

Well, Study Hall is almost over now I have to go home and study like mad but I wanted to mail your letter on the way home.

Nelce.

In a letter to his wife, a Marine in the Pacific wrote: "If I sound blue, it isn't that I got up on the wrong side of the bed. It's that I got up on the wrong side of the world."

TOWER TALK

While sitting around the piano listening to Dan Walter play his own song, the other nite at the Spot, I was thinking! "Oh, George, I've a Tower assignment to write!" Quietly I crept over to the corner to think, when who do you suppose I saw? Glenn Personette and Georgia Walker walk in and behind them were Jo Douglas and Johnny. Well that's that, now do you know what I heard? The Anderson Sisters were accompanied by Skip McGee and Jim Connally on a hay ride. On the same hayride were Dewey More and Tokie. The same nite Jean Clark and Chuck Beiger, Marcia and Jack Weil were at the Palais. Now back to Spot were Nan Bartol and George Granberry, who couldn't dance because of a bung ankle! They were accompanied by a most charming couple! Plug! While at home Nan and Rod were playing cards! (?) Back at the Spot (love that place) were a few more pink jackets and their dates. Skinny Farabaugh and Shirley Clark, and Bill Green and Mary DeRue (Mish).

Do you remember way back when I told you about a certain party calling Pam Hudson from California? Well, you ask her what she now sees at Alcatraz? Oh my, I almost forgot someone. At the game the other night, two new couples were seen: Bobbie Stanz and Bob Smith, Paula Tanner and Bob Schultz. While down the bench a piece the two Joyces sat cheering for their own men!

## COBWEB COLUMN

Five years ago today a baby was born. Not a flesh and blood baby, but a newspaper, nursed to life by Miss Roell and its charter staff: It was a momentous day! Since then the Tower has gone through many stages of advancement, and it is still advancing, the latest step being admission into the Quill and Scroll Society.

Six editors have been at the head of the Tower. The first was Justin Schubert, then Lillian Toth, Carol Kline, Pat Kasdorf, Dagny Lenon, and the present day editor Jean Clark. It has had many fine people on its staff and will continue to have them.

Undoubtedly the first five years have been important. During the next five years I know the Tower staff will try to furnish John Adams with a paper as good as or better than the paper you have been reading during the past five years.

In a crowded theatre a young naval officer was just about to sit down in one of a pair of empty seats when he was abruptly pushed off balance by a woman trailing behind him with her husband. Before he could recover, the couple had plump-said the husband. "We beat you." "That's all right," said the officer. "I hope you and your mother enjoy the show."

# AROUND ADAMS

by Fred Wegner

**PRESS:** The Tower held a meeting of its staff during the noon hour Wednesday, January 23. Twelve staff members have been selected as charter members of the Quill and Scroll Chapter to be established at Adams.

Also on the agenda of the meeting was the presentation of a silver pin to Fran Bickel and gold pins to Charmaine Fishburn, Marion Grassby, and Jean Clark.

**ENTERTAINMENT:** The John Adams HI-Y in combined efforts with the other HI-Y organizations in St. Joseph County is presenting the "Swingheart Sway" dace at the Palais Royale. The event is scheduled for February 8 from 9 to 12 P. M. Although it is being sponsored by the HI-Y, the only requirement is that at least one person of each couple be a member of a senior high school in St. Joseph County having a HI-Y club. Alumni of HI-Y clubs are also invited.

The dance will be semi-formal, but corsages are not allowed. Tickets are \$1.20, tax included, and may be purchased from any member of the HI-Y. There will not be a ticket sale at the door.

**COBWEBS:** A year ago today—The outcome of the Junior class election was announced. The new officers were, as president, Curtis Heckaman; vice-president, Peter McNamee; secretary, Betty Furnish; treasurer, Bob Bayman.

A record dance was sponsored by the Student Council after the Adams-Riley basketball game.

The Adams basketball team had two wins and three losses in the N. I. H. S. C. race.

Five years ago today—The first issue of the Tower was published with Justin Schubert as editor.

Six home room representatives of the Adams Student Council visited the Emerson School in Gary in order to get a better understanding of student government. Emerson School, which began its Student Council in 1912, was one of the first schools in the United States to advocate student government.

# ADAMS HOST TO SOUTH SIDERS

## CATS, EAGLES MATCH CLAWS IN CONFERENCE TILT

South Bend Riley will invade the John Adams' gymnasium February 2 to renew a growing civic rivalry. This feud started back in the season of '41 and '42, when in one game, the young Eagles clipped their opponents 22-21. Since then, the two teams have battled each other two or three times per annum with neither team boasting of a wide margin in games won.

It was during the first annual Holiday Tourney held last year that the undefeated Wildcats met a determined Adams five and suffered one of their three losses during the whole year. So you see, the foes exchange blows very hard, not in an unsportsmanly like manner, but in clean, hard fought games that a winner is hard to determine until the final blast of Mr. Reber's ever present musket.

A run of the present Riley squad would include Bob Hartman, ace scorer and ball handler, Jack Meriman, the red headed fireball that uses his weight to advantage, John Keiser, tricky set shot artist, Nick Medich, 6' 4" center, and Don Cubison, a smooth worker on the court. Most frequent substitutions are Tom Keiser and Bob Ferency.

The Wildcat season has been fairly successful although it doesn't equal last year's record. The Cats won the Holiday Tourney last December, and are in second place in the conference. Losses to Elkhart, Washington, LaPorte and a brace of southern foes mar Riley's card.

The game Friday will affect the N. I. H. S. C. standings, and since the purple and gold have whipped the Eagles twice this season, the team is set to pull an upset if they can. It is our home game so let's show Riley what real team backing is.

## TOWER SPORTS COLUMN

Roland Fye, a scraping, hard working junior, took over the forward spot vacated by Glenn Personette in good form during the Washington game. "Rollie" could easily have been a mite nervous or worried starting his first varsity game, but he did a swell job in collecting four points. In case you didn't know, Glenn had a case of flu.

Bob Nitz and Al Smith form quite a pair in typing class. Poor Bob can't find room for his long basketball legs while Al can't seem to make his basketball hands hit jji fff. Those boys will make real secretaries for some one.

## NET SQUADS FINISH BUSY WEEK; "SLIM TIM" PACES VARSITY

### Varsity

#### PANTHERS NIP EAGLES

Timmy Howard, improving considerably with each game, led the Eagles in their attack against Washington's unpredictable Panthers.

The west siders pulled one of their famous upsets, and knocked the netters 41-43. Little Al Dhaene paced his team's onslaught with fifteen points and it was his team work with Bob Robertson that kept the Eagles guessing. Using the bounce pass to good advantage, the victors displayed fine ball handling in their victory.

Glenn Personette's absence, because of the flu, left a vacancy to be filled by Ronald Fye, a junior. It was Fye's work under the back board in the second quarter that kept the red and blue from real disaster.

The Eagles' scoring went this way: Howard 11, Nitz 6, Wulf 6, Howell 4, Murphy 3, and Fye 4.

The county tourney offered some real thrills. The game between Wilson and Lakeville was one of those last second affairs where the ball rolled in, around, and finally through the nets to eventually lead the Presidents to their second successive championship. Poor little Green Township, they might equal Chicago University's all time losing streak if they keep on.

Indiana basketball is a mad house this season. There is not one major team with a clean slate.

In this section of course, is Elkhart's red hot Blazers who have been right up around the top of Indiana sport writers choices all year. Those are the kind that Adams likes to knock off, and have done in the past. Let's start building up some steam for that last scheduled battle before the sectionals. It is about two weeks off.

Jimmie McNeile  
Tower Sports Editor

### "B TEAM

#### EAGLETS FALL TO CATS

In the recent "B Teams" tourney held on Riley's floor, the host team walked through its opponents and won the event by dropping Adams 55-35. The Eaglets had previously defeated the "B Cats", and have had a very fine season up until then. Thursday, January 17, the Bees whipped Washington, and the following night, duplicated the feat in their tourney debut. Saturday morning though, was a little too much. Normally, thirty-five points would win any "B game" but Riley's center Welch was on, but good, and scored twenty-three points to pace his mates to a fifty-five total. The Adams "B team" will play Riley again Friday night at 6:45 before the main event. The Eaglets are intent to keep their first place conference standings intact.

## ROLAND FYE "STAR OF WEEK"

By Jack Highberger

Roland Fye, 6' 1" junior forward whose two quick buckets spelled victory for Coach Ralph Powell's quintet in that Culver encounter at the Eagles' arena, was chosen high school star of the week by WSBT's sportcaster, Joe Boland.

Big Roland, who made his appearance on the local station last January 19, gave forth with some very colorful comments on the game. He said, "Our incentive to win was what kept us going at such a fast clip in those closing seconds." His selection to appear on the program adds his name to a select group which includes "Posey" Flower, Bob Adams, Bob Hartman, and Dick Brynes.

The program is entitled "Quiz Boland on Sports" it is heard every Saturday evening at 8:45 on radio station WSBT.
