INTRODUCING

The pretty student teacher who hails from room 103 is Miss Marie Louise Dutoi. Marie is 5'6" tall, weight she would rather not mention, and she has hazel eyes and brown

In her spare time she likes working in the field of dramatics. She prefers to direct and produce rather than to act.

One of the many things she likes about Adams is the students; however, she dislikes students who are inconsiderate and run across the street in front of her car without looking.

Marie's pet peeve is people who walk into theaters late and disturb the actors and members of the audience around them.

Her favorite color, or absence of color, is black and she likes to eat Italian food.

She attended St. Mary's college and majored in English which she is now teaching at John Adams.

Catch the spirit of spring through the spirit of music!

The combined Prep and Senior Glee Clubs, composed of 215 students of John Adams, will present their spring concert on April 26 at 8:00 p.m. in the John Adams Auditorium. The Glee Clubs, with the girls wearing colorful pastel dresses, will enter the audience in a novel way. Some of the outstanding numbers by the Glee Clubs which will be sung are Rogers and Hammerstein's "Carousel," "Black Is the Color of Her Hair" by Smale, "Deep River" by Burleigh, and "The Best Things in Life Are Free" by Sticples. The final selection will be Walt Whitman's cantata "I Hear America Singing" which was recently sung by the four high schools with the South Bend Symphony. The accompanists for the program are Ruth Jones and Carol Weldy. "April Showers" by Silver will be among the selections sung by the Girls' Ensemble. The male voices of the Senior Glee Club will present the old familiar negro spiritual "Joshua Fit the Battle" by Bartholomew. A piano duet entitled "The Arkansas Traveler" by Scarmolin will be played by the Weldy sisters.

A ticket selling contest is in full swing between two sections of the Glee Club. Harold King and his "High Hatters" are competing against Tom Miller and the "Miller Monsters." Prizes will be given to the section selling the most tickets and the losing section will be required to perform stunts at the Glee Club Potluck.

Student tickets are 30c and adult tickets are 50c. After hearing the assembly program on Wednesday, it is hoped that all students will want to attend the concert the following night and hear the entire program.

Que Voulez-vous Manger?

Que voulez-vous manger? This phrase was heard quite often in Miss Helen Law's fifth hour French class last Monday when they staged a French cafe. The room was transformed into a sidewalk cafe in the heart of Paris called La Parisienne. Shades of blue and gold were predominant in the color scheme. This project was an appropriate ending for a unit just completed on French cuisine.

Barbara McIntyre was maitre d'hotel assisted by waitresses Jeanne Martin and Martha Henz. Dressed in appropriate costumes, they served hors d'oevres, French bread, Roque-

"I DON'T CARE"

Nowadays at John Adams, one of the most commonly used phrases is "Oh, I don't care anyway." It is used when daily assignments are not completed, when a student is apprehended for doing something wrong, and when there is a need for volunteers in some school activity. The person who always says that he doesn't care thinks that he is doing the proper and accepted thing. But what do YOU think of a person who never seems to care about anything?

First let's look into why these students have this attitude. One reason could be that he doesn't think that he is "up" with his classmates and in order to conceal his feeling of inferiority, he acts like it doesn't make any difference to him whether he does a good job at anything or not. Another reason could be that he doesn't like to work and do a job or an assignment carefully, so he finds a way out by saying that he isn't interested enough to put time and thought into it.

However, this person who pretends that he doesn't care really isn't going to come out on top like he hopes he will. In the first place, his classmates won't think much of him whether they show it or not. He will not be asked to participate in activities and thus he will lose chances to get and keep new friends. The teachers will lose respect for him and chances are that his grades will drop. He will have a hard time getting a job or entering college after he graduates if he doesn't have good grades and a good recommendation from his high school.

Now this "I don't care" attitude may continue for a whole semester and when report cards come out, he will find that he has received a big F on his card. This may encourage a few to get busy and they will find that it is hard to catch up on the previous work. But if they keep up the good work and good attitude, they will find that it is definitely worth their while.

The people who still don't care after receiving a bad report card may blame the grades on a few "mean teachers at school who never did like them." However, firms and teachers do not make allowances for the poor students'

These are just a few examples of why people shouldn't have the "I don't care" attitude. It certainly would be helpful to the individual and society if this attitude could be done away with.

EAGLE OF THE WEEK

Terry Rothermel is our Eagle of the Week this week. He is our outgoing president of the Student Council in addition to being a member of the National Honor Society and business manager of the Glee Club. However, whenever an activity at school needs volunteers or people to help, Terry is always the first one to volunteer. For this reason it seems like he has a "finger in every pie."

Sports-wise, Terry received the Kiwanis award in football and was nominated for the All-City Football team. This spring he is the captain of the baseball team and does a pretty good job of hitting homers, too. He also is a member of the Monogram Club and served as treasurer last semester.

Terry's favorite meal consists of barbecues and French fries. He likes to see a girl wearing a white and light blue skirt and sweater combination and flats. If you want to get on the good side of Terry, you'd better have a pleasant attitude; this is one quality which he admires very much.

Terry has one main pet peeve. That is a person whose actions are continually influenced by the desire for the approval of his acquaintances and a continual desire to be popular. -Barbara Waechter.

This is no April Fool column. This information was taken from honestto-goodness facts printed in the TOWER in past years. These following items were printed in the Four Corners column. Sorry to inform you, but you kids really must know the truth about Jim Hoehn. He's got legs like a piano, says Mr. Casaday.

Wonder how Jim Warner feels about Sandi Brecht's departure for an education in California next semester!

Seen dating are Karen Keller and Mark McGlinchy, Barbara Rohlff and Gene Personett, Darla Dovle and Tobe Sexon, Marcia Hoelscher and Jim Eveld, and Shirley Norton and Phil Long.

Sharon Barts embarrassed Al Flack by her 12-point bowling score; Al's solution: he pretended he didn't know her. Now was that nice, Al? And what's this we hear about ballet lessons, Pat Hamilton and George Roeger?

Is the Charleston becoming a rage again? Is the Shag to be buried? Keep a close eye on Mrs. McClure and Miss Farner and maybe you'll find the answer.

Bill Smith has staked his claim f'r sure in the freshman class. Our assayer's report shows her to be Beverly Tompkins.

Pam Keller has her eye on a certain tall, blond basketball player. And we don't know how the news leaked out from this shy guy, but John Robbins is dating Gloria Jones.

Watching the sky for a "mail" carrier pigeon from Dowagiac is Shirley

ATTENTION! Fal Harris has found "her"-Mary Michaels from Central. And a three-way deal seems to be Bob Nelson, Bev Prohaska, and Helen Williams.

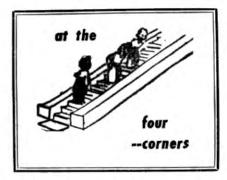

Think that's about enough for now? Well, don't blame the TOWER staff for any information in the above column. It was all true at one time . . . just about a year ago this time. Remember, you saw it first in the TOWER!!

Two Texans in an automobile agency had just decided to buy a brand new Cadillac. As one reached for his checkbook, the other stopped him by saying, "Oh, no you don't. You paid for the lunch."

Along with warm weather and spring clothes comes a winning baseball team and track team. By the looks of the last few games and meets, it seems that the Adams students are very interested in backing the spring sports. So if everyone keeps up the good work in supporting these spring athletes, maybe Adams can turn up with a couple of championships this year.

Congratulations to Charmian Burke and Johnny Thompson for receiving the top honors in the 1956 garduating class. They are two swell kids and they certainly deserve it. Also sincere congratulations to Tom Horn, Joe Barnette, Barbara McIntyre, and Marilyn Schwanz for being elected to the Student Council offices. They certainly are well qualified to fill the offices.

A father was buying a fountain pen for his son's graduation. "Surprise?" asked the clerk. "I'll say it is," answered the father. "He's expecting a motorcycle."

Spring weather has turned many Adamsites' minds to things other than Adams and homework. For instance, Meridith Metcalf has been dating Allen Bishop (Dartmouth) during his vacations and Wendy Heron has been seen quite a bit lately with Bill Dunfee (St. Joe). And seen at the St. Joe Hospital Charity Ball were Jane Weiler and Ray Woodward and Mary Horning and Justin Kronewitter.

All who attended the Freshman-Sophomore dance last Friday night certainly had a wonderful time. They danced to records played by the terrific disc-jockey Mr. Paul Reber and watched a floor show which consisted of several celebrities from Northern Indiana. Among them were Joyce Bulhand and Ricky Wetmore, who sang a duet together, Barbara Jones and LaDonna Gets who displayed their talents along the Charleston line. Merrylin Priest and Linda Landy gave a baton exhibition and Sue Stoner tap danced for them. A very famous quartet called the Bermuda Bells, consisting of Toni Bolling, Charmian Burke, Gwen Garwood, and Ellen d'Alelio sang a few jivey numbers. All in all, however, the dance was a pleasant treat for all those who attended and participated in it. Miss Bamberger, Miss Bauer, and Mr. Laurita were in charge of the dance and the entertainment.

Trackmen Take Two — Eagle Batsmen Win

Sostack Sets New School Record in Low Hurdles

APRIL 11

The track team started off on the right foot this year by defeating New Carlisle and North Liberty in a triangular meet Wednesday, April 11. Fred Osmon was the only double winner taking both the 100 and 220-yard dashes. Osmon was followed by Terry Conley who placed second in both events.

The big event of the day came when Jim Sostack set a new school record in the low hurdles by clipping one-tenth of asecond off the old record.

Other winners for Adams were: Larry Wygant, high hurdles; Gene Phillips, 440; Gene Personett, high jump; and both the mile and half mile relay teams.

APRIL 13

Last Friday, April 13, the track team won its second meet in two starts by defeating Goshen 74-35. This was one meet the thinlies wanted to win because in the last two years Goshen first tied them and then last year beat them by 1/3 of a point.

Jim Sostack who broke the school record on Wednesday in the low hurdles again lowered his time to 22.0. This is two-tenths of a second faster than his previous effort. Jim also won the high hurdles.

Another double winner was Fred Osmon in the 100 and 220-yard dashes. Fred ran the 100 in 10.3 which is a good time for so early in the season. Gene Phillips also won the 440 and shot put.

RILEY

Fal Harris pitched a masterful ten innings last Friday to lead the Eagles to a four to three win over a tough Riley Wildcat team. Harris allowed only five hits in his marathon pitching job. Adams scored two of their runs in the first inning on an error, a couple of walks, and a hit by Paul Edgerton. It didn't look like it would be a contest at first, but the Riley pitcher got steadily stronger and Riley tied the game up in the sixth on a two run double by Norman Baloun.

It looked like the score was not going to change for a long time, but Don Severied drove in a run in the eighth to put the Eagles on top by a score of three to two. The ball game looked like it was all over then but Buzz Wintrode walked up to the plate and clobbered a terrific triple and then took home on a poor throw from center field. Things stayed all knotted up until the tenth inning when two dropped balls by center fielder Norman Baloun lost the ball game for the Wildcats.

The Wildcat battery of Burns and Wintrode allowed the Eagles only three hits and walked seven. The Eagle battery of Harris and Edgerton allowed three hits and walked five. Harris also struck out nine which added upto a good day's work in itself.

Golfers Lose 2nd

The golf team lost its second match of the season to Riley by a 11-4 score on Thursday, April 12, on the Erskine Park course.

Bob Walker tallied the only Eagle victory by whipping Bob Lee, 3-0. Results of the other matches were: John Huckins over Ron Miller, 3-0; Jay Huckins over Ron Milliken, 2½-½, Bob Zesinger over Tom Horka, 3-0; and Jim Draskovits defeated Don Zombic, 2½-½.

WASH-CLAY

A surprisingly tough Washington-Clay nine gave the Eagle batsmen a run for their glory here last week. The Colonials, who are out for their first spring baseball season, looked like a capable team. The Eagles, on the other hand, although they looked better than in the Mishawaka game, still did not reach expectations.

The Eagels won the game by a score of five to two and out hit the Colonials by seven hits to three. Toby Sexon, starter, and Kenny Marvel each allowed one run and Sexon allowed one hit while Marvel allowed two. Marvel struck out six and Sexon struck out four batters for a total of ten strikeouts between them and together they allowed only four walks.

The Eagles almost scored in the first, but Vargo died on third. In the second the Colonials scored on an error, a hit, and a fielder's choice. Adams went ahead in the third on a home run by Terry Rothermel. The Eagles enhanced their lead in the fourth on an error, a bad pitch, and a long fly. Washington-Clay got their last run in the fifth on a walk and a double by Jim Lambert. Adams got three hits and two runs in the sixth, one of them a double by Don Severied. Adams collected a total of seven hits and five runs while Washington-Clay got two runs on five hits. Terry Rothermel got two hits for Adams including the previously mentioned home run. The battery for Adams was Sexon, Marvel and Edgerton. The battery for the Colonials was Witacre and Hor-

HURLERS TURN IN TWO NO-HIT GAMES

No-hit games, the goal of every high school pitcher, are becoming an everyday occurrence at Adams.

Coach Dick Hunter, of the Eagle "B" team, watched his pitching staff turn in two more no-hitters during the opening week of season.

Wednesday, Gary Wallman defeated Greene Twp., 3-2, without permitting the losers a hit. Wallman struck out nine and walked three. Wallman didn't enter the game until the first four Greene batters had reached base safely.

Thursday at Riley, it was D. J. West's turn again after his no-hit pitching Tuesday. West fanned five and didn't walk a man for his second no-hitter in three days. The Adams "B" team triumphed, 3-0.
