## "Hour of Reckoning" Near; Summer Soon

On Thursday, March 25, the grading period for the nine weeks comes to an end. Therefore, let it be generally known that sponsor period, Tuesday, April 6, will be the "Hour of Reckoning." At this time our sponsor teachers will pass among us handing out small sheets of paper. These small sheets are known to all as report cards. The name is derived from the fact that the cards give us and our parents a report on our school work through a grading code. There are two schools of thought concerning this code. The teachers' and the students'.

### The former:

- A — Superior
- B — Good
- C — Average
- D — Conditional
- F — Failure
- or U — Unsatisfactory

### The latter:

- A — Awful
- B — Bad
- C — Conditional
- D — Dandy
- F — Fine
- or U — Ultra-ultra

Seriously, though, it has been found that report cards aid many individuals by encouraging them to do better work, and that they aid others by making them see their weak points. Often, too, the cards stir the parents into an effort to interview the subject teachers, to find their offsprings' faults, and to help them to correct these faults.

Last, but not least, the coming of report cards reminds us all that there are not to many more days of school left until Summer Vacation. As a matter of fact, as of Tuesday, April 6, the Seniors have only 34 days left in which to make that final GOOD impression. The underclassmen will be relieved to know that they have a while longer — 45 days.

## HI-Y AND GLEE CLUB TRADITIONAL EASTER SERVICE TOMORROW

Here are pictured some of the Hi-Y and Glee Club students who are co-operatively giving the annual Easter program. They are, left to right: Nancy Gradecki, Jim Lebo, Nancy King, Jim Cox, Martha Craig, and Jack Wagner.

Tomorrow will be the Easter program. This is one of the traditional highlights each year, sponsored by the Hi-Y and assisted by the Glee Club.

To open the program, the Glee Club will sing "Holy, Holy, Holy" while forming a lighted cross. "My God and I" and "Onward Christian Soldiers", another favorite hymn, will create the atmosphere for other numbers on the program. "Ave Maria" with Nancy Gradecki on the solo, "Sanctus" with Myra Roberts on the solo, and "I Know That My Redeemer Liveth" by Nancy King will be outstanding numbers on the program.

Two Hi-Y boys, Jack Wagner and Jim Lebo, will give the scripture and the prayer, followed by the "Sevenfold Amen". Last on the program is the benediction and response by the Glee Club. The guest speaker will be Reverend Kincheloe.

It is sincerely hoped that the Easter program will help create in the students the Easter spirit, so that they may enjoy and appreciate the Easter season.

## NEWS OF ALUMNI AT COLLEGE

Many reports have been received from John Adams graduates now attending college.

Barbara Stanz is going to make a tour with the Principia choir during spring vacation. Jerry Gibson is planning to make a similar tour with the Harvard choir. Both were members of the Adams Glee Club last year.

Dave Cox and Glenn Personette have been initiated into the Sigma Alpha Epsilon fraternity at Franklin College.

Jan VanHouten was named honorary cadet colonel of the Coe College R. O. T. C. battalion.

Jean Steinmetz was voted one of the most capable girls at Gulf Park College, Biloxi, Mississippi.

Rodney Million is on the dean's honor list for freshmen at Indiana University.

Corrine Firth has been elected president of her chapter of Alpha Gamma Delta at the University of Michigan.

## COX AND REINKE TO TAKE WABASH SCHOLARSHIP TESTS

The two boys who are going to take part in the Wabash Scholarship Award Exam are James Cox and William Reinke. They will compete against other boys from all over Indiana. There are two awards given every year to boys who are coming in as freshmen. The award will take care of the boy's tuition all through college providing that he makes superior college grades.

The dean of the college is the chairman, and the examinations will be given by the faculty on March 30 and 31.

The test is based on high school subjects which are specifically required for entrance. It includes English, Math, foreign languages, laboratory science, and history. The examination consists of 5 tests, each approximately 2 hours in length. The tests are given in two days.

## FOUR TAKE N.R.O.T.C. TESTS; BARTZ ACCEPTED

Four boys from John Adams decided to try out for the N. R. O. T. C. They were Jim Bomberger, Bob Bartz, Bill Gooley and Bob Beisel. The first procedure which they had to undergo was a naval aptitude test, which was three hours long. If they passed this, which Jim Bomberger, Bob Bartz, and Bill Gooley did, they were to go to Chicago for a Physical Examination. Bob Bartz was the only one to pass the physical examination. He was interviewed by two naval officers for classification. The examinations are extremely rigorous and any one fault is enough to eliminate you. We at John Adams should be extremely proud of those who tried and of Bob Bartz who was accepted by the N. R. O. T. C.

## SPRING VACATION EXTENDED FOR EXTRA DAY

John Adams students are lucky this year because they have six days of Spring Vacation instead of the usual five. Spring Vacation begins on the 25th of March at 3:00. Everyone will return to the "old grind" on April 5. In those six days students and faculty will catch up on some sleep and probably have a wonderful time.

## ADAMS HELPS EASTER SEAL SALE

The total amount collected from the Easter Seal sale at Adams was \$53.22.

Room 210 was the richest contributor with \$4.88 for 36 students, making a home room per capita of 13 5/9 cents.

The entire school per capita was approximately .07 1/2 cents.

## SENIORS REGISTER FOR CHICAGO TRIP

Of the 181 seniors taking Social Living, 111 have signed up to go on one of the trips to Chicago on April 15 or 23, April 30, and May 7.

Mr. Goldsberry and Mr. Sargent will accompany the students on the excursion in "the big city."

## JUNIOR HONORED IN T. B. POSTER CONTEST

Ed Morris, an 11B, won First Honorable Mention in a poster contest sponsored by the Tuberculosis League. The theme of his poster was "We can defeat T.B. through education."

Congratulations, Ed!

The stag line at a recent De-Molay White Elephant Dance was headed by **Bill Reinke**, who escorted **Nancy Collins** (Riley) to her door, and **Bill Tait**, who saw **Eileen Brugh** (Riley) also to her abode. Couples at the dance were **Jim Bomberger** and **Phylis Spradlin**, and **Jean Koenigshof** and **Bud Rhuska** (Central Alumnus).

**Marilyn Zimmer** no longer holds **Jack Wagner's** hand in second hour soci class, she now sits on his lap. (Says Mr. Goldsberry!)

Happy again — **Dick Worth**, because **Suzie** is back in school.

**Jack Kelly** is out for track, but the only thing that runs is his temperature when he talks to **Mary Nold**.

**Jim Nevins** has been enjoying **Jeanette Mueller's** company lately.

Several girls are counting the days until spring vacation when their men are coming home. Among them are **Donna Miller**, waiting for **Jim MacKenzie**, and **Lenore Tucker** waiting for **Tom Cassady**.

We hear that **Johnny Bowman** had a wonderful week-end in Logansport.

**Evie Kendall** was quite embarrassed the other day when **Miss Roell** asked her, "What is that thing (head) on top of your shoulders used for — to hold up your bangs!" The truth often hurts.

**Pat Haley** was pretty enthusiastic about a recent blind date with a fellow from Howe Military Academy.

Add to the list of Adams' grads to swap "I do's" in the near future: **Lila Cowen**, **Jerry Bessler**, **Millie Vance**, **Joan Butler**, and **Ann Messter**.

**Betty Cowen** enjoyed the recent visit of former Adamite **Cecil Cobert**.

**Nancy King** is sporting some new jewelry — an I. D. bracelet to be exact.

## IDEAL SCHOOL DAY TODAY

Attention Students—As a special reward for the hard work and the perseverances of the students an "Ideal School Day" is planned for today, but today only, don't forget. Here is the schedule:

If you happen to come late don't let it worry you. Go to the office and get a supply of gum and candy from Mr. Rothermel.

Your classes are more or less optional but you might as well attend them. They will be so much fun. If a teacher asks you if you'd care to recite, just answer truthfully, (no, in other words).

Refreshments are to be served before each class with Doctor Pepper at 10:00 & 2:00.

Now just relax and listen to the soft music — but wait a minute before we go too far — **April Fools Day is next Wednesday.**

## WHAT DOES EASTER MEAN?

Vacation, new clothes, warm weather, and the thought that summer is almost here — are these the thoughts that pass through your mind when you think of Easter? It's only natural that they should, but you should also think of the real meaning of Easter.

The name Easter is derived from Easter who was a Teutonic spring goddess.

Easter is a festival of the Christian church to celebrate the resurrection of Jesus Christ.

Different churches have a variety of symbols and traditions that reflect their doctrines, but they all believe that Easter is a time to rejoice after the grief of the Lenten period and to start anew.

Most of us don't believe in the Easter Bunny anymore, but it is time that we know and believe in the real meaning of Easter.

## Take It Easy, Jokers!

Ah yes! There's one in every crowd. The practical joker who couldn't have been born but who must have been hatched. No doubt you've all had the urge to assassinate such a boob when he pulls one of those clever jobs. You just keep thinking there's a limit but it seems this joker doesn't even know what the word means. Everyone likes a person who is fun when he's out, but the practical joker is not enjoyed or appreciated.

There's nothing that embarrasses a girl or a boy more than to have a date with a fugitive from a side show. It's all well and good to be the life of the party, but there's a time and a place for every thing. The time is not when you're with someone you want to impress and the place is not any respectable social group. Better try a cage of monkeys where such antics are appreciated.

## AN EASTER TEST FOR YOU

The twins entered the Church on Easter morning. They were identical and yet one of them was truly beautiful and the other had a shallow look. Perhaps their thoughts were reflected in their faces.

"Whee-ee-ee Lent is over at last! I thought I'd die with those old resolutions of mine. At that I did break some of them part of the time, but not too often. I wonder how I look in my new Easter outfit. I wonder if my seams are straight." So thought the first twin. And the other — — ?

As she walked down the aisle her heart swelled with the beauty, the joy, and the happiness that was prevalent in the atmosphere of the Church. She seemed to be thinking of nothing, but her mind was deep in thought. She was aware of how good she felt and of what bliss was hers as a reward for persevering in the keeping of her resolution.

Only you and your conscience know which of these girls is a copy of you.

## What's Buzzin' In The Clubs

**Band**—The winner of the 1948 album given to the band member who sold the most tickets to the concert March 12th was Georgia Lackman. She sold 30 tickets. Bill Reinke was second place with 27 tickets to his credit. Harold Heeter sold 17 tickets to take third place.

The Band played for the John Adams P.T.A. meeting March 18.

**G. A. A.**—Miss Bauer discussed playing the Central G.A.A. in volleyball on March 17.

Marilynn Bendit gave a report on the happenings at the Student Forum.

Norma Lebo, Jackie Miller, Dixie Landy, Dolly Smith, Carroll Cornican, and Doris Holderman were elected to plan an initiation for new members.

**Hi-Y**—Jim Cox was appointed to introduce the speaker at the Easter program. Jim Lebo is to read a prayer and Jack Wagner will read a passage from scripture.

Hank Hukill, Jim McClusky, and Bud Sunderlin will work as a committee to get business men from this district to back the Hi-Y school clubs.

**Ushers**—The Ushers Club was inclined toward classical music last week because they asked for the Civic Music program on March 16, and for the Barber Shop Quartet March 20.

**Y-Teens**—These new members were initiated into this club on March 12: Dorothy Depree, Shirley Grass, Pat Denyes, Bonnie Zieder, Judy Owens, and LaVerne Kluska.

Here's a tip to those who have tempers!

"If you have a good temper; Keep it; If you have a bad temper, Don't lose it."

## CINCINNATI SYMPHONY ORCHESTRA AT CIVIC MUSIC

The Cincinnati Symphony orchestra triumphed in their recent concert here on March 16. Their rendition of Dvorak's "New World" symphony and Khachaturians' well known "Saber Dance", were especially brilliant.

The distinguished conductor of the orchestra, Thor Johnson, received the applause of a grateful audience for a wonderful performance. He also took time to give your Tower reporter a personal interview. He said when asked that our auditorium was as good as any in the country if we only could have a reflecting shell backstage to project the music.

He also told of a humorous incident that happened while on tour when playing the "Flight of the Bumble Bee." The first violinist's chair leg slipped into a light socket and he played thus tilted for the rest of the number. The piece thereafter was called the "Blight of the Fumble Bee."

The Civic Music Association operates on a national scale. The idea was first concerned by a man and a woman in about 1919 as a way to offer talent to a larger public for less money. The association soon will open its spring drive for tickets. Only after the money is collected from this sale is the talent recruited thus causing no overhead or profit.

Doug: "Well, back from visiting the great musician? How did you find him?"

Willard: "Brushed the hair aside, and there he was."

Teacher—"Jimmy, where's Moscow?"

Jimmy (after much hesitation): "In the barn next to Pa's cow."

## EASTER'S MAZE

When people talk of Easter and the outfits they will wear;  
I feel the most terrific urge to tear out all my hair

Or in some other drastic way, give vent to my emotion

'Cause I remember all too well one Easter — (I had that "new clothes" notion)

I planned for weeks ahead of time until I knew just what I wanted,

And then I went through all the stores and believe me, I really hunted

For all those items (large and small) that go to make an outfit:

Until I felt that mine was "sharp" — everything about it.

I knew completely what I'd wear when the "day before" came 'round,

And I gazed with joy on every frill and ruffle I had found.

Well, Easter came — the day on which I'd planned so very long;

It was snowing and "ten above" (which for my ensemble was quite wrong).

All my exquisite pomp and style gave place to clothes well seasoned

By years of service in ice cold weather, which wasn't fair (so I reasoned)

So I spent my day involved in thoughts of all my clothes-collecting work

Rendered so useless all at once by this unexpected weather quirk.

It broke my heart to think of all the joy I'd missed and too,

I promised never to perfect an outfit again, would you?

"Why there were doubtless more spring days to wear it," did you say?

Oh, I couldn't wear such a fussy thing on any other day!

by Lois Warstler

"WHAT ARE YOU WEARING IN THE EASTER PARADE?"

Pat Pence: "Braids and a straw hat."

Jody Screes: "The new style, of course — petticoats."

Miriam Jones: "Red silk stockings and green perfume."

Punky Kint: "Blue jeans and a long white shirt!"

Beverly Miller: "Clothes of course."

Millard Nichols: "I'll never tell!"

Bob Nimble: "Cheerful colors (red and green)."

Jane Davis: "A long shirt and blue jeans because I'm going to church with Punky. P.S. I won't forget my saddle shoes!"

Harold Ziker: "Rabbit skins."

Ann Kohlbrenner: "The new look."

Betty Granat: "The new look with a pair of three-inch heels."

## Speedboys Open Season Saturday At Notre Dame Fieldhouse

If the occasion suits you, go out to Notre Dame's fieldhouse Saturday at 1:30 p.m. and take a look at Coach A. T. Krider's hopefuls for 1948.

Last year's veterans Ben Jurick, Nick Nichols, Bob Manby, Leroy Barritt, and Luther Johnson look like they are in pretty good shape with the exception of Barritt who is sporting a bay window from the long winter months. If Barritt can push his plate away sooner he can be the class of the 100 yd. dash this spring. Manby is also a one hundred man which gives Adams plenty of power in the century. Jurick, who has two more years of eligibility left, is due for a big season on the cinders. He is Adams best bet to qualify to go down state this spring. Mitchell, a monogram winner last year, is a good relay man and with some added support could go places.

Luther Johnson, a low hurdler from way back, is also hoping for a big year. Last season Johnson showed his wings on several occasions to garner numerous first and second place ribbons.

The high jump is wide open for new comers. Don Howell and Jack Swindeman, the Eagles' two jumpers last season, were lost by graduation.

In the other field events, Doug Beebe and Ronnie Minzey are eyeing the pole vault with hopeful glances. Beebe won his letter in the pole vault two years ago. He had a bad year last season but with some good weather, he hopes to get off to a good early start.

Bill Gooley, Jim Barcome and Nick Nichols are shot putters. All will be out to help the cause of the squad.

Remember, if you want to get a good glimpse of these runners and vaulters, go out to Notre Dame Saturday.

### CENTRAL DROPPED, 45-44, IN SEMI-FINAL PLAY

The Central Bears, winner of the South Bend sectional and regional, traveled to Lafayette only to be set back in a heart-breaker by a score of 45-44. The fact that Central only hit on four of sixteen free throws undoubtedly meant the margin of defeat. The question is still being kicked around and will continue to be for quite awhile. Did John Davis's basket score before the gun went off? The referees claim no basket and their word is the one that counts. The Bears played a wonderful game and even though they lost there is nothing to be ashamed of. The game was nip and tuck all the way with Peru's 23-18 lead being the greatest of the day. Peru's victory was their third consecutive one-point victory in tournament play. In the regionals Peru defeated Delphi and Logansport 46-45 and 44-43 respectively. Ernie Bond was high-point man for the Bears with ten field goals and two free-throws for a sum of twenty-two points. In the second afternoon contest Lafayette Jefferson downed fighting Hammond five 44-39. In the final night contest Jefferson defeated Peru by a score of 60-53. Ernie Hall, Jefferson center, collected twenty-two points during the game.

### ADAMS BASEBALL PROSPECTS LOOK FAVORABLE FOR '48

Coach Rollo Neff's baseball team will open its spring schedule against Riley on the latter's diamond in about three weeks. A twelve game varsity schedule has been announced and an additional schedule for the "B" team will be drawn up.

The pitchers and catchers are working out daily in the gym. These moundsmen are led by lettermen Don Truex, Keith Zeiders, and Jim Nevins, while Bill Cox and newcomer Dick Bennet round out the staff. The backstops include Bill Roberts, Phil Smeltzer and "rookie" Dick Bolesky.

Last year the team won five games, dropped eight, and tied two, with the last five consecutive games resulting in losses. In addition to the above lettermen, Dick Truex, first sacker, and Dave Coker, shortstop also earned a letter last year.

### HIGHLIGHTS BY HIGHBERGER

Now that the basketball season is over and no one is happy but the winner, we can settle down to the business at hand, namely spring sports. Central's Bears who year in and year out are the scourge of the northern part of the state always flub up at Lafayette. Those "Rebels" from the deep south walk off with the state championship are regularly as the sun rises.

The "pocket city", Evansville annually comes up with a winner. Remember Bosse of Evansville? They won the state two years in a row. When Bosse fell by the way side Central's "Golden Bears" rose to supremacy and the outsiders are still trying to get rid of the Evansville quintet.

Has Joe Howell gone Hollywood on us? What's the idea of the beret, Pierre? "Mickey Moose" Barritt hopes to form a pinochle team here at Adams. Coach Barritt says that Bob Mitchell and "Itchy" Bartell are assured of being starters but he will welcome all candidates across the street.

Those of you who get the chance should go out to Notre Dame's fieldhouse this Saturday and watch the Adams' track team in action. Where else can you see such greats as Bill Mitchell, Jack Kelly, "Millie" Nichols and the greatest of all Lu Johnson exhibit their wares "for free".
