# **JOHN ADAMS SCHOOL SONG**

**ALL HAIL TO THE SCARLET AND BLUE  
TO YOU WE ARE LOYAL AND TRUE  
WE'RE CHEERING YOUR NAME  
AS WE FIGHT ON TO FAME  
AS THE EAGLES GO FLYING THROUGH**

**THERE'S NO TIME FOR REST  
ADAMS HIGH  
WE'RE DOING OUR BEST ADAMS HIGH  
SO FIGHT TILL OUR JOB IS DONE  
AND FIGHT TILL OUR TEAM HAS WON  
A VICTORY FOR YOU ADAMS HIGH**

Cheer (spoken)

**GO ADAMS GO  
GO ADAMS GO  
HIT 'EM HIGH  
HIT 'EM LOW  
GO ADAMS GO**

Repeat song

A decorative border with a gold background and intricate floral and scrollwork patterns in a darker gold color, framing a central white oval. The border is composed of four corner pieces, each featuring a stylized rose and swirling foliage.

# Alumni Accomplishments

**Aaron, Roy** – I have taught at a prison for the last 25 years.

**Baker, Nancy (Swanson)** – I met my husband of 46 years in Hawaii while attending the University of Hawaii. I graduated, we married, and had our two sons there. We moved back to the mainland to Washington state (my husband's home state) in 1976. We both retired from the school district in 2013 and are enjoying life and family. We have our two sons, daughters-in-law, and four grandsons. Looking forward to my first class reunion!

**Berke, Dayle** – Three years ago, I retired from a long career as a consumer protection attorney, health care lobbyist, and public speaker. I have travelled the globe with my husband, from Easter Island to Tanzania. I am now head of the docent corps at the Museum of Arts and Design in New York. I was recently discovered by a fashion photographer on the streets of New York, am now doing photo shoots, and will appear in a book on wearable art in 2017.

**Berman, Steve** – As the sunset years near, I do, in fact, think back upon the four wonderful years I spent at John Adams. Fifty years is a long time but I continue to have fond memories of friends, teachers, athletic teams, and especially the school newspaper, The Tower. Being editor of The Tower provided me with a skill set in writing and grammar that is difficult to replicate today. – Upon graduating John Adams, I spent a year at Northwestern University and then transferred to Tulane University in New Orleans. My junior year in college was spent at Glasgow University, Glasgow, Scotland, and I continue to keep in touch with the friends I met in Great Britain. I obtained a Master's Degree in 1972, Summa Cum Laude from Tulane University, and I was President of my class. – Subsequently, I became a CPA, first with Arthur Andersen & Company, then Laventhol & Horwath, and then my own firm, Stephen M. Berman & Associates, LLC. As a private firm, we opened our doors on October 1, 1977 and I continue to practice today. I love what I do and have been fortunate to have great clients, including the current Mayor of Atlanta and the Howard Hughes Estate. – Besides three children, seven grandchildren, and a wife of 41 years, my time "away from the office" has been spent in community service. My avocation is elder care and I have spent over 40 years volunteering at a skilled care nursing facility. During my Presidency, 1994 to 2000, we built an \$18 million dollar new structure in Atlanta, Georgia. We just completed a \$25 million dollar assisted living and memory care facility, also in Atlanta. – I often remark that I have been blessed to have great mentors who guided me in both philanthropy and service. – While I have lost contact with almost everyone in my 1966 graduating class, it's great to come back and see old friends. I'm also extremely appreciative of those individuals who planned this event. No doubt none of us will be here for the 100<sup>th</sup> anniversary so my motto has always been: "Make every minute count. Do 'good' and you'll be blessed as God put us on this earth to make a difference."

**Biggs, Linda (Lange)** – My two sons and four grandchildren, as well as my sisters, brought me back to South Bend/Mishawaka. I have lived in Carlsbad/Vista, CA and southeast Houston, TX. Worked 12 years for Hughes Aircraft Company (GM) until they closed the Carlsbad plant. Started my employment at the University of Notre Dame four days after I moved to South Bend from TX. Retired from ND in 2014 after 17 years of employment. After planning our high school reunions and my family reunions for over 10 years, I wrote and published a book titled *Guidebook for Planning Reunions*. I documented most of my experiences for organizing and planning large and small reunions. I started college in CA, working full-time and attending night classes towards a B.A. Degree in Business. I finished my B.A. in Organizational Management at Bethel College-Mishawaka in 2006. Slowly adapting to retirement! ☺

**Brown, Terrence** – Retired as a Chief Hospital Corpsman, United States Navy (23 years). Licensed Dispensing Optician, Commonwealth of Virginia and Washington State. Fellow, National Academy of Opticianry.

**Burnore, Paul** – Two sons, Nathan and Matthew, Peace Corps Country Director in Kazakhstan, Peace Corps Volunteer (Thailand), living in foreign countries (Iran, Russia, Indonesia, Greece), IBM career, four books of poetry published, flying airplanes

**Burnore, Susan (White)** – My most memorable memories will forever be the birth of my children, Trish, Fred, and Michael, and watching them grow. I earned a masters degree in education and taught high school and elementary, worked with severely challenged adults, and taught in the South Carolina prison system. I have traveled to many places in the world, the most recent being Cuba. I am now retired and enjoy 8 grandchildren and 1 great-granddaughter, traveling with my wonderful husband, and volunteering at a women's shelter and the Blue Ridge Community College, where I work with students preparing to take the U.S. citizenship exam.

**Clauson, Steve** – Went to 2009 Master's Golf Tournament in Augusta. Served in Vietnam in the Navy as a fireman in DaNang (1969-1970).

**Cole, Delana (Lynch)** – My biggest accomplishments are my wonderful husband and our marriage. Also, our two beautiful, successful children. Mike and I have been very fortunate to have been able to travel extensively. Life has been good!

**Collins, Chris (Sheets)** – Married to Dave for 46 years. We recently relocated to Cicero, IN (Indianapolis area) to be closer to family. We live on Morse Lake and are enjoying the lake activities and the Cicero community. The various jobs in my career were all education related. We have two sons and two grandchildren and love living closer to them.

**Downs, Michael** – I attended Indiana University, Bloomington, graduating in 1970 while Carol and I were married in 1969. With the Vietnam War going on at the time, I enlisted in the Navy spending a total of six years in that branch of the service, being based in Japan for nearly five years. In 1976 I returned to Indiana University earning a Master's Degree with post graduate work in several areas of United States History and reading education. Over the next 30 years I taught at a number of schools in the South Bend Community School Corporation, including John Adams, and as an adjunct at Indiana University, South Bend. During that time I was recognized as Middle School Teacher of the Year by the S.B.C.S.C., and U.S. History Teacher of the Year in 2008 by the Indiana Daughters of the American Revolution. Also during this time I wrote a book about Colonel Alfred Wade, a Civil War soldier from South Bend. I returned to Japan in 1988 to teach in a middle school located in Takamatsu during the summer. I retired in 2008, and Carol and I moved to Knoxville, Tennessee mainly to get away from the harsh northern Indiana winters. I am currently very active in the Sons of Union Veterans of the Civil War, which is an organization dedicated to the preservation of the memory and memorials of that conflict. While active in the Sons, I helped plan and organize a program that honored the first Hoosier to be killed in that war, South Bend native Private John Auten, while additionally cleaning and replacing numerous veterans' head stones. I am currently serving as the Tennessee Department Commander for the SUVCW, where I recently took part in a program to honor the nearly 1,800 Union soldiers who perished in the 1865 Sultana steamboat disaster. Additionally, I have built an extensive

stamp collection over the years, and I am active in the Knoxville Philatelic Society. Carol and I make frequent trips to Civil War battlefields and to the Smokies just to enjoy the natural beauty of the area. We are enjoying our retirement years sharing our condo with three cats: two Maine Coons and a Scottish Fold. If you are in the area please look us up. We would be happy to show you around.

- Travel: Mission trips to Honduras, Romania, Sri Lanka
- Hobbies: Hunting, woodworking

**Farian, Janice** – The highlight of my high school career was getting a 100% on one of Mr. Przybysz's quizzes! Graduated from IU in Bloomington in 1969 with a BA in Psychology. I then attended Fordham University at Lincoln Center in NYC, receiving a master's in Social Service in 1972. Moved to PA where I was Planning Director for Beaver County's United Way. Moved to Florida in 1978 and got a "temporary" job at a bank in Tampa. Liked it and stayed. After several years became a Supervisor and then a Department Manager, was transferred to Jacksonville where I still am. After several bank buyouts and mergers I was merged into retirement in 2003. Tried real estate but then went back into banking at Citi Bank. In 2011 was diagnosed with stage 4 breast cancer which had gone into the lining of my lung. Was able to work through chemo for a while but had to go out on disability in 2013. Still getting palliative treatment.

**Finneran, Barbara (Simon)** – The joys of my life are the people in my life! I'm married to a wonderful man, Earl Simon, an Air Force Vietnam Vet. We have 2 sons. One is married, and we have 2 fun-loving little grandsons, 8½ and 4, who have given us so much joy and fun!! Travels include Australia and New Zealand, and we plan to maybe see Ireland in the future! Favorite teachers: Mr. Goldsberry, who taught about real life, and Mrs. Valentine, both very caring. Proud of Adams for the School Spirit! Latest fun and challenge: Modern Western Square Dancing! We've met many nice and "down to earth" people!

**Gilbert, Meg (Margaret Fleming)** – The longer I lived, the more I appreciated the great education we had at JAHS. Besides the math or English skills we learned, I found myself quoting advice for living life from more than one teacher. One such "piece of wisdom" came from Mr. Goldsberry in Sociology class. He said, "Experience as many different things in life as you can. You may not want to repeat

some of them, but you will have the experience at least once.” Those words have guided me for the last 50 years.

**Gonter, Stephen** – Returned to South Bend in 1976 not sure what I wanted to do next, found a job, met a woman, got married, bought a house, had a kid, and watched in astonishment as 40 years flew by.

**Grenert, Kristy (Baynton)** – I’ve learned that no matter what the obstacle, you can face it with determination and overcome it. Each day is a new day to learn something you didn’t know the day before. Family is #1.

**Hardman, Jody** – Still around to attend my 50<sup>th</sup> high school reunion!

**Harlan, David** – Married 46 years, 3 children, 1 grandchild, moved over 20 times, travelled extensively.

**Hersom, Kathryn (Girres)** – BS.Ed. from Indiana University, married 45 years, 2 sons and 1 granddaughter. Still working: Admin Assistant at St. Michael Catholic Church for 28 years.

**Heston, Robert** – I enlisted in the Air Force not long after graduation and ended up making a career out of it for the next 31 years. I still work today as an advisor in the Department of Defense. – My wife and I met in England not long after I’d completed my tour in Viet Nam. We’ve been married now for 44 years and are the proud parents of two wonderful children. Our son, recently retired from the service, is back in university working on a second bachelor’s degree, this one in professional mathematics, which he will use to teach at the high school level as part of the “Troops to Teachers” program. Our daughter and her husband have given us two wonderful grandchildren. With both boys going to school full time now, she too is returning to school pursuing a Masters in Psychology. – My family and I have lived all over the world with the most time spent in England (10 years), Belgium (4 years) and Australia (3 years). The longest we’ve managed to stay in one place is our current home in Virginia (24 years) but the need to move once again has hit us and we’ll be relocating to a larger farm in Colorado in the fall of 2017. – During our time in Australia my wife and I both purchased our first Harley-Davidsons and have been heavily involved in touring the countryside on them. In Australia we rode them from Canberra to Perth and back along the Great Ocean Road. We brought them back to the States with us and continued our cross-country travels with trips from Virginia to California via the southern states and returning through the central states. We’ve toured the length of what remains of Route 66 and have ridden the back roads of New England and the Canadian Maritimes. Our next big trip will be to our retirement home. – Over the years I’ve developed interests in stained glass windows, beekeeping, raising chickens and beef, cultivating acres of wildflowers and competitive sport shooting.

**Kaley, Barry** – Married to Sherry L. (Bourne) Kaley for 47 years, President/Owner of Knox County Process Service

**Kelly, Linda (Bamburg)** – The most memorable things in my lifetime are: Friends I’ve made from moving all over the U.S. and those I’ve stayed in touch with for over 50 years. My children, grandchildren, and now a great-grandchild. Mrs. Million as the best teacher I had in high school. It’s been a fantastic life. Still miss so many things about South Bend.

**Kluszczyński, Shirley (Holloway)** – Four children (2 girls and 2 boys), 4 grandchildren. Taught at Holy Cross in South Bend for 25 years. Part time now at St. Anthony's, Title One. Love gardening and cooking. Nutrition and health are super important.

**Liepold, Pat (Golomb)** – Will be married to Jim Golomb (JAHS 1961-1964) for 47 years. We have 2 daughters and 2 granddaughters. I left the classroom (taught 5<sup>th</sup> grade) in 1998. Jim retired from KPMG/Bering Point in 2000. Lived in northern Virginia from 1970 until moving to Florida in 2002.

**Loughridge, Gregory** – Most memorable things: The day Pres. Kennedy was shot. Meeting Muhammad Ali (twice). Marrying my wife, Sue. June 26, 2013. Packing our car and heading to Arizona for our new life here.

**Luke, Cynthia (Martin)** – Married to Edward Martin (deceased), 2 daughters, Master of Arts in Teaching (MAT) in French, French teacher, frequent trips to France, love music, gardening, and cooking.

**Martin, Beckey (Thompson)** – I'm one of those boring people who decided in the 9<sup>th</sup> grade what I wanted to do with my life, and that's what I've done. I joined Future Teachers of American (FTA) my freshman year, and after receiving a Bachelor's and a Master's in education, things went on to be more interesting. I have been blessed to teach elementary, preschool, and a teen job training program, and as an adjunct, I taught Early Childhood Education at two colleges. In the early '90s, WNIT Television chose me to be their first Education Projects Coordinator, so I got to represent Sesame Street and Mister Rogers Neighborhood by giving local workshops for Early Childhood Professionals. Mister Rogers had a profound influence on me at that time, so I started a once-a-week preschool class called the Little Neighbors Club at two area homeless shelters. It caught the attention of the producers of his television show, and I was asked to speak about it at a national PBS convention, where Fred Rogers himself was the keynote speaker. So I was honored to meet this amazing man in person! In later years I taught adults who were earning their CDA (Child Development Associate) Credential. Now I serve as Teacher & Family Support at a local Early Learning Center. There's just something about very young children that helps us see the beauty and the wonder in everyday life! As much as I've enjoyed traveling to many great places around the world and in America, there's no place like home. It's great that many of our classmates have found happiness in other locations. But for me, even though St. Joseph County, Indiana may not be the most beautiful or exotic place in the world (far from it), it has been the perfect place for me to grow up, raise my children, and enjoy my grandchildren. They are, along with my faith, the cornerstones of my life, and I consider myself to be one of the most blessed people on the face of the earth.

**Minx, Jan (Jock)** – Our 4 sons and our 3 grandsons have given us untold joy. Their accomplishments are ours!!!

Enjoying sailing/boating, fishing, great year-round weather, and golf (ugly) as time permits. Grandkids Liam (6) and Caroline (4) are five hours away in Orlando.

**Nova, Michael** – The most memorable things in my lifetime are living overseas, travel, and Liza.

**Osmanski, Terry** – I retired from the Quaker Oats Company as the Benefit Plans Supervisor in Cedar Rapids IA. My passion has always been travel. At last count I've been to 111 countries. I'm also a part-time tour leader. The tours I lead are in the U.S. and mostly seniors. I continue to volunteer at our local community theatre and the Indian Creek Nature Center, where I previously served 8 years on the Board of Directors and led the Children's Adventurer Program for 14 years. You sure learn a lot from 5<sup>th</sup> and 6<sup>th</sup> graders!!

**Pfleeger, Charles** – After graduating from John Adams, I went to Ohio Wesleyan University, where I got a B.A. with a major in mathematics, and then I went to Penn State, where I got a PhD with a major in computer science. For 14 years I was a professor of computer science at the University of Tennessee. I was also the first Director of the Tennessee Governor's School for the Sciences. I married Shari Lawrence Pfleeger in 1980. – In 1987 we moved to Washington DC, where I was a Principal Computer Scientist with Trusted Information Systems, Inc., a company specializing in research, development and consulting in the field of computer and information security. Shari and I moved to London, England in 1992 where I became Director of European Operations for Trusted Information Systems (UK) Ltd, returning to the U.S. in 1995. I later went to work for Arca Systems, Inc., which subsequently became part of Exodus Communications, Inc. and Cable and Wireless plc. In 2003 I left to begin my own consulting practice, where I have done security training, threat and vulnerability analysis and expert witness work. I have now retired. – In 1997 I reduced my work schedule to 80% time, and since then I

have spent one day each week as a volunteer construction crew leader with DC Habitat for Humanity. I have participated in the construction of over 120 houses for low income DC residents. I received a President's Volunteer Service Award from the Corporation for National and Community Service (the Points of Light recognition established by Pres. George H. W. Bush). I am also a volunteer docent at the National Building Museum in Washington D.C. – Shari and I just returned from a two month cycling holiday in New Zealand and Australia. We put almost 1,000 miles on our bicycles on the south island of New Zealand and the state of Victoria in Australia. – I have been hoping to attend this reunion to reconnect with people I have not seen in 50 years. Unfortunately, the date conflicts with another event that cannot be moved. Best wishes.

**Pitts, Pamela (McNeer)** – Husband: Dendy, married for 43½ years. Family: 3 children and 3 grandchildren, including a set of twin boys born in February 2016. Our daughter is Special Needs and we coached Special Olympics women's basketball for over 10 years. Education: Attended IU and graduated from Rhodes College in Memphis, TN. Graduated from Baptist Hospital Medical Records School in Memphis. Became a Registered Record Librarian. We moved back to the South Bend area in 1984 and I have been involved with children's school and sporting events. We are now retired and enjoying children and grandchildren and traveling the USA.

**Rahn, Laura (Davis)** – Moved to Fort Myers Beach, FL in 2014, still travel back to Elkhart in the summer.

**Raitzen, Nancy (Chodock)** – I am happy to say that I have been married to Jay for 44 years, getting engaged one week after we met and married three months later. We have two wonderful children (Rochelle and Marc, who graduated from Adams' rival, Riley), 3 terrific grandsons and 3 adorable granddogs. Our loveable dog, Coco, rounds out our family! – After attending Miami University, I graduated from Indiana University's School of Accounting, one of only ten women in the class of 1970. After graduation, I moved to Atlanta, GA to work for Haskin & Sells, now Deloitte. But Atlanta is no South Bend, so I moved back home after one year. In South Bend, I worked for McGladrey – now RSM US – in their tax department. In 1981, Jay and I started Armored Services together, where I was the accountant. We retired in 2000 and moved to Scottsdale, Arizona to be near Jay's family (and to get away from the snow). I took up golf, canasta, and mah jong. We also travelled to many interesting places. – But then in 2006, Jay decided to go back to work. He needed an accountant. So now we're working in real estate in Arizona. Fortunately, we're still able to spend our summers in New Buffalo. And we visit South Bend regularly to visit friends (and go to Costco).

**Ramsey, Don** – Sheri Raschke (class of '67) and I have been married since 1972. We have two children and six grandchildren. I retired as an Associate Professor of Surgery at SIU School of Medicine in June, 2014. Since then, I have been taking art classes at a local community college. We have been fortunate to travel to Europe, Israel, China, Africa, Indonesia and the Philippines. All in all, a very exciting life when you leave out the problems.

**Ries, Jonathan** – The past 50 years have been kind to me, undoubtedly kinder than I have deserved. I have been endowed with a wonderful family, and our first 2 grandchildren were born just this year. I have been practicing law in St. Louis since 1974, and I've been listed annually by Best Lawyers in America for many years. I have usually been proud to be a lifelong Democrat. And I am thrilled to be back among my terrific friends from the JAHS Class of '66!

**Rothballer, Shirley (Forsythe)** – The most memorable thing in my life was when I got to retire, stay home, work in my yard, and make homemade food.

**Rutkowski, Janet (Smith)** – Wedding and marriage to Jack K. Smith, 17 wonderful years as a Computer Security Consultant at Price Waterhouse Coopers (best company ever to work for), four wonderful vacations in Hawaii, two in Aruba, and vacations in Puerto Rico, St. Thomas and St. John. Moving to the Carolinas was the best move I ever made.

**Schneider, Andrey** – Greetings classmates. I took the road less traveled. This included seeing many saints and spiritual leaders: the Dalai Lama, Mother Theresa, Ammachi, Baba Muktananda, Ram Das and others. I lived in an ashram in New York City. I also lived in a kibbutz in Israel for 7 months where I met my now former husband. – My travels and studies were supported by being a school psychologist K-12, and some journalism. I got my 15+ minutes of fame through some work I did with past lives and astrology. I was in a feature story in a Boston magazine as well as a guest on radio and TV talk shows. – I would love to hear from classmates and find out what you have been up to. Wishing you the best.

**Schultz, Lanny** – Graduated Memphis State University, BBA 1970. Lived in Florida 23 years. Career in Department Store, Theme Park, and Import Merchandise Buying and Management. Also lived in Ohio, Texas, and California. Traveled the Orient for import business: Taiwan, Korea, Hong Kong, and the Philippines. Hobbies include fly fishing, fly tying, visiting national parks (46 so far), and gardening.

**Stiver, Kurt** – 1) 38 years of marriage and 2 kids/3 grandkids, 2) 35 years of delivering babies

**Surges, Marianne** – I am fortunate to have a profession and job that I have loved for 34 years. My children, grandchildren (4 boys) and husband are the joys of my life. I have a passion for travel, and for the past 12 years have spent time in France and/or Italy each year. Reading, cooking, and gardening are ways I love to spend my free time.

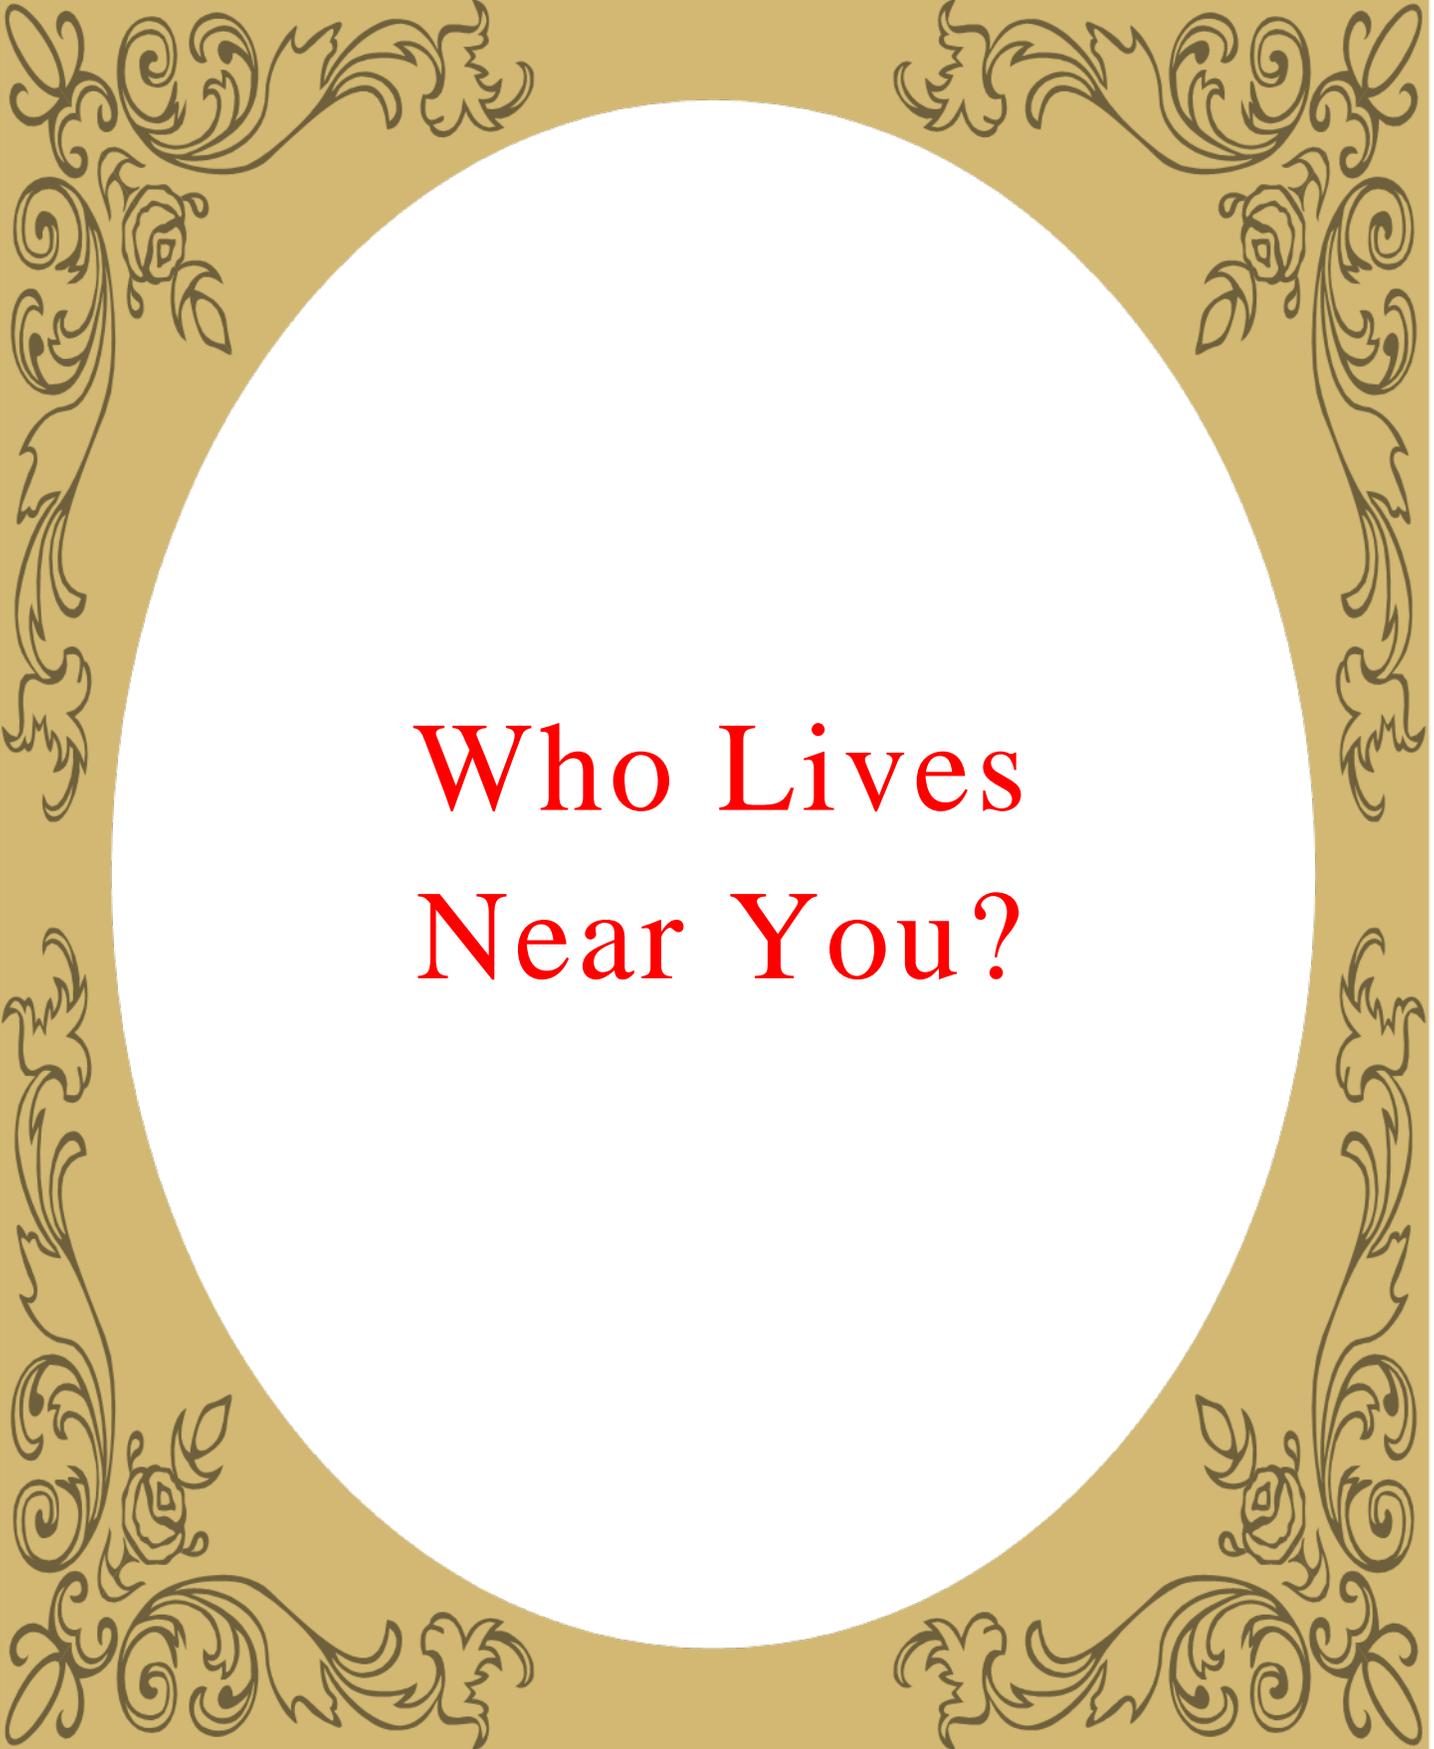

**Taylor, Judy (Geisel)** – 2 kids, 7 grandkids, 3 great-grandkids

**Travis, Sue (Kummer)**

- Graduated from IUSB
- Teaching Kindergarten for 40 years
- Showed my mare Haji on the Arabian Class A circuit, winning regional awards in Western Pleasure, Trail, Native Costume, and Side Saddle. Qualified in Trail & Native Costume several times for US and Canadian Nationals.
- Found my birth family. Met my dad and am communicating with 2 sisters, 1 brother, and 2 half-sisters. Mom died before I found them.
