

Pat Bourdon Chosen Track Queen

PATRICIA BOURDON

LUXEMBOURG GIRL TO BE EXCHANGE STUDENT

Marthe Glesener, Luxembourg City, Luxembourg, will be Adams exchange student next year. Marthe will live with Mr. and Mrs. F. J. Ebeling and their two daughters, Julie a 9A at Adams now, and Linda an 8A at Lincoln. Marthe who will be a senior will arrive in South Bend about the middle of August.

Miss Glesener is the oldest of four children. She has two brothers and a sister; her father is an engineer. She speaks English, German, French, and Italian and is able to understand Flemish.

Bill Waechter and Naomi Ross will work with Central and Riley to prepare a "welcome" for the three foreign students who will live in South Bend next year. Riley will be host to a boy from Austria; Central has not been informed what country the student they will have with with them will be from.

Seniors Interviewed After B-I-E Day

The following seniors were interview after having attended programs and tours on Business-Industry-Education Day May 10:

Joan Hullinger (South Shore): I was surprised at the number of employees and the amount of work that goes into operating the South Shore line.

Pat MacMillan (Bell Telephone Co.): I was overwhelmed by the complicated apparatus and the intricate gadgets at the Telephone Co.

Mary Ellen Rosenthal (Bendix): I was interested to see first hand what working in a factory is like.

Larry Weaver (South Shore): I thought the shop at Michigan City was extremely interesting — they do all the painting and repairing of the cars there.

Rita Stull (National Bank): I was surprised at the behind-the-scenes activities in a bank — more than just receiving and giving out money.

Larry Burke (Armco): I was surprised that in 54 years of service Armco employees have never had a strike.

Sandra Wright (St. Joseph Bank): I was interested in the amount of money exchanged by a bank through their clearing house.

Bob Gaylor (Bendix): I liked the movie on the air show at Dayton, Ohio, very much.

Jim Dincolo (St. Joseph Bank): I enjoyed holding \$500 in my hand — that's the closest I'll ever get to it!

Eagle of the Week

Larry VanDusen is this week's "Eagle." This 18 year old is 5' 11 1/2" tall and weighs 200 lbs.; he has blond hair and blue eyes.

This boy who answers to Vandy is very athletic, as he participates in football, baseball, basketball, track, and is a member of the Monogram club.

As an outside activity he is a very active member of his church.

He says that the most pleasing experience that he has had is changing from baseball to track.

His favorite record is "Unchained Melody" by Roy Hamilton. He said that he likes to see a girl dressed in a black sweater and black skirt. His pet peeve is the losing attitude that the John Adams students have towards sports activities.

In his spare time he is seen with a certain gal called Susie.

Larry definitely will attend college, but he has not decided which one he will enroll in next September. He is going to major in Criminology.

When asked his opinion of Adams he said that he has enjoyed his four years, but he thinks that Adams is still too young.

Venderly to Represent Adams in Legion Memorial Day Ceremony

On Memorial Day each year the American Legion sponsors a ceremony at the City Cemetery to honor those who have given their lives during the wars. This year Jack Venderly will represent Adams in the parade through town and will place a wreath on the cemetery monument in commemoration of those men who have died while serving their country.

The following Adams students made this supreme sacrifice during World War II: **Paul Bailey, John Brant, John Jaffee, Laurence Kuhl, Robert McIntyre, Robert L. Morris, Walter Simcox, Leon Simon, and Paul B. Walters.**

Spring Has Sprung — Have Some Fun

If you happen to be one of the many Adams students who go home at three-fifteen with nothing to do except sit, why not attend one of the spring events? You're sure to enjoy one of our baseball games, track events, or hearing about our golf matches. That happens to be one sport where a cheering audience is not missed. However, a word or two of praise directed to Adams' golfers the next day in school is appreciated by them and serves as a marvelous morale booster.

Did you know or realize that our baseball team has broken the tie for first place in the conference standings with Michigan City? For three years Adams has either won or tied for first place at the end of the season. Many of the games are held behind school on our own diamond so the transportation problem is no difficulty. If we happen to be playing a game away from home one of your friends probably has a car or other means of transportation and would be more than happy to take you along.

Our track events are held in close proximity to the baseball games so if your preference leans toward the 100-yard dash, attend it. You will find both of these sports interesting to view and fun to attend. Make it a point to attend one of each next week, and we're sure we'll see you returning regularly from then on.

Et Cetera: Congratulations to the senior class for a wonderful prom. All but fifty seniors attended the dance . . . Cheers for the baseball team who are completing a great season . . . Let's not sluff off our studies just because the end of the school year is in sight. Now's your chance to finish in a flurry of A's and B's . . . Mrs. McClure truly makes a fine queen! She's led the class of '55 royally for the last four years . . . With this last regular issue of the TOWER come many thanks to a hard-working staff and best of luck to a wonderful sponsor, Miss Roell.

Telephone Call to Tillie Ten Years From Today

Oh, I just have to talk to you, Tillie. When I was in South Bend last weekend, I saw just hundred of kids we used to know from Adams. I just must tell you. First of all Phil De-Long was driving the bus I took downtown. I tried to talk to him but he was in a big argument with some woman because all she had was a \$50 bill. Then I got the greatest shock of my life when the bus went past the Kreamo Bakery and I saw Kay Cantwell counting the pieces of bread coming out of the loaf on the sign on top of the bakery.

When I got downtown, I saw Barbara Goddard driving past in her 1965 Cadillac convertible. It seems she married some million-dollar Texas oil man. I stopped into Walt Poehlman's drug store and the radio was on. I heard the Red Legs vs. White Sox game and I heard Dick Gibboney, Dick Green, Bob Klowner, and Jim Staton's names. I guess they play for the Red Legs! Remember when they played for Adams? After I left the drug store, I passed a beauty parlor and guess who was working in there — Tom Smith! I stopped into see him and he said that George Roeger had moved to Paris and is madly teaching dancing over there. I guess he likes it a lot. He also told me that JoAnn Koher, Sharon Reber, and Mary Orzech have started a school for models, and Jim Dincolo was the new Guidance counselor at Adams.

Well, after I left Tom's beauty shop, I ran into Punky Crowe. My but she has four lovely boys? We tried to say a few words, but you can imagine how four of Punky's boys would be.

Well, I managed to finish my shopping with a little money left, so I thought I'd spend my remaining money for some pizza at the Volcano. Just as I was going in, I saw Jim Kanouse throwing around the batter in the window. I heard later that he and Dave Mikesell bought the Volcano a few years ago and changed the name to the Sultana.

Well, that's about all Tillie. Wasn't it an exciting day? . . . Tillie . . . Well of all things, I got the wrong number.

"Battlegrounds"

Alamo—fancy name for a piece of pie with a scoop of ice cream.

Alma—mater, alma mater. . . .

Batan—what Mr. Deardorf uses to direct the band with.

Downs—it takes four of 'em to play a football game.

Erie—the way you feel after reading one of Edgar Allen Poe's stories.

Issue—pect that you're looking forward to this summer.

Kimmel—a hotel for the specie canis.

Largs—lumberman's slang for a slew of trees floating down a stream.

Loos—wrote a book called "Gentlemen Prefer Blondes" and incurred the wrath of a lot of brunettes.

Manila—can never remember whether it's paper or ice cream.

San—the one thing most people could do without at a beach.

Tunis—fish sandwiches taste pretty darn good.

Well, this is the last issue of the TOWER for this spring and the talk about town seems to be dominated by the Senior Prom, baseball, and plans for summer vacations. The seniors are still drifting to the music of Bobby Wear and his band and tenderly thinking of the next wonderful day at the beach where they all picked up those gorgeous sunburns! Oh, the sheer agony of last Sunday night when we tried to get comfortable in bed. The greatest news in the sports world happened last Friday when we upset Michigan City 8 to 4 and took undisputed control of the first place standing in the Conference. Congratulations team!

These items were plenty hot in the Four Corners column of 1952. Do they bring back those memories that bless and burn?

Mary Ann Anderson, Jackie James, Mary Orzech, and Maggie Sue Reed are starting the local "Lonely Hearts Club."

On the date list we had Dick Gibboney and Janet Priddy, Nancy Champaigne and Tom McHenry (Alumni), Jim Eveld and JoAnn Koher, and Pat Wilson and Kenny Robison (C. C.)

Goin' steady were Nancy Longbreak and Dick Wedel, Barb Rohlf and Chuck Bowman.

Gardenias to the Glee Club accompanists, Karen Jones and Charmian Burke.

Another point of interest: Jackie James really hooked a big one this time—Dick Quealy, brand new this summer from Lafayette Jeff.

Can't let this go by without a comment. Jack MacMillan has never played dolls with his sister Pat. Jack, you don't realize what you've missed.

Sorry to inform you, but you kids really must know the truth about Jim Hoehn. He's got legs like a piano, says Mr. Casady.

New high-pressure salesman for Civics pins is Larry VanDusen. Do tell us your secret, Mr. VanD.

A prayer for H. S. girls:

Just give me a man

With a million or two,

Or one that is handsome

Will happily do.

But if the man shortage

Should get any worse

Go back to the very first

Line of this verse.

Tarzan and the She Devil — Tom Goldsberry and Punky Crowe.

Sandy Horvath didn't seem to think there was a difference between a lion and a bear. Crazy little disillusioned kid.

Dating: Nancy MacIvor and Jerry Lupton.

Hey, hey, who does Bob Nelson have his eye on? Looks like Bev Prohaska.

Back to new news we hear that Sharon Wickizer and Jack Perker and Rose Griffith and Bob Walker had a real swell time up at Diamond Lake over the weekend. A little cold for swimming wasn't it.

OFF THE RECORD

Attention all you platter lovers: it's time to get in the groove. Spring is here and in the spring, it is said, that a young man's fancy turns to love, but it is for certain everyone's fancy turns to records commonly known as platters, discs, and the like.

The McGuire Sisters are again climbing on the ladder to success with their current release "Something's Gotta Give." This platter, as their others, is on a Coral label. On the flip side is "Rythm and Blues," also a jumpy mixed-up platter.

A new singing group, the Laurie Sisters, have hit upon a good tune entitled "Dixie Danny." The disc takes us back to the long gone, but not forgotten dixieland music. Mercury claims this will be one of its top sellers.

Sarah Vaughn seems to be turning toward the pop field with a current release "Whatever Lola Wants." This is a slow ballad which Mercury also claims.

One of the fastest climbing bits of the month is certainly "Unchained Melody." There are many versions of this but whether you like Roy

Adams Vies for City Track Title May 24

Post Time 7:00 P. M.

By Butch West

Adams will be one of the four city schools that will try to run to the city championship. The city meet will be held May 24 at Notre Dame's Cartier Field. The field events will start at 5:30 and the running events at 7:00.

Clyde Austin, last year's state champion in the 440-yard run from Washington, will be out to win his speciality from Dan Mathews of Central. Adams' Van Dusen and Baird will run this event. Another thrilling race should be the 1/2 mile run between Budd Goddard of Adams and Jim Austin of Washington. Budd beat Jim in a dual meet against Washington but Jim came back and beat Budd in the sectionals. Other featured runners will be Art West, dashman from Central, Bill Manuszak, miler from Riley, and Ed Jerzak, hurdler from Washington.

High hurdler Jim Sostack, along with Budd Goddard, should be the Eagles other main threat.

John Adams Whips Michigan City To Take Conference Lead

Eagle Hopefuls In City Meet

Jim Sostack (left) and Budd Goddard take their starting positions for their races. Jim runs the hurdles and Budd runs the half mile and one of the mile relay.

By whipping the Michigan City Red Devils 8-4, Adams took sole possession of first place in the ENIHSC baseball standings. The Eagles scored 8 runs on 9 hits to City's 4 runs on 6 hits; both teams committed 4 miscues.

Adams scored 7 runs in the first three innings to give pitchers Robbins and Sexson plenty of room to work. These runs would have proved enough as the Red Devils could only manage to put 4 runs across the plate.

LaPorte handed Adams their first conference setback of the season in a nine inning pitching dual. Adams scored first on two hits in the second inning and led until the fourth when LaPorte tied it up. The Slicers' run was scored on a hit, 2 errors, and 2 hit batsmen. LaPorte pushed the winning run across in the top of the ninth on three straight hits after 2 men were out.

LINKSMEN SPLIT

The linksmen won their second match of the season by defeating Michigan City in a match played at the Morris Park Country Club. This was the golf team's last dual meet and netted them a 2-7-1 record.

Every Adams player scored with Mikesell getting 1/2 point, Walker 1 1/2, Milliken 3, Zombick 3, and Henson 2. Milliken was medalist with a 76.

TRACKMEN DROP MEET

John Adams lost a dual meet to Washington, Thursday, May 10. The Panthers took ten first places as they defeated the Eagles 70-39.

The only Adams first came in the 880 yard run, shot put, and the mile relay. Budd Goddard stayed on the inside for the last half lap of the 880 to edge Jim Austin by .5 seconds. Goddard's time was 8:08.7. Terry

Heater threw the shot 40 feet 9 1/2 inches to win his event. The mile relay team of Larry Van Dusen, Terry Fritz, Goddard, and Billy Baird took the Eagles other first.
