JOHN ADAMS HIGH SCHOOL — SOUTH BEND, INDIANA

October 19, 1956

"Share Their Fare" Drive To Start Oct. 29

ADAMS-CENTRAL MAKE PRE-GAME PLANS

The John Adams Booster Club has been meeting with the Central Booster Club to discuss the plans for the annual Adams-Central football festivities. These plans include the annual joint pep rally, bonfire, Eagle-Bear Romp Dance, and the crowning of the school queens and their courts. These festivities will take place on Friday, November 2, and the football game and crowning of queens will be on Saturday, November 3.

The pep rally will start November 2, at 7:00 p. m. at the band shell in Potawatomi Park. After the rally, the two school bands and cheerleaders will lead the cheerers in a chain line to the north baseball diamond of Potawatomi Park where the bonfire will take place, weather permitting.

After the bonfire, the Eagle-Bear Romp Dance will be held in the Adams Little Theater. The music will be provided by the Rhythmairs.

Saturday night the game between Adams and Central, which might well decide the conference championship, will be played at School Field. At the half-time of this game, the principals of both schools will crown the queens, and recognition will be given to the girls in the courts of both schools. The Booster Clubs will also give awards to the queens and their courts.

Everyone is invited to attend the pep rally and bonfire. Only eighty tickets for the dance were given to each school for eighty couples. The tickets will be sold on a first come-first serve basis. There will be a notice later on the cost and when and where to purchase tickets for the dance.

Teachers' Meetings To Be Held Oct. 25, 26

The Indiana State Teachers' Association meetings will be held on October 25, 26. The teachers of Elkhart, St. Joseph, LaPorte, Starke, and Marshall counties will meet in South Bend. Some of the sessions will be held at John Adams. There will be no school on these two days because of these meetings.

Monsalvatge Expresses Thanks

Mr. Ray Monsalvatge, the excellent speaker, who visited Adams for an assembly on October 11 wishes to extend his thanks for the hospitality given him during his visit.

Drude Koren, Exchange Student from Norway, Expresses Her Opinions

I am sure you all know who I am. Haven't you discovered me at school? I am 5 feet 9 inches tall and have real light hair. Yes, I am one of the exchange students at John Adams this year. My home country is Norway, a little kingdom far to the north in Europe. I come from the town of Halden which has about 10,000 inhabitants. The school I used to go to has about 325 students, so you can understand it was quite a difference to come to Adams this year.

I am 17½ years old and I have one year left of school in Norway. This year at Adams does not count so I still have to go to school one year when I go back next year.

At home I live with my parents, my sister who is 10, and my brother, 19. He graduated from high school so he will leave home to go to college.

In Norway all of the children have to go to elementary school for seven years but can quit afterwards if they want to, and they may go into practical schools or go to work. Those who want to learn more language, math, and so on, go on to high school. In the first two years all the students take the same courses. These are: Norwegian, English, German, math, physics, geography, history, natural history, and religion. These years we always go around with the same boys and girls who are in our classes. After these two years we are divided. Those who want to go into office work take only one more year at the (Cont'd on page 2, column 3)

MOCK UNITED NATIONS ASSEMBLY TO BE HELD BY N. C. C. J. ON OCT. 25

The fifth annual fall meeting of the Junior Roundtable of the National Conference of Christians and Jews will be held on October 25 at Riley High School. Everyone is invited to attend, and a luncheon will be served at the cost of \$1.00 per person.

Approximately two hundred representatives from Adams, Riley, Central, Mishawaka, St. Joseph, St. Mary's, and Washington High Schools will take part in a mock United Nations Assembly.

The purpose of the United Nations is to preserve and spread world peace. The mock United Nations will discuss the subject, "Our Rights As Human Beings." The representatives will represent the different countries in the United Nations. The countries which will be represented are the United States, Australia, Chile, China, Egypt, France, Greece, India, Lebanon, Mexico, Norway, Pakistan, Philippine Republic, Poland, Turkey, United Kingdom, and U. S. S. R.

The principal speaker will be Mr. R. de Roussy de Sales from France, who is a member of the United Nations.

Adams students who are participating in this meeting are Andrea Dean, Marilyn McKnight, Barbara McIntyre, Sue Welber, Larry Thompson, Edgeir Benum, and Drude Koren.

Names of those who wish to attend this meeting should be given to Sue Welber in room 213 or Mrs. Elizabeth Schmidt in room 201 no later than October 19 at 3:15.

15th Annual Open House To Be Held Oct. 30

The John Adams P. T. A. has extended an invitation to the parents of all students of Adams to attend the fifteenth annual Open House on October 30, from 7:00 to 9:30 p. m. This meeting provides an opportunity for the parents to come to school to meet the faculty and to become acquainted with the curriculum of their children.

For the past two years, the parents have come to school and followed the schedule of classes of their children just as they do each day. This way provides an opportunity for the parents to meet all the teachers and to attend each class to learn more about what their children are being taught. Last year more than 700 parents attended Open House, and this year the number is expected to exceed that of last year. All parents are urged to visit school at this time.

The annual "Share Their Fare" drive, which is sponsored by the Student Council, will begin on October 29 and will terminate on November 11. The purpose of this drive is to raise money to pay the expenses of bringing a foreign student on the American Field Service program to attend Adams for a year. Last year enough money was raised to bring two exchange students from Norway to Adams this year. This program also enables Adams to send students abroad during the summer months.

An assembly will be held October 29 to explain and promote the drive. The guest speakers will be Barbara McIntyre, a senior who spent the past summer in Norway, and Drude Koren and Edgeir Benum, Norwegian exchange students who are attending Adams. Barbara will tell about her Norwegian family and experiences while visiting abroad. Drude and Edgeir will tell why they wanted to visit the United States and about their families in Norway.

A Student Council committee consisting of Joan Jacobs, chairman, Jan Conrey, Judy Jacobson, Jo Dobecki, Danny Hoyt, Jim Messick, and Paul McCullough is in charge of the drive.

The slogan for the drive this year is "Dollars for Their Scholars." A display representing the flags of the countries of the United Nations will be placed at the four corners landing. A banner will also be placed there on which a letter for every fifty dollars collected will be placed to spell out the slogan of the drive.

The goal of each homeroom will be \$25 in order to reach the total goal of \$750, the amount required to bring one exchange student to Adams next year. A John Adams Peace Flag will be placed at four corners. When a homeroom reaches the goal of \$25, a star with the room number will be put on the flag. The members of the homerooms who reach the goal will be given something to wear signifying that their rooms have reached the goal.

Correction, Please

The name of Mark Kamman was omitted in an article in a previous issue on the South Bend City Youth Council. Mark is one of the students who represents Adams on the council. Anyone who wishes to join the council or wishes more information about it, please contact Danny Hoyt in room 102.

EDITORIALS

As students of John Adams, you are given the opportunity to contribute to the "Share Their Fare" drive which is sponsored each year by the Student Council. The purpose of this drive is to raise money to bring a foreign exchange student to Adams for one year through the American Field Service Program.

The American Field Service Program provides the opportunity for students of other nations to learn about the United States by living in American homes and sharing experiences with American teenagers. The American Field Service can continue its program only if you and students of other high schools in America continue to support it by your contributions. This program provides the young people of the United States with the opportunity of doing their part toward promoting world peace and better understanding among the future leaders of the world.

You will benefit in many ways by contributing to this drive. You, who are underclassmen, will be eligible for one benefit that the seniors have already had. In your junior year, you will have the opportunity of applying for the experience of living with a European family during the summer prior to your senior year through the American Field Service. Barbara McIntyre and other Adams alumni who have spent a summer abroad will tell you that the experience of living in another country is a wonderful opportunity and a summer which will never be forgotten. For those of you who will not be able to go to Europe, a wonderful experience awaits you in your own high school. Drude Koren and Edgeir Benum, Adams exchange students from Norway, are two very likable teenagers. They have many interesting ideas and things to relate and share with you.

The contribution of each and every student is needed to make this drive a success. Regardless of how small your contribution is, all the small contributions will add up to many "Dollars for Their Scholars." This is a chance for you, the students of Adams, to show your generosity and that you are a part of this wonderful high school. The Student Council hopes that you will support this drive again in the splendid manner in which you have in the past.

EAGLE OF THE WEEK

This week's Eagle is **Pete Sherman** who is better known to many theatergoers as Tony Cavendish—the part he made famous not so long ago in the Drama Club production, "The Royal Family."

Besides being an actor, Pete is president of the senior class, which is no small chore. Pete is also a newly inducted member of the National Honor Society.

If you don't know Pete personally, you are sure to see him buzzing around in his two-tone green, 1950 DeSoto—it's his pride and joy.

Now about Pete! He is indeed a pizza fan—and who isn't—his favorite being cheese and mushroom. In his very rare free time he listens to his LP Jazz Albums. Pete also enjoys dancing. His most exciting experience was being elected president of the senior class and being in "The Royal Family." He says he will always remember these events along with the wonderful times he has had at Adams.

Your Cheerleaders Speak:

On October 6, the Adams Eagles met and defeated a powerful Mishawaka team. The previous week the Eagles played the St. Joseph Indians, and during the second half of this game the student body lacked pep, enthusiasm, and interest. Something happened before the Mishawaka game because as our terrific team came onto the field that night, they were greeted by a student body who was ready to cheer louder than it ever had before. After the game the team was greeted by a great many of the students back at school. The students of Adams showed that they really had school spirit. On October 12, our mighty Eagles met defeat at the hands of LaPorte but this fact did not dampen the spirit of the students, for again they assembled after the game to greet the team as they came back to school. This showed that whether our team loses or wins this season, the students are behind them all the way.

Another thing that helped boost the spirit was the streamers which were sold by the Student Council. The sight of the Adams cheering section waving the streamers and yelling made us proud to be able to say, "WE'RE FROM ADAMS!"

—Your Cheerleaders.

DRUDE KOREN

(Cont'd from page 1)

high school and then go on to other schools where they learn typing, shorthand, etc. The other students who continue for three years are usually those who plan to go on to the university.

These years we can choose what subjects we want. We have a line or series of courses in science, French, language, history, natural history, Latin, and old Norwegian. At our small school we have only the choice of the first two lines. I chose the science line because I like math, physics, and chemistry very much. During the last two years I have learned a lot of higher math—algebra, geometry, and trigonometry—which I have enjoyed. I have also had a lot of higher physics.

When I go home I will have to take math, physics, mathematic geography (astronomy), history, religion, French and Norwegian, and one gym and chorus class.

As you probably understand we have a lot more homework than you have and therefore, we don't have as many clubs in connection with school. The three highest classes, however, have one club which meets every Saturday evening from 6-8. The purpose of it is to give the students a better view of the actual problems in our country and in the world. I have been the chairman of this club. Each year the club also arranges four dances at school and one big ball at Christmas. In our school you will also find a religious group or club which has meetings each week. At these meetings they usually have a minister speak. A student council also exists at our school. We elect representatives from each class. The student council is there to level out misunderstandings between our students and the teachers. I also have been the president of the council and the things we did were to take care of milk sales at school during the wintertime and to sell the students cheaper tickets for visitation plays, and arrange bus trips to another town to see a famous play.

Outside of school I like sports very much. Each Sunday during the months of May to October, I take part in orientation races—cross country races after maps and compasses in our language.

During the week, I usually have two girl scout meetings. That is my main interest. I was a leader of 25 Brownies from 8-11 years old and I also acted as a troop leader for 50 other girls. In the summertime we go out camping which I enjoy very much.

I would like to say that I like your American high schools but they are a lot different from ours. This makes it much more interesting for me. I think your high schools give the individual more education in one meaning—you can study what you want to some extent and that makes it a lot easier. Although our schools are much harder, we learn more things we actually have no use for. People who know about it, say that our high schools are like yours plus two years of college. However, I think your schools are much better for the average students. I like your clubs in connection with the school.

Especially, I like the sports, even though I believe some of them should

Know Your Freshmen

This freshman girl stands five feet, has green eyes and short brown hair (naturally curly). She hails from homeroom 207. Her previous schooling was at Jefferson. She isn't the outdoor type but enjoys all sports. She is quite active in extracurricular activities. Among these are: Album, TOWER, Booster Club, Band, Drama Club and Prep Glee Club. She represents the freshmen on the Booster Club Board.

The second freshman stands 5'3½", has brown eyes, and long brown hair. She is also from homeroom 207. She likes all sports, especially football. In the past she herself has been active in sports. She represented Jefferson in Girl's Play Day. She can usually be seen with two girls bearing the initials S. S. and K. K. She represents her class in Student Council.

This freshman stands 5'7", has short brown hair and brown eyes. She comes from homeroom 106. She is the athletic type and especially enjoys swimming. She is a lifeguard at the McKinley Terrace Pool and won a trophy for swimming at her previous school. This summer she frequently dated a boy from Notre Dame, a graduate of Adams. Her pet peeve is people who don't say "Hi" in the halls when she speaks.

Answers: Sue Nelson, Mary Reber, and Nancy Brimley.

What would you do if you found a tsudfokceps* under your bed?

Ken Marvel—"Call the vigilantes."

Jim Barktol—"Give it to Bev Twigg."

Nancy Aitcheson—"Put it on my shoulder and carry it with me."

Janet Barth—"I'd call Norm, and fast."

Ron Miliken—"I'd put it on my car."

Tom Kindig—"Throw it out the window."

Judy Jacobson—"Put it with my chocolate covered radishes."

* Speck of dust spelled backwards.

MATHEMATIC PUZZLE PROBLEM

Answer to last week's problem: 180 days.

PROBLEM: "A man with a starting salary of \$3,000 per year is given a choice of accepting an increase of \$300 per year each year for 10 years or an increase \$100 at the end of each half year for the ten years. Which salary would be better and why?"

be for girls. Adams is a very fine school and I am so happy I have been chosen to be one of your exchange students this year. I have already made a lot of friends whom I will never forget. Perhaps, the thing that impresses me most is the school spirit around Adams. I am sure this will always stand out in my mind.

—Drude Koren.

EDITOR'S NOTE: Drude Koren is one of the two exchange students at Adams this year. She is here through your generosity to "Share Their Fare" last year.

Two Attend Library Conference

Paula Grenert and Judy Mould library club members, attended a conference for library assistants this summer at Indiana University. The conference started July 15, and lasted until July 21. They both attended two classes each day. Three of these classes were: How to help the library work go more smoothly, how to go about being a librarian, and advertising the library. When the girls returned they reported the accomplishments of the conference to the rest of the library club.

Freshmen Make Posters

Mrs. Elizabeth Schmidt, who is the freshman guidance counselor, appointed seven freshmen from each of her five community civics classes to represent the seven freshman homerooms. Each person made a poster on some phase of sports, clubs, rules, or traditions of Adams. The purpose of these posters was to better acquaint the freshmen with Adams. The posters were then distributed in the homerooms.

Homeroom 201 Wins Drama Ticket Contest

Miss Mary Jane Bauer's homeroom 201 enjoyed a good time of feasting, dancing, and fun on Wednesday, October 10, during homeroom period. The victorious homeroom bought and sold the largest percentage of tickets for the presentation of "The Royal Family" and won the contest sponsored by the Drama Club. The contest was rated on a percentage basis rather than on the amount of ticket money turned in for the sale of tickets. Homeroom 201 sold 24.6% and \$34.50 worth of tickets which was the greatest percentage of tickets sold by any one room. Mr. Alonzo Goldsberry's homeroom 109 placed second with 21.2% and \$50.00 worth of tickets, and Mr. Robert Rensberger's homeroom 210 placed third with 17.6% and \$36.00 worth of tickets.

The Drama Club officers and board members and Thespian officers were hosts for the party which was held in the Little Theater. The winning homeroom feasted on milk and doughnuts and danced to records in the juke box.

Senior Girls Enter Betty Crocker Contest

A number of senior girls in the home economics classes under the direction of Mrs. Ruth Hammond have entered a new contest called "The Betty Crocker Search." These girls will take a test on December 4, 1956, and prizes will be awarded to the winning girls. Some of the larger awards are a "Homemaker of Tomorrow" award pin, a \$1,500 scholarship to the girl who places first in each state, and \$500 scholarship to the girl in second place.

The girl who is named "All American Homemaker of Tomorrow" will be awarded a \$5,000 scholarship, and the girl who is second in the nation will be given a \$4,000 scholarship.

CLUB NEWS

HI-Y

The John Adams Hi-Y is a service club whose purpose is "to create, maintain, and extend throughout the home, school, and community high standards of Christian character." The club meets on the first and third Thursday of each month at 7:00 p. m. in room 106. Meetings usually include movies and talks by interesting speakers. The fourth Thursday of the month is committee work night at which the members meet to discuss the plans of the committees.

The present officers are Don Rowe, president; Tom Horn, vice-president; Bob Wilson, chaplain; Joe Barnette, secretary; Jim Toepp, treasurer; and Ed McKinney, sergeant-at-arms. Don Rowe and Ed McKinney attended an officers training course at Camp Tecumseh, New Delphi, Indiana, this summer.

DRAMA CLUB

The Drama Club members will take their annual trip to Chicago to see a stage play on Saturday, November 10. They will leave Adams by bus at 9:30 a. m. and expect to arrive in Chicago by noon. After lunch they will attend the matinee performance of the widely acclaimed play, "No Time for Sergeants." After the play they will eat dinner at the bus station and return to Adams about 9:30 p. m.

JUNIOR WALTONS

The Adams Junior Walton's assisted the members of the Isaac Walton

League on October 7, when they took fingerling bass from the Potawatomi Park lagoon. About 3,000 bass were netted and transported for restocking in nearby lakes and ponds. The rough fish were captured and fed to Jim, the white polar bear in the park.

The Junior Walton's chartered a bus to Indiana University, Bloomington, Indiana, for the annual meeting of the Indiana Junior Academy of Science which was held on Saturday, October 13. The Walton's sponsor and belong to this organization as one of their annual projects.

Twenty-eight Adams Walton members attended this meeting this year. John Davis, president, made the arrangements for the trip.

Ila Mae Reeve gave a report at the meeting at Indiana University on "The Regeneration of the Plenaria." Ila Mae worked on this project last spring in the advance biology class. She reported on her findings and the results of her experiments of this subject.

STUDENT COUNCIL

A committee has been appointed by the council to take a poll of the students to find out their favorite records. The most popular records will be bought and put in the juke box which is in the Little Theater. The old records will be replaced by the new ones as soon as the committee buys them.

Eagles Seek Revenge Against Panthers Tomorrow

Tomorrow night at School Field the Adams Eagles will face the Washington Panthers in an ENIHC conference tilt. The Panthers have an overall record of 1-5 and a conference basement record of 0-4.

The Eagles sport a 3-1 conference record which puts them in a four-way tie for first place with Mishawaka, Michigan City, and Central. Overall the Eagles' record is 5-1.

Slicers Topple Eagles From Undefeated Ranks

LaPorte High's Slicers shattered the Adams Eagles' dream of an undefeated season. It is the writer's opinion that the outcome of the game was greatly determined by the decisions of the officials. During the first quarter the Eagles had many fine runs called back because of penalties. Also, a very fine pass play was called back because of a penalty. During the important fourth quarter a dash of over forty yards by Gene Phillips was also called back.

The game's first score came in the first quarter when Gene Phillips ran 30 yards for six points. The try for extra point was missed. LaPorte came back in the second quarter to score on a yard plunge by Farley. They made the extra point to make the score 7-6 in LaPorte's favor. Adams scored twice in the second quarter on a 50-yard sprint by John Turner and a 3-yard plunge by Barry Grady to make the score 20-7 at half-time. The second half was all LaPorte. They scored twice and made both extra points to make the final score 21-20 in LaPorte's favor.

In closing I would like to call to the attention of the student body, the booing that was going on. It just isn't good sportsmanship. Your reporter was most likely just as guilty as anyone else. I was ashamed the way some of us acted. From now on I am going to watch my unsportsmanship conduct. How about you?

MEET YOUR CAPTAINS

Jim Hylman, one of the co-captains of the football team, has been kicking the old football around for quite a while. This 200 pound 5 foot 10 'er is very busy with school activities—he is a member of Monogram Club, Senior Cabinet, and Student Council.

Jim's favorite food is T-bone steak and French fries—and who doesn't like them? He thinks Adams is the greatest school around—and we tend to agree with him.

The team's most exciting and toughest opponent was Mishawaka. He said the team was very well prepared for this game. His responsibilities as co-captain are keeping up the team's morale and keeping the team co-operative while on the field during the game.

Jim thinks his most exciting experience at Adams was being on a championship team last year. He likes the spirit of the kids and the way they support the team.

Terry Conley is the other co-captain of the 1956 varsity football team. Terry plays right tackle and weighs in at 215 pounds and stands 6'1½" in his stocking feet. His eyes are hazel and his hair is dark brown.

Besides playing football, Terry is the co-captain of the track team this year. He is the vice-president of the Monogram Club and is a homeroom representative for the TOWER.

The greatest pet peeves that Terry has are cliques and gossip in general. People who comment about things and other people whom they know nothing about annoy him very much.

When asked about what he thought of the cheering of the students this year, Terry said that the cheering has improved a great deal but that there is always room for improvement.

Chili and strawberry pie with vanilla ice cream and chocolate sauce on it are his favorite foods.

NETMEN CONCLUDE A WINNING SEASON

A 5-0 victory over Ft. Wayne North Side on October 9 in the last match of the season gave the tennis team an over all record of five wins and three losses and fourth place in the conference standings behind the state champion Central (8-0), Goshen (7-1), and Riley (6-2). This is the best record an Adams team has compiled in the last three years.

The netmen, coached by Mr. Ernest Kaeppler, cinched a victory in the Ft. Wayne match after Bob Fischer, Bob Chreist, and Captain John Ross all won their singles matches in straight sets. The Eagles then made it their third straight shutout of the season as Fischer and Terry Gibson took a three-set victory in the first doubles match, and Ross and Gary Wallman won in the second doubles match in straight sets.

Eaglets Whip Slicers For Second Straight Win

The John Adams Eaglets won their second straight game at home as they trounced the LaPorte Slicers 25 to 6 last Thursday, October 11.

The Eaglets scored two quick touchdowns in the first quarter, one in the third quarter, and one in the fourth quarter.

Their record now stands at three wins, one loss, and one tie.

Harriers Defeat Culver

On Saturday, October 13, the Eagle harriers beat Culver by the score of 22 to 33. Winning was Pettyjoline of Culver in a time of 11:33. Placing for Adams were Bob Petzke, second; Edgeir Benum, third; Tom Kaiser, fifth; Bob Fisher, sixth; and Jerre Barnette, seventh.

The Adams cross country team now has a season record of three wins and six losses.

"B" TEAM SWAMPS WASHINGTON 21-0

The Adams "B" team sparked by the running of Thomas Townsend and Captain Jerry Alford ran over the Washington "B" team by the score of 21-0 last Monday, October 15. Washington was never deep in the Adams territory due to the alert Adams line.

The first of Adams' scores was in the first quarter when the Beagles took the opening kickoff and marched 77 yards for a touchdown. Thomas Townsend made the touchdown and Robert Hall ran for the extra point. The half ended in a 7-0 score in favor of Adams.

The first time the Beagles got the ball in the third quarter, they started on the Washington 44-yard line and ground out 44 yards in a series of three first downs for a hard-fought touchdown. The score was made by Townsend, and Hall again ran for the extra point.

In the fourth quarter Alford took the ball on his own one-yard line and ran down the sidelines 99 yards for a touchdown. Alford's fancy footwork and tremendous speed put him ahead of the whole Washington team after he hit the 20-yard line. Dowdy ran the extra point making the final score 21-0.
