Dr. Evelyn Newman to Present Lecture March 21

On Wednesday, March 21, Dr. Evelyn Newman, a well traveled lecturer, will present a lecture on the subject "The Power of Books." Dr. Newman received both her Bachelor's and Master's degrees at the University of Chicago and her Doctor's Degree from Trinity College, University of Dublin. She was among the first American women to receive such a degree from this institution.

During the summer of 1923, she studied at Oxford University in England and spent four subsequent summers at the University of Geneva and the Geneva School of International Study in Switzerland.

During the First World War, she worked with the American Army in France and Germany through the Morale and Education Department of the Y. M. C. A. After her return to this country, Dr. Newman was appointed Dean of Women and Professor of English Literature at the State College of Education, Greeley, Colorado.

From 1931 to 1939, she was Professor of English Literature at Rollins College, Winter Park, Florida. She was an exchange professor in English Literature at the University of Exeter in England during 1945 and 1946. Dr. Newman returned to Greeley, Colorado in 1939 as Chairman of the Division of Literature and Languages. She was selected as a delegate to the International Conference of University Women in Cracow, Poland in 1936 and as an official observer for the American Association of University Women at the World UNESCO meeting in Paris in 1946. In subsequent years, she has traveled and studied in Europe extensively.

In the summer of 1953, she made a studied travel tour of the Scandinavian countries and in the summer of 1954 she revisited Italy, France, and Switzerland.

Here is one of many recent comments on Dr. Newman and her lectures: "Dr. Newman's very broad background of professional training and experience, her keen analysis of

Spring Sports Assembly Entertaining "Fore, On Your Mark, Set, Go, Play Ball!"

On Friday, March 9, the Adams student body and faculty was pleasantly entertained by the annual Spring Sports assembly. Wayne Benner officiated as master of ceremonies and presented exhibitions of three spring sports — golf, track, and baseball. This assembly offered an opportunity to the boys of John Adams to see what is offered in spring sports and also give a better understanding of each sport to all, including the girls. The object of the various presentations and exhibitions was to promote better understanding of the sports and support of the teams.

Mr. Ernest Kaeppler, the first speaker on the program and coach of the golf team, introduced Bob Walker and Don Zombik, number 2 and 3 men on the team, respectively. Both Walker and Zombik demonstrated the use of the wood, two iron, five iron, and wedge by hitting cotton golf balls on "practice greens" on the auditorium floor. Tom Price and Dan Reynolds acted as caddies for Bob and Don. The all-time golf record at Adams is 44 wins, 81 losses, and 7 ties. In 1946 we won the LaPorte Invitational, and in 1946 we finished 7th in the State. The individual records consist of Martin Weissert's winning 8th in the State in 1951 and Paul Bumann's winning 3rd in the State in 1946.

The track coach, Mr. Vincent Laurita, spoke about the track team and introduced several exhibitions by his boys. Gene Personett demonstrated the high jump technique, Dick Nickols threw several shot puts, and Jim Sostack jumped the high hurdles. Fred Osman, Terry Conley, and Eddie Ross demonstrated the 100-yard dash in relation to Adams record, the State record, and the National record. The John Adams track record since 1943 is as follows: 1944, City Champions; 1945, State Sectional Champions; 1946, State Sectional Champions; 1948, City Champions; and 1953, City Champions. The individual records are: John Goldsberry, shot put, 50' 10 3/4", 1944; John Goldsberry, shot put, 53' 9 3/4", 1945; John Shafer, high jump, 5' 10 1/8", 1946; Jerry Gibson, broad jump, 21' 10 5/8", 1947; and Ben Jurcik, 880-yard run, 2:00.3, 1949. The above boys were all State Champions.

The John Adams School Records in track and field events is:

Event	Record Holder	Record	Year	Opponent

220-yard Dash	Dick Wedel	:22.7	1953	Culver MA

Mr. Joseph Laiber assists Mr. Laurita as coach of track and field events. The last speaker was Mr. Casimer Swartz, who is the baseball coach. Coach Swartz introduced his team for 1956: John Robbins, Don Severeid, Paul Edgerton, Terry Rothermel, captain, Ronnie MacGregor, Barry Grady, Ken Marvel, Bob Mitchell, Bob Magnuson, Wesley Rachels, Bob Vargo, Kenny Menzie, Tobe Sexon, and Fal Harris. Lloyd Gearhardt is the manager of the team and De Vere Guernsey and Eldon Kemper are his assistants. The John Adams baseball teams have been exceptional for many years. Since the year 1952 and including 1953, 1954, and 1955 we have defeated Riley five times, lost three, defeated Central ten times, lost once, defeated Washington five times, lost three times. The all-time record is 102 wins, and 85 losses. In 1942, Adams was second in the Conference, 1944, conference champs, 1952, conference champs, 1953, tied for conference champs, 1954, second in the conference, and in 1955, tied for the conference championship.

It would be of advantage to yourselves and the teams if you participated actively as avid supporters as well as members of the teams.

Indiana Library Week Ushered in March 18-24

George N. Craig, Governor of the State of Indiana, proclaims the week of March 18 through 24, 1956, as INDIANA LIBRARY WEEK. The Adams librarians are ushering in this Indiana Library Week by attending a conference at Mishawaka High School tomorrow.

The North Central Section of the Hoosier Student Librarians' Association will hold this conference Saturday, March 17. It will be the annual spring conference and the Mishawaka High School Librarians will be the hosts at their own school.

The conference will open with registration at 9:00 a. m., a mixer in the school gym at 10:00, with the business meeting to follow at 11:00. Luncheon will be served in the school cafeteria, after which the Mishawaka Thespian Society will present a play. Music will be provided by Darrel Frank and his musicians. The conference will close at 3:30 p. m.

The voting delegates from the John Adams Library Club are Nancy Reith and Paula Grenert.

Seniors to be Measured for Caps and Gowns Wednesday

John Adams seniors will be measured for caps and gowns Wednesday, March 21, in the boys' athletic office, starting at 8:00 a. m.

The rental fee for both cap and gown is \$2.60. The red and blue tassel worn on the cap is valued at 35 cents. If the student does not care to keep the tassel, the 35 cents will be refunded if the tassel is returned in good condition. Fees are to be paid to the home room teacher during the week of March 19.

Caps and gowns are to be worn for baccalaureate, senior assembly, senior punch, and commencement. They are to be returned immediately following graduation exercises.

Bob Badger is the senior in charge of arrangements.

SALKELD AND STANEK SOLO WITH SYMPHONY

A combined city chorus composed of glee clubs from Adams, Riley, Central, Washington, and Mishawaka, is currently rehearsing for a program with the South Bend Symphony Orchestra on March 18.

The chorus, which will be directed by Miss Barbara Kantzer, head of the South Bend School City Vocal Music Department, will give the cantata "I Hear America Singing." The words are by the American poet Walt Whitman and the musical score is by George Kleinsinger.

Adams is sending two soloists to the cantata performance. They are Clifford Salkeld and Kenneth StaneK.

Let's have a look around and see what fads are prevalent this year. Of course you'll be seeing the old stand-bys, Frank Sinatra Bobby Socks, along with dirty saddle shoes and loafers.

The girls haven't changed their sweater ideas, because they are still big and sloppy even though Vogue says the princess style sweater is much more flattering.

Then there are the girls who dress alike or wear the same color combinations. I've noticed several cashmere sweaters around South Bend. Several of the girls must have taken a trip up to good old fashionable Chicago. Cashmere sweaters are hard to find around here.

There's the case of a girl going mad every year over Indian jewelry. The more silver bracelets she can have on her arm, the better she likes it. Will that fad ever vanish or will it become a custom?

Have you noticed the girls coming to school with straight hair. Well, think nothing of it. It's not because there's a shortage of bobby pins, it's just that South Bend's taking up where New York leaves off.

I guess I have the girls pretty well picked out. Now what about the boys. Well, I've seen several boys with these crazy hats on their heads. Plaids, checks, or any gawdy color is preferable and the louder they are, the better they like it.

Now this article may seem a little old to you . . . and it is! It was printed in your TOWER, in the October 4, 1944 issue.

1956 Parents: What a Problem!

A big date is on and you have decided to skip dinner tonight. You had a big lunch and you're not hungry anyway. But mother can't hear any explanations. You know that your new skirt won't fit if you eat a big meal, but mother insists that you eat your dinner.

Dinner is over and you were right . . . your skirt is too tight. You lay your clothes out and prepare to take a bath. Little sister Jane would have washed her hair right then if you hadn't yelled at Mother to get her out of there. Mothers just can't think ahead, you begin to think.

You're only about half dressed when the doorbell rings. Of course, it's the big date! When you finally fly down the stairs, only fifteen minutes late, father casually asks if your homework is done. It wasn't, of course, so your date sits and waits while you finish your Latin.

By the time that's taken care of, you can just make it to the last show at the local theater. The show is over at eleven-thirty and you go to your favorite restaurant for a snack.

It's one o'clock before you know it and you tiptoe quietly up the stairs. But you forgot about that squeaky board at the top of the stairs. The lights go on and no more dates for two weeks because you have school in the morning and were supposed to have been home by eleven . . . at the latest. My but parents are exasperating!!! —Barbara Leonard.

days that have dominated the hearts of a few!

After consulting the records, we've found that **Barbara Liggett and Dick Beachey** (Wash.-Clay) have remained on the steady list for one year.

Each day we see **Maxine Richards** striking off another day from the calendar. Can anyone imagine why? And rumor has it that **Joyce Hammel** has acquired a new interest. Quite a catch there, **Joyce!**

Yvonne Popp has her signals heading out Washington way as of late. Word has it that his name is **Pee Wee**.

And what's with this greeting of **Kenney Marvel's** "Hi, ya, buddy." And a certain "Dee" is a little confused about a couple of boys. After the fog comes the sunny weather, **Dee!**

The big question this week: Is it true that **Glenda Hackett** has a motorcycle source of information named **Bill Givens**?

On Following the Good Examples

Many adults think that all teenagers are a pretty wild bunch of human beings. They think that all they do is run around breaking windows, damaging street lights, drag racing, and any number of other things. However, we all know very well that not all of us act this way. It is only a small portion of high school kids who make the name which all of us carry.

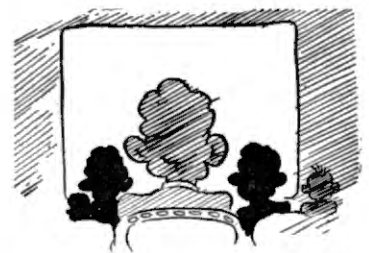

This reputation does not have to prevail. John Adams has a good reputation to uphold and we are the ones to uphold it. We can follow the examples set by the good citizens and make our community proud of us. Too many of us follow the examples set by the small majority who cause all the trouble. Sometimes these people are easy to follow, and we often take the easy way.

We all want to be respected by adults and the best way is to act like an adult. When a person becomes old enough to go to a high school and date and do various other things that we are allowed to do, he should be able to control himself so that he can act like an adult.

By following the examples set by the right people, both here at Adams and in our community, we can give Adams and ourselves a good reputation. It wouldn't be very hard to look around school and see those people whose examples we should follow and those examples which we do follow. So let's watch ourselves and be careful whom we follow.

Elkhart Moves On to Finals in Indianapolis

The Elkhart Blue Blazers, coached by exciting Max Bell, won the Fort Wayne Semi-final and now proceed to Indianapolis. The Blazers edged Marion 72 to 69 in last Saturday's afternoon thriller to qualify to meet Fort Wayne South Side, the tallest team at that time left in the tournament. The Blue Blazers were out-rebounding and out-shooting the giant Archers almost the entire time and went on to win 70 to 64. The Blue Blazers usually play their iron five, but two rebounding and point getting stars, Ted Luckenbill and Dick Barkman, fouled out and left the way to Toby Kidder and Kenny Hudkins, two reserves who saved the day with outstanding clutch play. The desire of the Elkhart boys was again the big factor of their victory.

Tomorrow's state championship consists of teams from Elkhart, Lafayette Jefferson, Terre Haute Gerstmeyer, and Indianapolis Attucks, sometimes thought of as the Harlem Globetrotters farm system. Attucks easily won their Semi-final with Oscar Robertson leading them to their 41st and 42nd straight victory without a loss. Terre Haute Gerst-

ADAMS EVE SUCCESS; "HAS-BEENS" VICTORS

The Freshman-Sophomore Intramural champs trailed most of the game against the Hi-Y last Friday night, but came from behind to knock over the Hi-Y team 25 to 24. The Hi-Y team led 21 to 11 at half time, but only managed a 3-point second half. Bob Petsky made the final 4 points of the game to lead all scorers with 17 points. Lydeen's team thus was paced to a 25 to 24 victory at Adams Eve.

The second game turned out to be

meyer, always a tourney team, really played close games winning, however, over Jasper 55 to 52 and over Princeton 69 to 68. These two teams, Attucks and Gerstmeyer, play in tomorrow's second game. Lafayette Jeff, after downing a fine Logansport Berrie team 56 to 51, stopped Gary Froebel in a referees' haven 71 to 58.

The refs threw out two Froebel stars and their move led to much displeasement. The Jeff Broncos once this year edged Elkhart, but whether they can repeat it is the 12 o'clock question tomorrow. The two winners meet at night and one takes home all the glory.

—Bob Ziker.

a one-sided affair in favor of the "Has-Beens." Jim Sostack's team, with the help of Keith Malcolm, Terry Rothermel, and Harlan Fugate, had trouble finding the range as they went a whole half making only 6 points. The second half saw the teams play just about even, but the Has-Beens' lead was just too much to overcome. Gene Personett and Don Moffett each scored 8 points to pace the winners. Ron Sternal was the Sostack lone scoring threat with 7 points. The game featured fine dribbling by the Sostack guard Keith Malcolm.

Although Sostack's team came back in the final half and made the same amount of points as the "Has-Beens" did, they could not make up the difference from the first half. One rather unusual thing that happened was that with one minute left all nine of the players from the Junior-Senior

Intramural team and all eight of the "Has-Beens," G. Personett, D. Moffett, P. Edgerton, J. Robbins, D. Eichorst, L. Gearheart, D. Severeid, and T. Severeid (No. ½), were on the floor at once. Since the referees could do little about it, they stood around and enjoyed the action as did everyone else. Even though Sostack used nine players, he could not defeat the "Has-Beens" who came out on top by 19 points, 40 to 21.

During the half of the second game a very interesting trampoline act was put on by Becki Hurst, Patti Lange, Barbara Jones, Chris and Jeri Fogarty, Donna Lydeen, and Barb Waechter. Mike Fett and Bob Hoffman did a very funny comedy act on the tramp, too.

After the entertainment upstairs almost everybody went to the Little Theater and had a good time dancing to records.

—Jim Sostack and Bob Ziker.
