JOHN ADAMS HIGH SCHOOL TOWER NEWS ITEM TO THE CLASS OF 1981

In my twenty years as a teacher and administrator at John Adams, I still have mixed emotions at this time of the year. A little sadness seeing friends leave, and happiness that each of you will now move on to further training in your selected

fields, work in areas of your choosing, and each finding his or her individual niche in life. It has been an enjoyable four years, with the Class of 1981. Your leadership, pride and cooperation has been very much in evidence and appreciated. Each year I look to the Seniors for leadership in activities, academics, and attitude. Each year I feel a sense

of pride, because senior class after senior class has always come forth with the help needed. Class of 1981, you join forty other such classes with this help, and I as your principal couldn't be more appreciative.

On behalf of the staff and community, I wish you the very best of good fortune.

William M. Przybyl

Anita Griffiths bids fond farewell

To the class of '81:

I came to J.A.H. a little timid and anxious, but found friendliness of the students here exceptional. Although I may not be a terrific author, I hope these words express my thoughts and I leave this to my "very special prom date" from my first day at school. This is dedicated particularly to the Senior Class, who made my stay in the U.S.A. and at Adams one of the best years of my life. Other

exchange students on the same program have gone to other states and no doubt have had a great time also, but nothing in the world could ever replace the wonderful time I've had here and I'm positive no other exchange student's could ever match mine. It was not always "smooth sailing" and I can honestly say there were times when I was very depressed to be away from my friends and family. However the rewards and good times compensate for the bad and looking back on the year I can see it's been very worthwhile. When among those from another country you tend to be rather conscious of your accent but the patience and understanding my fellow classmates showed soon corrected that. From my first night in South Bend when I was introduced to a bunch of friends I knew I'd got in with a fun crowd. Not overlooking everyone's attributes to my Senior Sis Julie, and Sophomore Sis Jane Wygant. If I had not been placed with a whole family like theirs, I'm sure I would not have met everyone I did or establish the friends I did. They showed me around, introduced me, translated my lingo and generally were always there (although I know I must have been a dreadful nuisance) when I needed them in the early months of my stay. As others

know, I feel I couldn't have been placed with anyone better than Julie and Jane.

I could rave for ages about the respect I have for the '81 graduating class (and underclassmen) but I haven't enough room to thank everyone individually that I want to. So, everyone involved in Powder Puff Football, Drama Club's "Our Town," Fourth Hour Show Production, Mr. Davis "unique" Art Class and the Softball Team deserves thanks for accepting me in their activities. Special moments, like when I was given an 18½ birthday party, the Bruce Springsteen concert and baked an Easter cake by members of the softball team will always be remembered. But my friends here will always remain true to my heart. Leaving at the end of June is something I am, in a way, dreading. I only hope everyone here will remember me as much as I will remember them you'd better because I'll be back before you know it for the five year reunion.

Well, Australia here I come to start new customs of pep assemblies, cheerleading, pom pomming, traditional Senior Skip Day, Spirit Week, Easter baskets and the prom.

Thanks everyone!
Anita Griffiths

When I forget how many steps
ran from bedroom to bathroom in
my parents' house,
the voice of their car's
engine, I will be removed;
I will be trying to find the city
of nights where my daydreams
promise
that everyone who matters dances.
I will be in college pretending to
want
to be older, to seduce the years for
their privileges ;
I will realize that I no longer
know the old living room in the dark
where the television flickered
cliches of life to me.
But now that forgetting cannot be
believed; my people
are the shapes of my mind.
Their laughter rang through the
corridors, calling me to raise
my head from books, to try, to try, to
try something new.
Who am I if I will never touch these
floors again?
When I am gone I will not know how
untested I once was.
I can submit to being not yet
twenty. Will I admit to having been
eighteen?
I have the feeling that the person I
will be will affect
never having known me.

Girls' Spring Sports by Lisa Bowers

Girls' sports shined this spring with exceptional performances by all the teams. Winning seasons were taken for granted among the clubs. Girls' Track ran away with the Northern Indiana Conference title by completing an undefeated season.

The Tennis team has a flawless record of 9 wins, no losses, while Softball prepares to compete in a tournament boasting a record of 9-2.

The highlight thus far of the Girls' Softball season was the victory over Riley revenging their loss of last year. Last spring's season ended with the disappointing loss to the Wildcats in the final game of the 1980 tourney. This year the team is anticipating a much brighter outcome. Senior players who contributed to the impressive record were co-captains Sandy Call and Denda Jones followed by players Maureen McNulty, Shirley Thomas and foreign exchange student Anita Griffiths. Although only four seniors were members of the team this year their contributions were numerous.

The Track team put a sparkle in Coach Reeds' eyes when they captured the NIC championship by defeating Clay and ending an undefeated season. The win was impressive as reflected by the score 73 to 32. It was a spring filled with record breaking times and lifetime best performances. Four outstanding seniors ran for the Eagles. Sherry Bolden, Angela Watson Lynne Quimby and record setter Lisa McKnight. Favorites in the up coming Sectional, they hope to capture the Regional title this year as well. Congratulations to the girls for an outstanding season filled with excitement.

The Tennis team looks tough once again looking toward a second consecutive NIC title, their record stands flawless at 9-0. Dominating high school tennis for the past three years this season was no exception. Led by co-captains Liz Gundlach and June Vascil along with seniors Lisa Bowers and Lisa Frieden, the team hopes to coast through an undefeated season as well as a sectional championship. Good Luck!

Marc Simon throws his pitch right over the plate.

Boys' sports in review

by Alex Liu

Following is a quick wrapup of the boy's spring sports. Please note that the seasons were still in progress at presstime and a final summary could not be made.

The soccer team quickly established itself as the best team in the city in its first year of varsity status. Seniors Don MacDonell and Martin McKiernan were captains of the team, which was characterized by an explosive offense and a rock hard defense. The team blazed to a 5-0 record in the city, 6-1 overall, with the only loss coming to the reigning state championship team.

The baseball team was on their way to a 20 win season, with an 8-5 record in the NIC and a 16-7 record overall, which included key victories against Plymouth, Elkhart Central, and MC Elston. Co-captains Marc Simon and Cary McMahon led the team to their fine season.

The track team also fared well, getting victories against Washington, Mishawaka, and a strong Elkhart Memorial squad. They placed fourth in the Niles relay and tenth in the Goshen relays.

Lisa Frieden hits a perfect ground stroke.

Revenge Gained

By Alex Liu

If there can be one word used to describe the 1980-81 basketball season it has to be frustration. The record shows a disappointing 6-16 mark, but it won't show the hustle and guts the Eagles displayed game after game.

Of course, every fan will remember something from the season. Who can forget Cordett Newsome's spectacular offensive showings, including a 26 point fourth quarter against Mishawaka?

The best memory of all, though, has to be the Eagles' showing in the sectionals. After edging St. Joe on Newsome's last second jumper, they upset the #2 ranked LaSalle Lions in the next round. The victory came as no big surprise to diehard Eagle fans, though, who remembered the tough times the Lions had in defeating Adams earlier, needing overtime once and last second shot in another game. The Eagles could not pull out the sectional crown, however, when they were downed by a hot shooting Riley club.

Although it was a disappointing way for the five seniors to end their high school careers, each can look back and be proud of his contributions to the team. Cary McMahon epitomized the team spirit with his hustle and leadership. Jerry Alford and Jimmy Scott can through whenever called upon, and Cordett Newsome was the offensive machine, leading the team in scoring.

Cary McMahon looks for an open man.

Boy's Cross-Country

by Jeff Sypniewski

This year was, by far, the best ever for the John Adams Cross Country team. Not only did the X-Men compile one of the best season records ever at 11-3, but they made a dream come true. For the first time in its history at Adams, Cross Country went to the State Finals as a team.

The top seven consisted of Co-Captains Rick VanLue and Russ Pyles, senior Mark Miller, juniors Jeff Sypniewski and Lenny Randazzo, and freshmen Kevin Otoliski and Bob Carr. Although the team won the sectional, the regional, and placed 14th at the State Meet in Indianapolis, they all agree that their best memories are of the comradery they shared.

Running alongside the male members of the X-country team were a group of girls who proved to be equally successful at this sport which may soon become a varsity sport for girls. They captured three of the top four places in the South Bend City Meet led by Junior Linda Lowman, freshman Linda Hemphill, and Seniors Maureen McNulty and Gerry Chavez. Without the ladies, the season just wouldn't have been the same.

Angela Watson prepares to run the hurdles.

Seagal spirit

Tess Doering

Despite a severe loss of depth, the John Adams Seagals managed to keep their heads above water during the 1980 season. Under the supervision of coach Steve Smith, the Seagals swam their way through a 4-9 season record and a disappointing 2-7 conference record.

Although there were no state qualifiers, the team made great personal progress, almost all members earning awards. Those awarded sweaters include senior Mary Jo Hemphill, juniors Carol Trethaway and Debbie Defreeuw, and sophomores Diana Mennucci, Katie Manley, Jennifer Parker, and JoAnn Hanlon. The swimmers who earned second year awards were juniors Tess Doering and Mary Stewart. Cindy Joers, Ingrid Marshall, and Maria Kusbach were the three seniors who earned third year awards. Swimmers Laura Lanning, Ann Mason, Jane Brown, and diver Joan Hickman made outstanding progress during their first year on the team.

This year's Co-captains were Tess Doering and Maria Kusbach. Sophomore Jennifer Parker was voted MVP and Maria Kusbach won the Kiwanis award for her achievements in both the academic and the athletic fields. Regardless of the overall unimpressive record, the team made definite progress as a whole. The Seagals are looking forward to a much stronger season next year.

Cory Forest evading the enemy.

Gymnastics

by Greta Roemer

The Gymnastics team had a season with many highlights. The dedicated coaching of Mr. Poe and the deeply committed team members blended together to form a strong nucleus. The most important highlight was the revenge victory over Jimtown by 0.27 points! Due to the tough competition from the Elkhart area schools, their record was 2-4, the other win came from a meet against Central.

Returning letterman and senior captain Steve Papai competed in floor, pommel horse and rings. He also received the Kiwanis Award, voted MVP. Junior Brad Sakaguchi captured many first and seconds in the all-around competition. Junior Bill Martinov, competing for the first year in all-around, worked hard all season and became the strong factor in the close meets. The depth in the team was supplied by Todd Harding (Floor), Dave Collier (floor, vault, parallel bars and high bar), Rich Loos (pommel horse), Brad Abusamra (vault), and Mike Lares who competed in the high bar and parallel bars but was injured later in the season.

Wrestlers to Semi-State

Under Coach John McNarney the John Adams 1980-81 wrestling team struggled through a dismal 4-7 dual meet season. Despite poor team wrestling in the regular season and a last place finish in the sectionals, the three regional qualifiers, Dave McNarney, and Ryan Lane finished fifth out of 21 teams at the regional tournament.

The team consisted of three freshman; Todd Rengel, 98 lbs., Brian O'Day, 105 lbs., and Greg Kish at 112 lbs. Four Juniors wrestled also, Dave McNarney at 126, Mike Kish and Lenny Zappia split time at the 132 lbs. weight class, and Steve Quimby wrestled at 185. Seven Seniors wrestled this year, Paul Bivens our heavyweight, and Mike Rybicki the 177 pounder were first year wrestlers. Other seniors were Mike McNarney at 119, Ryan Lane at 138, Don Kish at 145, Cory Forrest at 155, and Greg Hughes who wrestled in the 167 lbs. weight class. Two other wrestlers who wrestled enough varsity to be mentioned are Mark Maes, and Sean (the man who knows all the moves) Lennon.

There were some individuals who shone brightly despite a losing team record. Mike McNarney who was undefeated until the Semi-State, was elected first team all-conference, won four tournaments, and qualified for the State finals in Indianapolis. Mike also won the MVP, and Kiwanis awards for his senior year. His brother Dave, who finally got his act in time for the sectionals, qualified for the Semi-State after a disappointing regular season. Dave won the Sectional and was runner-up at three other tournaments. Greg Hughes after setting out a season because of a knee injury, was undefeated until the second to last meet of the season. Greg won two tournaments, the Niles and Northwood Invitational's and was voted second team all-conference. The other captain Ryan Lane, was the team takedown champion, was elected first team all-conference, won the sectional and Northwood Invitational, and qualified for the Semi-State.

VOLLEYBALL REMAINS STRONG

Football

by Kerry Kinney

Despite a discouraging 0-10 losing record, the 1980 Varsity Eagle squad leave an outstanding record of dignity, honor and respect. This is a lasting memorial for a very fine John Adams Football squad.

On offense, congratulations for a fine job are given to senior linemen Jay Colbert - right guard; Bill Duxbury - tight end; Mike Kinney - left guard and Doug Wood - right tackle; for their many excellent efforts contributed during the season and to senior offensive backs Cory Forrest - wide receiver; and backers Jimmy Scott and Jerome Whitaker.

On defense, congratulations are conferred to senior linemen Paul Bivens - slant tackle; Mike Curl - anchor end and to blood - tackle Damon Hertz for their many offense - choking plays. In the defensive backfield, congratulations are given to senior linebacker Jerry Alford for his many superb plays and to secondary backers Dik Carpenter, Andre Gammage, Gary Glassford, Larry Horvath and Scott Thallemer for their excellent efforts and contributions. Congratulations should also be conferred on kicker and slant tackle Rob Gillespie.

Also to be commended is the humble yet consistent and reliable senior team manager Tom Landen.

Personal

Progress

Made

By Kerry Kinney

The joint Adams-Washington Hockey team ended a semi-spectacular season with a somewhat disappointing loss to St. Joe in the MHSFL (Michiana High School Hockey League) playoffs. This brought a good 9-8 season to an end. Despite losing to rival St. Joe, the Hockey Eagles proved their tough competitiveness with several amazing victories. Making this possible was a squad of highly-skilled players from both Adams and Washington. Seniors from Adams among this team were Pat Chomyn, John Grill, Don MacDonnell, Andy Reinke, and Doug Zimmerman. Another fine senior to be mentioned is Anssi Turri, a Finnish exchange student. Mike Thompson of Washington is also a player worthy of mention.

Another factor besides skill contributing to the teams' achievement was the combined effort of the Eagle-Panther team, which brought about the success of the team. Although the team had a couple of serious weaknesses such as with its' goal-tending, the strength and skill of the squad as a whole brought about its' eventual success.

BY Janine Anella

The 1980 John Adams Volleyball Team was undoubtedly one of the finest teams in the state, although you might say that the season definitely had its ups and downs.

Before the season even began the Eagles were ranked No. 8 in the state. Unfortunately, the Eagles encountered two tough losses in the dawn of the season. The Eagles suffered their first loss to a confident St. Joe squad. Their second loss came against a very strong Mishawaka team. However, despite these two penalties, the Eagles held their No. 8 position.

By October 7, the Eagles had obtained an impressive mark of 16-2. Tragically, the Eagles were forced to forfeit all their wins due to an ineligible player. They were ranked No. 4 in the state at the time. Nevertheless, the eagles traveled to LaPorte the next night to defeat the No. 1 team in the state.

Despite a 2-18 mark, the Eagles moved form the No. 4 position to the No. 1 team in the

state. They were still ranked No. 1 going into Sectionals.

The Eagles headed into possibly one of the toughest sectionals in the state as one of the favorites. In their first match the Eagles ripped Washington, 15-7; 15-3.

On Saturday, October 25, 1980, the Eagles hopes of moving on to the Goshen Regionals were dashed in a discouraging loss at the hands of the Mishawaka Cavemen.

In the first game, Adams was beaten, 15-2. However, in the second game, Adams displayed the form of the No. 1 team. They disposed of Mishawaka, 15-10.

Thus, a third and final game was necessary. However, the outcome was not a pleasing one for Adams. The Eagles fell to Mishawaka, 15-5.

Over all, the 1980 volleyball season should be viewed as Sue Ushela, Lisa McKnight, Cheryl Helvey, Sharon Weiss, Christy Silvius, Angela Watson, and the manager Karen Scheu, will surely be missed.

Girl's Basketball

by Jeff Sypniewski

The 1980 - 1981 Girls Basketball Team came away with another winning season, this time capturing the NIC Title. Under new coach, Bob Elum, the girls had large rebounding and shooting talent, along with strong character. Their record was an earned 11-4 overall season, NIC being 8-1, losing only to a strong Elkhart team.

Lead by senior Roz Dickens, Stacy Adams, Angie Watson, Denda Jones, and Sue Ushella, the girls were strong in every basic. Juniors Beth Carter, Judy Hamilton, Chris Allsop, and Kathy Connelly added their own abilities in offense and defense, and are expected to be a threat in the coming year, along with sophomore Diane Farmer.

Sectionals brought another heartbreaking

year, (losing to LaSalle the year before in the finals 48-46) this time being defeated by St. Joe, one of the few teams to best the Eagles during the season. After beating Mishawaka in the first round, Adams drew the Indians. The Eagles got off to a slow start, thus ending their impressive season. Not all was all lost though, it was the first time the NIC was taken by our girls.

Things look very good for the coming year, and expectations are high. B-Team, also under a new Coach, Doris Smith, had a winning season with the help of Julie Yazel and Cheryl Turcynski, to name a few.

All the girls looking forward to the next season and hopefully again capturing the NIC Title, among other things.

Netters Strong

The Boy's tennis team perhaps exceeding their wildest dreams, enjoyed an outstanding season. Coach Mike Allen, in his third year of coaching, put together a great team. The season record of 21-2 only begins to describe the successes they earned. NIC, Sectional, Regional and Semi-state crowns fell victim to the talent-laden Eagles squad. A third place state finish was the final honor bestowed upon this group.

The team was led by senior captain Matt Koscielski at the #2 singles position. Matt went undefeated in regular season play and received the illustrious Mental Attitude Award presented at the State Finals. Freshman Paul Koscielski at the #1 singles spot, had an

unblemished record until the state tournament. His victory over a previously unbeaten opponent, paced the team to a revenge win over our crosstown rival, Riley. Chris Toal, a sophomore held the #3 singles spot that many times clinched the point that was needed for the team's victory. Lee Fonacier and Bill Witsken played #1 doubles. Their contagious enthusiasm and excellent playing lent quite an original and interesting reputation to the team. Playing varsity as freshman, Chris Foley and Benson Yang, the #2 doubles duo compiled a winning record and secured the promise of a great team next year. Letterman Phil Grayson was the omnipresent strength behind the successful squad.

As the statistics mount up, the results seem staggering. One thing is clear, though. They are #1 "cause we said so" and they proved it.

In Sectionals, the Seagles took fourth place. The scores were as follows:

Also Todd Hamman in diving.

From that list, Mike Deren, qualified for the 1981 state meet. He swam the 50 yard freestyle. He also achieved an eighth place out of 25 in the 100 butterfly. On the second day, he captured another eighth in the same event.

In past years, Adams has been state champs in 1966, 1967, and 1968. They were runners-up in 1962-63-64-74-77.

Commencement

The mountain was so high and
climbing to the top seemed slow...
Now, walking to the edge
Remembering the path behind.
Looking forward into the bright blue
sky,
Realizing it is time to fly.
Your future lies in the horizon,
but you can still feel the warmth of
your past
as if it were the warmth of the sun
That's setting so fast.
That first day of school when you
were
so very young...
Carefree days spent swinging on
swings,
chasing butterflies in flight,
climbing tall trees, catching fireflies
at night.
High school years, a time of

changing
and full of fun...
There were dances, parties, football
games
and going to the beach to lie in the
sun.
Your hands were all sweaty, your
heart filled with glee...
just waiting and wondering how
your first date would be.
Your friends stayed by your side,
old and new, as the years traveled
by
and the thought of graduating
brings a tear to your eye.
Yesterday's happiness, sorrows, and
joys that you'd find...
Are simply the memories held deep
in your heart and your mind.
Those days taught you to laugh and
to cry;
they let you learn about life and the
people who live it.

Carefree days and fearless
moments,
the child so alive in your soul.
You want to reach out and say "I am
ready."
But that child you must leave
behind,
makes you feel unsure and unsteady
at times.
You are feeling a small touch of awe
as it seems...
But an air of excitement and wanting
to grow
tells you to go forth and follow your
dreams
Filled with the essence of a newborn
fawn,
You are now as fresh as the brilliant
awakening of dawn.
One last glimpse of what once was,
then taking that leap and soaring...
on and on...forever.
