

1961 - Adams HS Reunion - 1986

Name Sue (Adams) Lumm

(Include maiden name)

Address 2451 South Court

Palo Alto, CA 94301

Occupation Homemaker

Children Jeff (16), Mindy (13),
(Names
& Ages) and Amy (11)

Now, tell us about yourself. We are interested in what you have been doing the last twenty years. Include information about education, jobs, places lived, special interests, family, etc.

Use one side only so we can make copies for a yearbook which we will try to have available at the reunion. Fill this out whether you plan to attend or not. Mail to: HSR, 1520 N. Main St., Mishawaka, IN 46545.

After graduation from JHS I attended Northwestern for one year, then transferred to IU where I got my undergraduate and master degrees in education. I taught one year in Bloomington, then married Steve Lumm in 1966 and became an Army wife.

We lived in Texas, then Georgia, then back to Texas. I taught 4th grade for a year in Georgia and later I taught in California while Steve spent a 1-o-n-g year in Korea.

We settled in Palo Alto, California, where Steve began working for Hewlett-Packard in 1969. We're still in Palo Alto and Steve still works at -hp-. We have three children — a son in high school and daughters in middle school and elementary school.

I work parttime as clerk of my church and I'm a classified substitute for the school district, but home and family are my priorities.

Currently owner and president of B+B Specialties, Inc. We manufacture and distribute parts and accessories for Giant Scale model aircraft (radio controlled). Our travels promoting our products have taken us all over the U.S. coast-to-coast and into Canada.

Our children attend Penn High School with high scholastic honors. Jeff is an Eagle Scout and coaches a Babe Ruth Junior Baseball team. Jennifer is a member of the Pennette Drill team and enjoys flying model airplanes.

My wife, Virginia, was an elementary teacher in the South Bend School Corporation. She currently handles all the secretarial work for our business.

I have lived in Green Ellyn, Ill. the last 14 years. I have worked as a substitute teacher at the local high schools. The past year and a half I worked as an accountant for a food bank, Bethlehem Center. I have been studying Spanish and plan to enroll in a Bi-lingual education program in the fall.

My husband George is a neurosurgeon and we have four sons. Three of our sons are in college, the fourth is a sophomore in high school. George, Stephen, David and I will be spending the month of June in Spain. I'll be home July 3rd and hope to attend the reunion.

Kathleen Bethke Handley

I attended Purdue University and received BSEE in 1968. I met my wife, Carol, at Purdue in graduate school where we were counselors in a co-ed dorm. I returned to South Bend and I worked at X-Cel Controls from 1969 to 1974 and started Electronics Incorporated in 1974. We design and manufacture industrial manufacturing controls and we get to take "sales" trips from coast to coast. We have done innovative work in process control and hold a U.S. patent for ferrous particle size detection. Another company division trains students in CAD, computer aided drafting and we also offer contract drafting services. In my spare time I founded HSR High School Reunions, where I had the pleasure of talking with Gordon Nelson and Russel Rothermel in planning our 25th reunion.

My wife, Carol, graduated from Purdue with a BS in Home Ec. and an MS in education. She taught 7th and 8th grade home ec. for 6 years in South Bend. Carol does the bookkeeping at EI when the girls aren't keeping us busy with piano lessons or soccer matches.

From 1976 to 1979 I served as first reader in First Church of Christ, Scientist, Mishawaka, where I am presently a board member.

Have been married to the same person for 25 years. Have five healthy, beautiful children. After the children were all in school I went back to school and took wordprocessing. I now work full time as a word processor in the College of Arts and Letters at the University of Notre Dame, and I love it.

With a large family my travels have been somewhat limited (mostly Disney World, Kings Island, Cedar Point, etc.), but Bob and I have managed to travel to San Francisco, Las Vegas, and the Bahamas. When we have made all of our major contributions to the colleges around the United States we hope to travel much more.

Most Sunday afternoons I can be found on one of the local golf courses around the Michiana area.

CLASS of 1961, JOHN ADAMS H.S. REUNION 1986

David G. Davis
45 South Forest Street
Denver, Colorado 80222

Occupation: Architect

Wife: Janice M. (Falkenau) Davis

Son: Corey B. Davis, age 6

Education: Attended Indiana University and Purdue University 1961/1962
Graduated Kent State University in
1967 with Bachelor of Architecture

After graduation from John Adams I entered college in pursuit of a degree in engineering. A year later I transferred to the School of Architecture at Kent State University, Kent, Ohio. At KSU I studied art, industrial art and architecture and received my degree in architecture.

While attending KSU I married my highschool sweet heart. Upon graduation I pursued my career while working in Saginaw, and East Lansing Michigan and to Denver, Colorado in 1970.

In 1981 I became a co-founder of Davis & Brandeberry Architects P.C. Our firm provides a full range of architectural services with specialties in historic renovation/restoration and in retail design and imagery.

My family and I enjoy the great outdoors and spend a lot of our spare time in the Colorado mountains hiking, backpacking, sailing and soaring.

Personal hobbies include my son, soaring in the mountains in my glider, windsurfing, woodworking and music.

(Names & Ages) Jack W. III (9)

Now, tell us about yourself. We are interested in what you have been doing the last twenty years. Include information about education, jobs, places lived, special interests, family, etc.

Use one side only so we can make copies for a yearbook which we will try to have available at the reunion. Fill this out whether you plan to attend or not. Mail to: HSR, 1520 N. Main St., Mishawaka, IN 46545.

I continued to live in South Bend for a year and a half after we graduated then I enlisted in the Air Force on the buddy system with our classmate Fred Sjoquist, whom I haven't seen since we completed basic training in Feb. 1963 at Lackland AFB in Texas. I was stationed in Colorado, Florida, and Okinawa, where I occasionally ran into another classmate Rick Renz who was also assigned to Kadena AB.

After my four year military career was completed I moved to Orlando, FL where I attended Rollins College and received a Bachelor of Arts degree. I also started working for IBM Corp. and have been fortunate enough to remain in Orlando continuously (except for a couple of short temporary assignments in New York and North Carolina).

I married a pretty young lady from Xenia, OH a few days before I left the Air Force and we both worked in Orlando until we decided to start a family and Sandy "retired" to the leisurly life of a wife and mother in the summer of 1973 when our daughter Robin was born. Our son Jack joined us in Dec. 1976. My hobbies include flying (I hold a commercial pilot's license with instrument and multi-engine ratings), boating and fishing (we live on a lake in Orlando), and investing in and managing various types of investment real estate. I was a very active SCUBA diver but have not done much diving or flying recently as I seem to spend more time involved in the YMCA Indian Guides program and with my son in little league baseball.

I am looking forward to seeing old friends (since we're all getting a little bit "old") as we attended my wife's 20th in Xenia last year and I even enjoyed that one without knowing anyone there but my wife. This one should be a great deal more interesting to me, now Sandy won't know anyone.

Looking forward to seeing YA'LL in July!

Family and I are completing 21 years in the Air Force. We are currently residing in Vienna, VA and I am stationed at Andrews AFB, MD, just south of Washington DC. We have been at this location for the past 3 years and have been stationed in California, Michigan, Ohio, New Mexico, and Florida previously. I am currently working with research and development of Air Force and National command, control, and communications systems. We are planning to retire from the Air Force within the next year but have not decided on the location for the next job.

Upon graduation I entered the work force. I worked at several downtown retail stores. In 1964 I went to work for Color Tile Co. In 1968 I transferred to Des Moines, Iowa to manage a Color Tile Store. In 1972 I left Color Tile Co. to work for Iowa Paint Mfg., a small regional coatings co. During my years with Iowa Paint I was in store management, purchasing, sales, sales mgt., and company-wide inventory control.

I left Iowa Paint in Sept. of 1985 to start my own business. I am acting as a consultant to small business just starting up. I am presently living in Carlisle, Iowa, 10 miles SE of Des Moines.

I enjoy photography and antiques. My wife, Rose, is a marketing specialist with Zytron Corp., a division of Dun & Bradstreet. My oldest daughter, Kimberly, is a junior at Ball State Univ. majoring in tele-comm. My son, Christopher, is in the Air Force.

After graduating from John Adams, I enlisted into the Air Force for 4 years. After an honorable discharge, I attended and graduated from Burdett College of Boston. During my last year of college, I got married to my present wife, Carol. We have been married for 21 years and have two beautiful daughters, ages 16 and 19, with the oldest attending the University of Mass. My wife and I both work; her presently as an assistant to the V.P. of tax and legal department for the BOSE Corporation, a manufacturer of high quality speakers. Myself, I have held various jobs and positions in retailing. For the past 12 years, I've worked for a Boston chain of drug stores (Archer Kent Super Drugs) which I presently hold the title and position of V.P. of Merchandising and Advertising.

I try to stay healthy and stay in shape by staying active in sports; mainly, golf and swimming. We own a nice home in the suburbs of Boston and a condominium in W. Palm Beach, Florida. I'm looking forward to attending our 25th Class Reunion, see old friends and renew old acquaintances.

1961 - Adams HS Reunion - 1986

Name Dollie A. (Fry) Woodworth

(Include maiden name)

Address 615 Clarinet Blvd. E.

Now, tell us about yourself. We are interested in what you have been doing since our last reunion. Include information about education, jobs, places lived, special interests, family, etc.

Use one side only so we can make copies for a yearbook which we will try to have available at the reunion. Fill this out whether you plan to attend or not. Mail to: HSR, 1520 N. Main St., Mishawaka, IN 46545.

After graduation, I married and moved to Elkhart. I became a homemaker and started a family. I entered the full-time work force in Dec. 1969 at Whitehall Laboratories and 16 yrs. later I'm still here.

My children, Gina Marie (22) and Jon Michael (19) graduated from Concord Hi School. They were very active in sports, band, etc. All the activities that keep you running every night! Gina lives on her own now, working at Textline in Elkhart and part-time at Osco - Concord Mall. Jim is a 2nd yr. student at Manchester College and lives with me during the summer.

I've been on my own for 3 yrs. now. In July 1985 I moved to Woodwind Condos - in town and more convenient. I've now taken the time to pursue "special interests". I bowl (aver. 168). I've volunteered at Gosh. Emerg. Rm. for 2 yrs. - now I am affiliated with an Elk. Crisis Agency as a volunteer. I've done part-time modeling for Betty Tidwell Agency. Had fun doing local fashion shows, R.V. magazines, etc.

I took golf lessons last summer and attempted the game. This yr. should prove challenging again! Ha!

I exercise at the gym (in the complex) 6 days a wk. (3 aerobics, 3 nautilus). I still have relatives in South Bend including my mother (widowed) who lives at Fairington Complex. She's 67 now.

Looking forward to getting reacquainted with all!

It's been a long time since John Adams High School, and much has happened to all of us. I sure wish that I could be there this June to see everyone, but time and distance are in my way. However, since high school, I have married, moved to beautiful Southern California, had two lovely girls, and continued my education at the local junior college.

I am the director of a large preschool and daycare center (220 children), and I love working with these little children. Every day is different and full of new challenges. I am also very active in my church, and sing as often as I can with a choral group here in Mission Viejo. That is the main reason I will not be in South Bend this summer....the group that I sing with will be touring in Europe, performing in Germany and Austria. I am very excited about going, but sad that I have to miss this special reunion.

Have a wonderful time, all!! I will surely be thinking of all of you on July 5th. My best to each of you.

Vicki

Dear Class of '61,

The last reunion was delightful. It was such fun seeing so many "old" faces again. I'm sorry I can't attend this one.

Another five years have rolled by quickly. I'm enrolled in the Ph.D. program in archaeology at UCLA and should be "Dr. Sanger" in about 1 1/2 years. Since 1981, I've worked on digs in Costa Rica, California, Utah, and most recently on Easter Island.

Besides being an archaeologist and of course, parenting, my main occupation is free-lance writing. I write articles, mainly on travel and archaeology, for monthly magazines and national newspapers. I had an article on Easter Island in the Chicago Tribune travel section last year, but I haven't "made" the South Bend Tribune for several years! My husband Tom is a writer too, and we often travel and write together. We've been to Germany and Florida in the last few months for stories.

Much of my travel time is spent on the freeways, however, carpooling the kids (Kristin in 7th grade and Ted in 3rd grade) or dashing off to class at UCLA. Basically we're very family oriented, spending weekends skiing or hiking with the kids or swimming and playing ping pong in our backyard. Those of you who knew me well in 1961 will be relieved to know I am so busy with the above pursuits, I haven't joined ANY clubs!

Have a great reunion. See you at the 50th!

Since the last reunion which we were not able to attend, we have made some big changes in our lives. After being employed at St. John Business Machines (my husband since 1963, and I since 1978) we joined forces with John Thompson and became owners of THOMPSON BUSINESS EQUIPMENT, INC. We were incorporated in May of 1983 and are both actively involved in the business. My husband is Vice President and Service Manager.

I am the corporation's secretary and office manager. Our company is the authorized TOSHIBA copier dealer in the Michiana area. We also have a full line of copier, typewriter, word processor and computer supplies.

Our son Roger who is 19 has followed in his father's foot steps and joined the Navy, presently stationed aboard the U. S. S. Constellation in San Diego, Ca. Our 17 year old daughter, Christine, presently attends Washington High School.

My husband John and I are both bowlers. Except for one season, during a pregnancy, we both have bowled for the past twenty five years.

We are also active members of the Z. B. Falcon Club, a fraternal group who's motto is "In a sound body, lies a sound mind". I have taught a gymnastic class for several years at the club when my children were little. They have always been involved in the gymnastic classes and also bowled as junior bowlers with the group.

This is the end of my fifth year teaching middle school art. I LOVE what I do, the kids turn out gorgeous artwork. That artwork is the pay-off for me, it certainly isn't the pay! I also have been doing my own art work - I have considerably more time now that Jennifer can drive.... I finished my master's degree five years ago at George Washington University. I'm looking into courses at the University of Maryland because I'm a perpetual student. My daughter will be going to College in a year so I'm sure I'll have to find a campus she isn't attending. I'm sure she wouldn't want her mother going to school with her.... My husband, Mike, is a civilian who works for the Navy. He travels a lot and we go with him sometimes. Last year we went to Hawaii and a couple years ago we went to Florida and California. We also went to the Bahamas and to Jamaica - I guess most of those were vacations rather than business. Anyway we have a nice life in Maryland. We live in a rural community that is beginning to grow. Our neighborhood is on the Patuxent River near the Chesapeake Bay. We get plenty of fresh crabs and oysters when they're in season. We are an hour and a half outside of Washington so we take advantage of the shopping and the theatres and the museums. It's a good place to raise a family. Basically we are thriving and I'm happy.

Small "snapshots" like this are impossible -- like chiseling into a gravestone some brief phrase that tries to capture an entire life.

But impossibility aside, the basics are that Elizabeth and I have been married for 10+ years. She didn't make it to the last reunion, hopes to make it to this one, and probably won't make it to any ones after this one. She's a librarian and usually enjoys her work. Outside of the library, not surprisingly, she's an avid reader. She's also a gardener, about to become a self-taught weaver, a very nice person, and many other things. She's a native Vermonter with very bad circulation in her feet which means that we'll probably move progressively south as we age together.

Elizabeth and I have two children, both from Elizabeth's first marriage. Sarah is now 23 and assistant manager of a Boston restaurant -- well beyond the rice-a-roni meals that she would inevitably prepare as a kid when it was her night to cook. Jon is 21 and at Antioch College. If seriousness ever catches up with him (I don't think the vice-versa will happen), he may try to develop and use his art talents. They're good kids whose antics over the years have induced us to invest heavily in Bayer Aspirin stock.

Over the past 15+ years, I have been a lawyer and a community organizer, first with Legal Services in Indianapolis and more recently with a disability rights organization in Vermont. Currently I'm a lawyer with Legal Aid in Albany, New York. I don't like it very much and I'm about to quit and go back to school. I would like to teach and the new view of education (in sharp contrast to our JAHS days) is that teachers are supposed to know something before they teach. So its back to class for me.

Beyond this personal data, Elizabeth and I are heavily into the strange mix of crisis and calm that seems to characterize mid-life; for laughs we enjoy Garrison Keilor, Kate and Allie, and President Reagan; we would like to travel to Kenya (or almost anywhere); we live in a quaint little historical town that has no stores and lies in the Helderberg hills about 25 miles outside of Albany; we The rest, I guess, is why people go to reunions and why we'll be there.

I received a B.A. degree from Alma College in Michigan and an M.A. degree in journalism from the University of Iowa.

I worked about three years as a sports copy editor and writer at the Des Moines Register in Iowa; I have been with the Miami Herald in Florida since 1970. My current duties are writing a weekly column called Florida People in Sports, covering professional tennis and writing a weekly tennis column, and covering college football at the University of Florida and baseball at the University of Miami. Occasionally I cover the Miami Dolphins, Orange Bowl marathon and assorted events like baseball spring training.

Additionally, I do some freelance writing for magazines (Sport, Sporting News, Tennis USA, World Tennis, Inside Sports), and I have written books on University of Miami football and baseball.

Away from work, I'm a volunteer in the Big Brothers program and am a member of the board of directors for Broward County. I am a 32nd degree Mason and master of my lodge. I am active at Sunrise Presbyterian Church and am a member of the Community Relations Board of the Broward Group Treatment Home for delinquent youth.

I visit South Bend each summer and Christmas as my parents live there; and last summer I bought a cottage at Bear Lake, Mich.

I moved to New York City in 1963 with three other people, fell in love with everything here, decided to stay and pursued secretarial work in advertising and public relations fields for seven years. In 1966 I married my husband, Kent, we continued to live in the City until we moved to our home on Long Island where we presently reside. I resumed working in 1981 for Town government and then changed jobs in 1983 to work for the Water Authority where I am presently employed. At present I am conducting an election campaign for a County official and operate as public elected Committeewoman in my district for the Republican Party. I also work as a Boy Scout committeeperson, teach Sunday School and pursue an avid love of a recently acquired interest in Tap Dancing. If you can still read this after laughing so hard, understand that I'm not so serious that I consider myself a threat to any presently running Broadway Show!

After 25 years, I've finally decided "what I want to be when I grow up"! This was my first year teaching in the Law School at Washington & Lee University in Lexington, Va., 43 miles f from our home in Waynesboro. I taught a Constitutional Law course in civil liberties and a Criminal Procedure course and loved it. So far, the commute plus children at home ages 10 (Allan) and 9 (Laura) have kept me on a half-time basis, but I hope to expand that role in a few years. My husband Kent practices law here at the town's largest firm of 7 lawyers -- quite a contrast from the 10 years we spent in Atlanta, although he has actually retained a fair amount of the business he had there.

We returned to Kent's home town 5 years ago, lured from the big city by the more relaxed style of family living. Prior to that time, I had practiced with a downtown corporate law firm in Atlanta for almost 5 years, until Allan was born in 1976. (Kent and I had met in law school at the Univ. of Virginia, where I graduated in 1971 and he in 1972.) After we got into the baby business, life for me became children and full-time volunteerism, until we moved back here and I began to stick my toe in the professional waters again by teaching an undergraduate law course at Mary Baldwin College in Staunton, and then came totally out of "retirement" to clerk for my good friend and law school classmate, J. Harvie Wilkinson, when he was appointed to the 4th Circuit Court of Appeals in the fall of 1985. That led immediately to my current teaching, which I hope lasts indefinitely. I feel very lucky to "have it all" -- and somehow we do manage to combine home and family life with all the usual trappings of Brownies, swim team, piano and dance lessons, etc., with careers we both enjoy.

We are looking forward to seeing everyone at the reunion -- hope there's a great turnout!

After graduation, I attended IUSB for 2 years then transferred to Purdue where I received a BS in Wildlife Conservation in 1966. During the summers of 1964 and 1965 I was an assistant at the Delta Waterfowl Research Station in Manitoba, Canada. From 1966 to 1968, I attended the University of Montana, Missoula, where I received an MS degree in Wildlife Management. I married a girl from Kalispell, Montana in July, 1968. Our marriage took place at Logan Pass in Glacier National Park. In the fall of 1968, I entered a PhD program at UCLA. During the next 4 years, I studied seabirds on the Farallon Islands as part of my dissertation research. I received a PhD in Zoology, and my wife, Naomi, received her BS in Biology from California State University, Northridge in June, 1972. During the late summer of 1972, I was offered and accepted a position on the faculty at the University of Washington, Seattle. I was promoted to Associate Professor in 1977, and Professor of Wildlife Science in 1983. In 1974 I went to Australia to present a paper at a professional meeting. In 1977, my wife and I went to England for a visit with relatives and some professional colleagues at Oxford. In 1979-80, I was a visiting Associate Professor at the University of Montana. In the fall of 1985, we spent a short sabbatical at Bemidji State University, Bemidji, Minnesota. My research has focused on seabird biology and the ecology of forest birds. We have two children; our son John was born in 1978, and our daughter Joy was born in 1981.

We have lived in the Mishawaka area for the past 23 years. I have been a substitute secretary for Penn-Harris-Madison School Corporation for about 15 years. I enjoy it because I have worked in all departments - business, personnel, educational services, athletics, superintendent's office, transportation center, I have run the switchboard and have also worked in several school offices.

My husband Leon and I have been married for 24 great years. We are on a mixed bowling league that bowls on Wednesday evenings. We play volley ball on Monday evenings. In the summer I enjoy watching my husband, son, and son-in-law play softball. We have season tickets to all Penn High School football and basketball games, including 1983 when we went to Indianapolis with the football team when they won the class 4-A State football championship.

Most of all we enjoy being with our family: daughter and husband, Byron and Lisa Zachary and their 2 sons, David 3 and Doug 1. Also, our son and his wife, Tab and Debbie Casper and their son Nicholas and another due in April of '86.

After graduating from Adams I attended Purdue Univ. and graduated in '65. From Purdue I went to work for Pacific Telephone Co. and lived in Palo Alto, Calif. A year later I married Jack, a graduate engineer from Stanford. We moved to Detroit where Jack worked for General Motors and I taught high school English and French.

In 1971 we had our daughter, Molly, and I "retired" from teaching and became a volunteer for various groups. In 1973, as a result of a volunteering job in a fashion show, I started modeling professionally and have been doing it ever since.

In 1976 we had our second child, Jamie, and also made another move to our current address. Jack has joined Saturn Corporation and I continue to model while taking classes toward a masters degree in education.

After college I went to Washington, D.C. and got an M.A. from American University in International Relations. During next 8 years I worked in Washington, D.C. at the Pentagon, Office of Mayor of Washington, D.C., and the Price Commission. I then worked for a short while for the British Government on price controls in London. I then attended Harvard Business School after which I worked in Chicago at Continental Bank and CWA Insurance.

After getting a CPA I am now working in the tax department of Seidman and Seidman in Chicago. Does anyone need any tax planning?

(Before I heard about the Reunion, I already made commitment from July 5 thru 12. But, hello to everyone.)

After high school, I completed one year at Purdue, combined work and classes for another year at South Bend- I.U. and graduated from Ball State in 1965 with a B.S. in Elementary Education.

George Powless (Purdue 1965) and I were married in August of 1965 and moved to Marion, Indiana. He began work for General Motors. I began teaching for the Marion Community Schools: Second Grade and in Summer enrichment programs for the underprivileged.

Our family moved to Paw Paw, Michigan 3 $\frac{1}{2}$ years ago when George's job was transferred to Kalamazoo. Presently, I'm teaching at a local PreSchool.

Our children's activities keep us all busy: track, soccer, folk dancing, gymnastics. We're pretty active at church. George sings in the choir and I play in the Handbell Choir.

We live in a large farmhouse on 3-Mile Lake. We enjoy the location- do a lot of gardening, fishing and swimming. We traded Indiana cornfields for vineyards, blueberries and orchards.

Graduated from Saint Mary's College in 1965. Married Chuck that fall... We've lived in South Bend ever since and I had down a full-time job of being wife and helping raise six sons and one daughter! -- with usual activities that go along with that - church, school, chauffeur, etc. I do very part time work in church's office, but give lots of moral support to him as owner/operator of three McDonald's restaurants in the South Bend area. It's a great life!

After 19 years of being a full-time homemaker, I ventured outside the home for an additional job, (besides full-time maid to 4-sons and a husband.) I have been working as a secretary at Georgie Boy Mfg., a motor home manufacturer, for the last 4-years.

My oldest son Scot is planning his wedding for this summer. Our next son, Joe, is looking for an apartment, and that means we'll soon be half-way in getting the nest emptied.

John will be a senior in high school and Tom in the eighth grade.

Our boys have been very active in athletics, and our most frequent entertainment is attending sporting events at the high school, and jr. high level. We do also follow the N.D. fighting Irish avidly!

My favorite hobby is singing, and I have been involved with church choirs, community choirs and Sweet Adelines for many years.

I also have been an active supporter of my bass tournament fishing husband, Gene. We have traveled to several National Bass Tournaments, and many, many Michigan State tournaments. My husband, who would like to be a full-time fisherman, is also quite busy as the Vice President and partner in Portage Construction Co., South Bend, IN.

We have moved from South Bend, to Elkhart, to Diamond Lake, (Cassopolis), in our 24-years of marriage. We find the lake setting a good environment for raising boys, and finding some enjoyment, when not totally involved in the "rat race".

Looking forward to renewing acquaintances at the reunion.

The last twenty five years! That sounds like forever. We have become Texans and love the Southwest with its hot weather and casual outdoor life style. Raising three girls has provided more than enough challenges. My husband owns his own business and it is headquartered in Los Angeles. Thanks to American Airlines advantage program, we have really been able to see a great deal of this old world. The Rileys live in Nevada, so last year's college reunion was one of my few trips back to Indiana. I have truly been blessed with a happy home and a healthy family. Looking forward to sharing good times with old friends!

After High School I worked at Miles Lab. in Elkhart for a couple of years, joined the Navy for four years, and then moved to Florida in 1969. After a few years as a lab analyst in the electronics industry, I became a Florida licensed wastewater plant operator and have been a supervisor in the Palm Beach County Water Utilities Dept. for the last $7\frac{1}{2}$ years. I have been married for $15\frac{1}{2}$ years and have a 12 year old daughter.

I'm presently hoping to re-locate to the North Florida area sometime this year, to get away from the very congested South-East coast of Florida.

P.S. I would like to receive a copy of the reunion yearbook by mail, if possible.

Thank, Bill

It's hard to believe that it has been 25 yrs. since we left A.H.S. It all seemed like yesterday as we attended our oldest daughter's graduation recently! She, too, was an "A.H.S. Eagle" (Apollo H.S.) and has worn my class ring this past year.

I did continue my education after Adams, receiving a B.A. from Purdue, an M.A. from St. Mary's, and a Rank I (M.A. + 30 hr.) from Western Ky. Univ. I've put my education to use working as an educational consultant for Xerox Education Publications and as a classroom teacher. I've taught grades 3, 4, and 6 and have settled in recent years into teaching kindergarten.

Aside from 1965-1967, South Bend has not been our geographic home (it will always be "home" to me!). My husband, Dale, and I have lived in Vincennes and Evansville in Indiana and Louisville and Owensboro in Ky. We've been in O'boro 9 yr. now. (It's 35 mi. S.E. of Evansville on the Ohio River.) Our children are all swimmers which takes us to many out-of-town meets. Chrissy (almost 11 yrs) will be a 6th grader in middle school next year. Matt (16 yrs.) will be a junior next year. He's a soccer player as well as swimmer. Beth, our '86 graudate, will enter the Univ. of Ky. in Lexington in the Fall.

I married my highschool sweetheart, Tim Golba in December of 1961. We have 3 handsome sons - Ken 22, Mark 16 and Scott 14. Ken and his wife are expecting our first grandchild this month.

I have had a very exciting past 25 years, which have been primarily centered around achieving our family and career goals. At the present time I am the general contractor, bookkeeper, and vice-president of our investment company in Texas. We own, manage, and build real estate from homes to office buildings. What started out to be a hobby for Tim has become a full-time business for our family. When there is time, I love to travel, read, garden, swim, snow and water ski. The Lord has truly been good to us and I'd like to give Him all the thanks and the glory for what He has done.

I can hardly wait to see y'all at the class reunion. It's been a long time for some of us.

Never attended college. After graduating from Adams, worked at Associates Investment for 4 years.

Went to work at Miles Laboratories and have worked with Miles for 21 years. Started as a clerk typist and have been in management for the last 18 years.

I have one son, Jeff, just graduating from Purdue in Advertising and the other son, Jay, just completed his first year of college in Colorado.

My hobbies are working out at the health club, weight lifting.

Four years ago, after my divorce, married Debbie Proffitt who of course is now Debbie Weiss. In February, 1985 we opened D'J's Hair Emporium in downtown Elkhart, which is run by Debbie and is very successful.

Debbie and I enjoy traveling and our biggest love is roller coasters. We usually hit every roller coaster every summer at all the amusement parks.

After graduation I married and had 2 sons. Divorced in 1978.

In 1979 remarried Larry Wagner from Mishawaka who had 2 daughters. Two years after our marriage we purchased Green Acres Campground in Coldwater, Michigan and have lived here since. We are located on Lake-of-The-Woods, 10 miles north of the Indiana line and 12 miles west of Ohio. In addition to the campground, we have rental cottages and a grocery right on the lake which keeps me busy. I have 2 grandchildren, Stacy 5 and David 2.

I am sorry to miss the reunion, but it is impossible for me to get away that weekend as the week before and after the 4th of July is the busiest for us in our business.

Graduated in 1966 from George Williams College... married in 1966. Worked for 2 years at George Williams as a counselor, co-taught Human Relations... quit to start a family. Worked part time as a Church Secretary when the boys were in school... started full time this year as a secretary for a Real Estate Firm.

Husband, Harry, Athletic Director at George Williams for 10 years, now Operations Manager for Continental Insurance in Chicago.

Our boys are a joy! Jim completes his Senior Year in June, will graduate from Danvers Grove North Hi... made his mark on the Varsity Basketball Team. Tim finishes his Soph. year, makes his mark as a pitcher for North, baseball.

I am principal care-giver for my Mom who is now in a nursing home nearby. Brothers Jim & Jerry (both Adams grads.) live in Mich, Jim & Barb (Jones) have 5 boys... Jim is in Y-work. Jerry & Ruthelma have 2 boys, 1 girl... Jerry is a retired St. Col. - Ret. Free)

We've lived in Danvers Grove for 20 years... active at St. Luke Presbyterian Church with the Senior Hi Youth Group. Any spare time I may be found on the tennis court with my family but most likely hanging wall paper, painting, or trying to get my desk cleaned off. Would love to hear from my long lost friends!

1961 - Adams HS Reunion - 1986

Name Sandra Zoss Barton

Address 3420 Hays Cr.

(Include maiden name)

South Bend IN 46614

husband's name - still Doug!

Occupation housewife

retired Speech + Hearing Therapist

Children

(Names

& Ages)

Debby - 17

Jennifer - 15

Lindsey - 10

Now, tell us about yourself. We are interested in what you have been doing the last twenty years. Include information about education, jobs, places lived, special interests, family, etc.

Use one side only so we can make copies for a yearbook which we will try to have available at the reunion. Fill this out whether you plan to attend or not. Mail to: HSR, 1520 N. Main St., Mishawaka, IN 46545.

Enjoy tennis, calligraphy, traveling
reading.

Do plan to attend.

Will also help organize if needed.

After graduation, I attended ISU and received a B.S. in Education. In 1965, I entered the Marine Corps and spent 13 months in the Republic of Viet Nam. During that conflict I was wounded and received a Purple Heart.

I was discharged from the Corps in 1967. I immediately began teaching Social Studies at Sowell Middle School. I have been there for 19 years, my wife Laura and I have three girls, and I have a son from a previous marriage.
