This mock election was sponsored by the National Youth Committee of the Junior Chamber of Commerce to help prepare and educate students for one of the duties they will acquire as American citizens when they reach 21 years of age.

Mr. Lewis Mason, chairman of the committee, appointed Andy Toth of Central to be in charge of the election board. This board composed of students from all the high schools will meet on October 2 in the Council Room of the City Hall to tabulate the ballots.

The campaign was handled completely by students, with no political aid. Each high school conducted the election to satisfy its requirements.

Here at A d a m s the Student Council took charge. Council representatives were given complete instructions concerning the election at the Student Council meeting on September 23. Registration began in the home rooms immediately after the meeting and continued through September 24. Each home room represented a precinct.

JUNIORS HOLD MAJORITY IN ENROLLMENT

This year the enrollment at John Adams has dropped from 673 students in September of 1947 to 652 students in September, 1948. The main reason for this is that most of us were born in 1931, 1932, or 1933, the worst years of the depression. Therefore, there is a natural decline in all school enrollment. Two hundred seven sophomores are timidly walking the halls of Adams this year. Two hundred thirty-one juniors are joyful that their first year is over and last but certainly not least, 214 seniors seem their usual proud, aloof selves. Everyone is welcoming the 155 new 10B's. We all hope they'll like Adams. In addition there are 16 new juniors and 3 new seniors. Eleven students are new to the school district.

CAPTAIN JINKS OFFERS ENTERTAINMENT FOR ALL

Way back when, in the nineteenth century or the so called "bustle era", the characters of "Captain Jinks" took form.

Ethel Barrymore once played the part of the leading lady, Madam Trentoni, in this romatic comedy. Our Ethel Barrymore will be Lois Warstler. Captain Jinks will be played by Dave Gibson, and John Meyer will play the part of Papa Belliarti.

The romance of Captain Jinks and Madam Trentoni begins its thrills and misfortunes on the pier as Madam Trentoni steps from the boat, which has arrived from Europe.

Captain Jinks makes a bet with two of his friends that he will make love to M a d a m Trentoni before they do. As the ideas of a playwrite run Captain Jinks really falls in love with Madam Trentoni and his buddies try to hold him to his bet, thus ruining his love affair.

Behind the scenes of the play, people have been painting, putting up scenery, sewing costumes and getting the wardrobe ready, collecting dogs, Victorian furniture, a rose rug and a monkey, getting make-up ready, selling tickets, putting out publicity, and every other thing that has to be done before the night of the play. Those hard working chairmen who have to keep everything running smoothly are: Make-Up, Connie Hudson; Publicity, Martha Swintz; Properties, Joan Partritz; Tickets, Patricia Haley; Sets, John Meyer; Sewing, Jean Ingram, Asst., Janice Cronkhite; Wardrobe, Ona Apelgreen, Asst., Betty Granat. The Navy announced recently that the third nation-wide competitive examination for its College Training Program has been scheduled for December 11, 1948, and will be open to high school seniors or graduates within the age requirements. Successful candidates will be given a four-year college education at government expense and will be commissioned as officers of the Navy or Marine Corps upon graduation.

The program is open to male citizens of the United States between the ages of 17 and 21, and quotas have been assigned to each state and territory on the basis of its high school population. Those who are successful in passing the aptitude test will be interviewed and given physical examinations; then, if found in all respects qualified, their names will be submitted to state and territorial Selection Committees composed of prominent citizens and naval officers. The

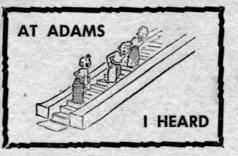

Navy expects to enter about 2,350 students into the program commencing with the fall term of college, 1949.

The students selected by these competitive examinations will be assigned to the 52 Naval Reserve Officers' Training Corps units which are located in various universities and colleges in the United States. If accepted by the college, they will be appointed Midshipmen, U.S.N.R., and will have their tuition, books, and normal fees paid for by the government. In addition they will receive pay at the rate of \$50.00 a month for the fouryear period. Upon graduation they may be commissioned as officers in the Regular Navy or Marine Corps and required to serve on active duty for two years. At the end of this time they may apply for retention in the Regular Navy or Marine Corps, or transfer to the Reserve and return to civilian life.

Applications are available in Miss Burns' office.

ADAMS IS WHAT YOU MAKE IT

Now that you have had time to straighten out your schedules and pick up again with all the extra curricular activities, you should give some attention to the support of the school. Our school's sports, clubs, and other activities cannot function properly unless they have the support of everyone. For an example, you can help build the morale of the football team. Let them know that you're behind them 100 per cent and pat that certain boy on the back who played such a swell game. You can also support the school by cooperating with the kids that are doing a marvelous job in putting on the all-school play, "Captain Jinks of the Horse Marines." They are giving time and hard labor to make a fine showing for our school, so the least we can do for them is to give them cooperation.

That Southern accent holds a fascination for Sam Jennings. He is interested in a girl in Indianapolis. And speaking of accents . Rosie Fragomeni likes them Irish.

Pat Denves is said to like a certain "Bill" - and as Bob Parker said. "His last name isn't Shakespere."

Still going together: Jack Kelley and Joan Kissel, Frank Stout and Carol Crowe, Jim Wilson (alumnus) and Marilyn Bendit.

Dating are: Betty Cowen and Tom Tompson, Naomi Brown and Tom Barth, Betty McDonough and Ted Schaffer, Joan Goffney and Len Kowalski (Cen.)

Don Truex has given up girls for life. Let's see!

Betty Stark has just gotten her ring back after one of those summer romances with Kent Brown.

Charmain Franklin is lonesome now that Dare Nestlerode has left for college.

A cut little sophomore has her eye on one of the big seniors. How about it Joe Plott?????

Doris Karkas and Don Anglin have broken up.

Jim Sears is writing to a Canadian girl. Oh what summer travel can do!

Monie Schecker is no longer going steady with Bill Cox but he is around quite often.

Pat Smith received a beautiful watch for her birthday. From Tom, eh Pat?

Mrs. McClure asked her Public Speaking class if anyone had seen her handkerchief?????

What do you think of the shmoos? Jim Rogers-Fine, cause there's no work connected.

Jayne Davis-Cute little creatures. They remind me of Tom.

Punky Kint-Just my chance to go steady.

Ralph Seaman-Cute, practical,

AMATEUR DETECTIVES TAKE NOTICE!

I'm afraid we haven't a trip to Hawaii to offer or even a thousand dollars a year for life, but we just couldn't let any old radio show retain a monopoly on "Mystery Voices" or "Walking Men" so we dug up a few Adams mysteries and we want to see just how many you can solve. Ready, Sherlock?

Judging from looks, his hobby is keeping tall and thin His brother has a "Bobbie" but his hair needs no pin.

HAVE WE MADE YOU FEEL AT HOME

Most of you new sophs probably felt a little strange the first day or so at Adams, but we hope that by now you feel that you are a part of our school. You are a large part of it you know, and if you don't feel at home yet join some of our extracurricular activities. If you will take interest in our school and take part in different activities you will soon feel as though you have been coming here for years. (But not more than three we hope).

NEW TEACHERS

VOCALISTS OFF TO GOOD START

Back to its old tradition, the Glee Club is happily organized under its new capable officers, one big happy family, all striving to make this year the best year in its history. Of course every year the students think their Glee Club is best; this year, we are going to 'prove' it!

Would you like to help us? To those who would, I'm going to tell you a secret. The Glee Club has room for a few more members! The Glee Club would like everyone to belong, but since this is impossible they do the next best thing, have tryouts. No, you don't have to have a voice like Jenny Lind or Lauritz Medchior. In fact, determination sometimes is much more important than the perfect voice.

If you would like to be a part of this fine organization, the John Adams Glee Club, and sing with them at Thanksgiving, Christmas Vespers, Easter, Commencement, and many other programs; if you would like to help the Glee Club make this year its best, by all means, come to the tryouts! You will be welcome by all!

Sophomores Fill Most Cheerleading Positions

Four cheerleaders for the B-Team were elected by the most applause at an all school assembly on September 17.

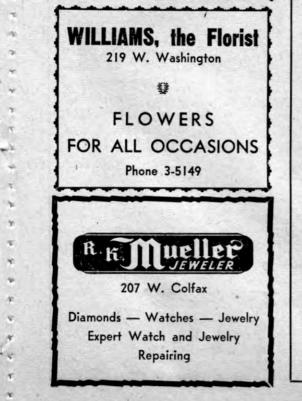

Jerry Freels, head cheerleader, conducted the election. Ten students tried out for the positions and after a close election Pearl Coffman, Marcia Dousman, Kelly Kindig and Shelia Fitzsimmans were chosen.

Mr. Gorden Nelson, faculty advisor of the cheerleaders, gave a very impressive talk on the good spirit and ability of our team.

THE SHORT OF IT ABOUT THE NEW TEACHERS

This year, as always, Adams is very glad to introduce to you five new teachers. Some of these new teachers have taught at other schools and the others have just received their degrees.

Mrs. Patricia Fogt is our new gym teacher. She was born in Detroit, Michigan and attended Ohio Wesleyan University, where she majored in Physical Education.

Miss Marjorie Stitt is our new Home Economics teacher. She was born in southern Indiana, and attended Purdue University where she majored in teaching and merchandising.

Miss Myrtle Moberg is the new librarian. She was born in South Bend, Indiana, attended Indiana University where she received her A. B. degree, and then she went to Ball State Teachers' College where she received her library work. She

also attended Manchester College. Last year Miss Moberg taught at Riley.

Mr. Harry Koss is our new assistant football coach. He was born in Indianapolis, attended Butler University where he majored in history and physical education. He taught at Riley six years before the war.

Miss Phyllis Shuman, orchestra director, came to South Bend from Howe, Indiana. At Ball State Teachers College, Muncie, Indiana, she received her B. S. degree in Music, Education and English. Last year she taught music at James Monroe School.

EAGLES ADVANCE WITH WRONG FOOT

EAGLES DROP OPENER BY SCORE OF 13-0

The 1948 football season got under way at John Adams with defeat number one going down in the books. The loss came from the hands of the Washington Panthers by a 13-0 score. The Panthers are being guided by "Sammy" Wegner, 1947 Eagles line coach. The momentary pause before the Adams' punters decided to get rid of the ball resulted in two blocked kicks which was like handing Washington their two touchdowns. The Eagles have a small but hard driving team and can be expected to open up any game now. Either early season stage fright or inexperience was with the Eagles in the Washington game but a few more appearances will straighten the boys out. Adams has a good club and they need the support from the cheering section, so get behind your team.

BARRITT INJURED; ADAMS LOSES

Central Bears' scrappy gridsters over - balanced a terrific Adams' passing attack to beat the Eagles 25-7. Led by slippery Wayman Redding, who figured in all the Bruin scores, the Bears piled up an 18-0 lead before Adams scored early in the final period.

Leroy Barritt, hard-running Eagle fullback, was injured on the opening kickoff, and the Adams rushing attack became practically nil after that. However, Adams unleashed the heaviest School Field passing attack of the season, hitting on 15 of 29 aerials, with Joe Howell doing most all the pitching.

Central scored twice in the second period on an 11 yard Redding to Shine pass and a 3 yard plunge, set up by Redding. Wayman countered again on a 6 yard run and concluded Central's scoring with a 39 yard jaunt in the final period.

Adams' lone score came in a 70 yard sustained drive. Joe Howell hit six receivers, which ate up most of the yardage. A ten yard spiral to Dick Booth went for the score. Joe Plott added the seventh point. Jim Nevins, Dean Richards, and Dick DeMas were outstanding on defense for the Red and Blue. Adams' kicking was much improved over the Central game; Dick Booth getting off one punt of over 50 yards.

JOHN HORVATH

Greetings sports fans, I welcome you to one year of sports as I see it. My views may differ from some readers, but I will strive to make it interesting to the different groups of readers.

Well as you all know, another football season is under way here in South Bend with unfortunate luck following the Eagles in two defeats 13-0 and 25-7. The two losses go to South Bend Washington and Central respectively. The game against Washington was hampered by blocked kicks or the score would have read something like 0-0. The score of the Central game was not near that which was expected by most football fans. The Eagles were fighting all the time but when you run into a shifty back like Wayman Redding there is bound to be trouble.

This year the Eagles have one of the smallest lines in the school's history but they are plenty rough. The way they pushed the big boys from Washington and Central around they sure proved themselves strong in my mind.

INDIVIDUAL SPOTLIGHTS In other opening games Riley was hit hard as Don Krider, first string end, received a fractured arm in the Gary Horace Mann game.

Leroy "Moose" Barritt, Adams back, suffered some cracked ribs from the Central game. Here's hoping he's back in there next week.

Joe Plott, double for Sonny Brawnski, has become the boy with the educated toe as he has piled up a 1.000 percentage on conversions, this being one for one in the Central game. All kidding aside, Joe is doing the kicking for Adams this year and I might say a good job, too.

Here is a dedication to the chief equipment controllers, the senior managers. Tom Barth is heading the football manager and keeps all the equipment in check. Bob Kaplan, alais "Two Gun Pete", is now serving as senior manager for the 1948 tennis team.

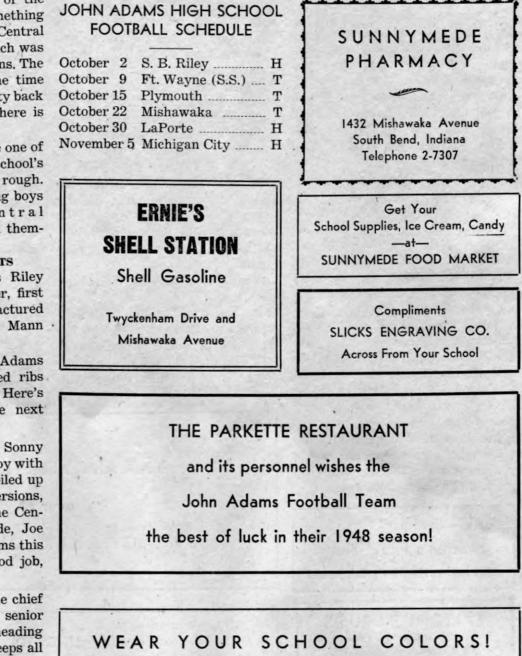

The next obstacle looming in the Eagles schedule is Goshen. Adams will meet Goshen in a conference tilt on School Field Friday night, September 24. After the Eagles' bad start they will be after that scent of victory and I predict they will get it, too.

Athletic Bulletin

In order that there may be no misunderstandings, the coaching staff of John Adams wants every student to be aware of the following ruling made by the Athletic Board in October, 1946. It was unanimously agreed that this ruling will help to build a more successful varsity athletic program.

"No wearing apparel, jewelry, or other items of similar nature symbolizing an unapproved school club or group, shall be worn or displayed by a student who has been, is, or will be participating in the varsity athletic program. Such shall not be worn at any time in the school building, on the school grounds, during school hours, or at any function or place at which the school is officially represented or invited. The penalty shall be (at least) suspension from varsity athletic participation." No further warnings for violations shall be issued.
