

## CARAVAN TO CHICAGO 17 GO FROM ADAMS

It was off to Chicago for forty South Bend high school students Saturday morning, May 5. The trip was sponsored by the Junior Roundtable of the NCCJ. The day was spent visiting places of interest to the group. The first point of interest was one of Chicago's Buddhist Temples. Here the students saw and heard a Buddhist priest explaining the beliefs of his religion. From this temple the group visited two artist studios. One of the studios was that of a man who makes stained glass windows. Both of these studios were unusual and most interesting. From here the group toured the "Old St. Mary Catholic Church." This is one of the most ancient churches in this entire area.

Following this, the tour moved on to a Jewish Synagogue, where the rabbi explained points of interest in the church and in the Jewish religion. International House was visited and here students from many lands were interviewed. Lunch was held at Carson Pirie Scott's in downtown Chicago. The vice-president of Carson's talked to the group in regard to the employment practices of his large department store.

John Adams students who went on the tour were: Sue Welber, Jan Ellen Van Faasen, Judy Baum, Berniece Overton, Dave Mikelson, Jo Dobecki, Pat Bezerezy, Jutta Judjahn, Virginia Holdman, Larry Thompson, Joyce Resler, Eileen Schultz, Paul Waechter, Martha Henz, Carol Hegg, Mary McNamara, and Mrs. Elizabeth Schmidt, sponsor.

## Waltons to Square Dance Sat. at League Clubhouse

The John Adams Waltons will be in full swing in their plaid shirts and blue jeans on Saturday night, May 12, from 8 to 11 p.m. Mr. and Mrs. Ernest Litweiler will join in the evening of square dancing at the Isaac Walton League clubhouse on Darden Road. Cokes and popcorn will supply some of the much needed energy for the evening's activities.

Arrangements for the annual party will be made by the executive committee: Bob Badger, president; Sandra Weldy, vice-president; Beverly Twigg, secretary; and Helen Names, treasurer.

The final performance of the spring play, "Green Valley," will be given tonight in the Auditorium at 8 o'clock. If you haven't already seen the comedy-fantasy, be sure to buy a ticket from any Drama Club member! The critics give it rave reviews.

## PROM PLANS UNDERWAY

Here it is—the low down on the Senior Prom, "Moonglow," which so many of us are anticipating with great enthusiasm.

Jim Warner, a senior from homeroom 208, is general chairman for the dance. He has had the responsibility of appointing his committees to plan the various phases of the prom.

Wayne Benner, chairman of the music committee, contracted the ever-popular Bobby Wear to provide the romantic beat for the evening. The senior cabinet selected the band, Wayne taking care of the paper work.

The decorations committee, headed by Paul Edgerton, chose the theme "Moonglow" for the dance. Many of you heard this very beautiful song as the theme in the movie "Picnic." Decorations are being kept very hush-hush as Paul and his committee want them to be a surprise. Object of the secrecy—come to the prom!

The tickets which went on sale last Monday were taken care of by Joan Berry, senior from 106. They are \$2.00 per couple.

Kay Frash is chairman of the publicity committee. Kay has been the instigator and designer of the posters which appear in the senior home rooms.

Pat Wallace took care of the special invitations. Any and all graduates of Adams are invited. Likewise, the parents of graduating seniors are invited to attend the prom.

As the seniors arrive at the dance, which will be held May 18 from 9 to 12 p.m. in the Indiana Club main floor ballroom, they will be handed a program. Lynne Waterson, the program chairman, has devised something special which all of the seniors will enjoy pasting in their scrapbooks.

## "Hi-Hatters" Clear \$304; Glee Club Makes \$230 Profit

The members of the two Glee Clubs and Mrs. Pate wish to thank the students and the members of the faculty for their grand support in helping in so many ways with the spring concert. Harold King's "Hi-Hatters" won a decisive victory over Tom Miller's "Monsters." The "Hi-Hatters" had a grand total of \$304 while Miller's "Monsters" finished with \$254.50. Tim Pettit, of Miller's "Monsters" sold fifty tickets which was the most sold by any person in the Glee Club. The five members of Hal's "Hi-Hatters" selling the greatest were: Duane LaMar, 40; Charmian Burke, 38; Harold King, 32; Bob Giggy, 29; Carol Locsmondy and Sara

## Barbara McIntyre Wins Senior Schedule Full A.F.S. Trip to Norway

Barbara McIntyre, a junior from homeroom 111, was notified in March of her appointment to spend the summer on an American Field Scholarship in Norway. Barbara will sail on

the Arosa Kulm from Montreal on June 25 and will return on September 11. Her destination will be Overhellen, Norway, a district frequented by fishermen in the summer. She will live on a farm with her "parents" and four children. Before returning home, Barbara will spend five days in Paris on a guided tour.

Barbara says she was very thrilled to receive the appointment and thinks it will be a wonderful experience. She hopes to take colored slides of her trip.

## THESPIANS ELECT NEW OFFICERS FOR 1956-57

The Thespians of John Adams High School held an election for new officers Wednesday, May 2, in room 22. Mike Stowers was elected president, Joan Jacobs was chosen vice-president for the second consecutive term, and Carol Weldy was selected as secretary-treasurer of the group.

Lou Smith both having sold 25 tickets.

On Miller's "Monsters" team, Tim Pettit sold 50; Tom Miller, 28; Jan VanFaasen, 27; Sue Shotola and Brenda Barritt, 20; Jeannine Wheatley and Sue Bowman, 19. The total amount of profit made from all ticket sales, including those sold at the door, was \$230. This was the amount of money left after paying bills from their Christmas Vesper Service, dry cleaning of the robes, and other expenses.

## Senior A-ites? Never Heard of It!!

This is a story of a typical senior girl at this time of the year. There she sits in home room and as the minutes tick by on the clock, she neatly scratches them out from the pad of paper in front of her. Let's call her **Sophisti Katy**, for this name seems to fit her very well.

Finally the bell rings and she gathers up her books and heads for Mr. Krider's English class. A few minutes after the bell rings to begin first hour, **Sophisti Katy** is found working today's crossword puzzle. Can you imagine? And using a pencil, too.

In second hour typing class, she figures out that there only 17 days, or 102 hours or 6,720 minutes until she is free from bondage. She fails to turn in her typing assignment, and blames it entirely on the weather and the teacher's poor explaining of the assignment.

Study hall comes next and there you see her in a stall marking notches off the wall for each tick of the clock. Of course, she should finish the crossword puzzle, but you know how Mr. Crowe is . . . he made her stand up!

Again the bell rings only this time it excites her. It's lunch time. Since all senior girls are on a diet, she has two glasses of water and a stick of sugarless gum. Meanwhile she learns the latest gossip and invents some new rumors.

Being filled and needing some relaxation, she pulls out her knitting in Soci fourth hour which she started three summers ago, always hoping that they will fit the boy she will be going with when she finishes the socks.

Home-Ec is her fifth hour class where she always has a small snack. This snack usually consists of a Hershey bar, a bag of potato chips, another Hershey bar, and some cookies. She figures that diets only count for big meals, so eating between meals doesn't matter.

Having no 6th hour class, we see her walking out of school with a neatly scratched out pad of paper, crossword puzzle book, 3 Hershey bar wrappers and her English book which she needs to sit on while she drives home. After spending such a hard day figuring out how much time she has left in the Adams "torture chamber," she speeds home to get a lot of relaxation so she will be in shape for tomorrow's classes.

The team is on the diamond,  
The crowd is in the stands;  
The pitcher hurls the horse-hide,  
And hears applauding hands.

Our Player of the Week this week is **Wesley Rachels**. Wes is a junior who can be found in home room 210 almost any morning. Wes doesn't really need any further introduction because most of us know him through his playing basketball and now being first baseman on the varsity baseball team, but just for the record's sake, Wes is 16 years old, 5 feet, 10 inches tall, and when walking, his feet support a total of 147 pounds.

He has no preference of television programs or movies and being broad-minded about these things, he enjoys all of them. However, the story slightly changes when the subject is music. His favorite singer is Elvis Presley and in addition to his Elvis Presley records, he likes "Why Do Fools Fall In Love?"

He likes to see a girl dressed in a navy blue skirt, a light gray sweater and gray loafers, but appreciates any neatly dressed person.

Like most other boys, Wes enjoys food quite a bit and says his favorite meal consists of fried chicken and mashed potatoes.

Wes is a member of the Monogram Club and is also a Student Council board member.

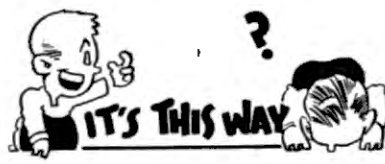

When asked what his pet-peeve was, he decided that it was a person who is insincere or who pretends to be what he's not.

Probably the thing Wes is known most for, however, is his friendly smile. Notice it the next time you see him!

## GREENE TWP.

Kenny Marvel did an excellent pitching job against a weak but game Greene Township nine. The Eagles won an easy 5-0 game. Although the Eagles got but four hits, one of which was a triple by Don Severied, the boys from Greene got but one hit and that came in the first inning and was a single to left field. Besides Severied's triple, Wes Rachels got two singles and Barry Grady got one single. The Eagles played their first errorless game of the year.

The Eagles got their first run of the game in the second inning on a single and a couple of errors. The fourth was the big inning with a walk and an error and Rachels' second hit of the day. In the fifth inning the Eagles collected their final run on a hit by Grady and a pair of errors. Severied got his triple in the sixth with two out but died on third when Pettit made the third out.

## GOLFERS TIE AND WIN

On May 1 the Adams golf team tied the Riley team 7½-7½. The match was played at Morris Park Country Club and the team showed great improvement since the last match with Riley. The score of that match was 11-4, Riley's favor.

In a match played with Michigan City on May 4, the Eagles came out on top by a score of 8-7.

Today, the team is entered in the LaPorte Invitational.

## MISHAWAKA

The Eagle Batsmen toppled highly touted Mishawaka last Friday by a four-to-one score. The Eagles got their four runs on a total of ten hits all of which were singles. Keith Malcolm was the big gun for the Eagles collecting a perfect day with four hits in four tries. John Robbins also had a good day getting two singles. Paul Edgerton, Wes Rachels, Don Severied, and Bob Vargo each collected one hit to round out the Eagle attack. John Robbins, the Eagle pitcher, allowed only three scattered hits and went the entire distance.

The Eagles got one run in the first inning on three singles. However, Mishawaka bounced right back and picked up one run in their half of the inning to tie the game at one up. The Eagles got the last runs of the ball game in the third inning on three hits and an error. The three runs in the third made the score four to one at the end of the game. The battery of Witkowski, Dubois and Lifke gave up ten hits and the battery of Robbins and Edgerton gave up only three hits.

The game which was played at Mishawaka gave Adams a conference record of two wins and two losses.

## RILEY

The Adams Eagles won their second straight conference game last Tuesday afternoon when they defeated the Riley Wildcats by a score of 9-4. The Eagle attack which featured eight hits was a real bruiser. One of the Eagles' nine runs came on a home run by catcher Paul Edgerton.

Riley had its brief spurt when Dave Stroup hit a homer in the fifth. Besides the home run by Edgerton, the Eagles got one other extra base blow which was a double by Fal Harris, the starting pitcher. Harris pitched for five innings and allowed only three runs and six hits. Toby Sexon went the rest of the way for the Eagles and allowed three hits and one run.

The Eagles got most of their runs in the second inning when they collected six runs on three hits and four walks and one error. Riley collected two runs in the third, one in the fifth, and one in the seventh to make a total of 4 runs for them.
