### 55 Seniors Take Scholarship Test

The National Merit Scholarship Program is a national search for high school seniors who have shown ability and promise to benefit from a college education. Four-year scholarships are awarded annually. The winners are selected on the basis of aptitude for college work, as shown by scores on two nationwide aptitude tests, secondary school achievement, character, and leadership. Under the direction of high schools, this year any student who thought he was qualified to take the test was permitted to do so. This test was given to Adams seniors on October 24, in the library from 8:30 to 11:30 a.m.

The seniors who took this test were Kathy Aaron, Robert Allen, Wilma Baldwin, Pat Barker, Barbara Dickey, Dave Chizek, Ken Dinges, Bill Freshley, Tom Hamilton, Margaretta Hemphill, Carol Hertel, Bonnie Hewitt, Marcia Hoelscher, Tom Horn, Judy Hunt, Roy Inlow, Joan Jacobs, Barbara Keller, Iris Kendall, Larry Lieberenz, Mary Ann Markanich, Gordon Marks, Jane Martin, Barb McIntyre, Sue Metcalfe, Ron Miller, Beth Musser, Dick Nichols, Shirley Norton, Jerry Poling, Barbara Purdy, Mary Quealy, Scott Ramsey, Wes Rachels, Linda Rogers, Irving Rosenberg, John Ross, Pat Rupert, Tom Schering, Marilyn Schwanz, Bob Severeid, Judi Sheets, Pete Sherman, Jim Shindollar, Joann Stouffer, Millard Thompson, Jane Weidler, Jeanne Weiss, Ron Wallace, Carol Weldy, Ron Wisely, Robert Williamson, and Bob Ziker.

## ADAMS BEAT CENTRAL

The Tower regrets that the picture of the Queen Candidates which was to appear did not arrive in time to be included in this issue.

### Presenting the Candidates for Queen

**Barbara McIntyre**, more commonly known as "Mac", "Red" and "Barb," just celebrated her 17th birthday Wednesday, October 31. Barb is a senior hailing from homeroom 111. She has red hair, blue eyes and stands 5'4½" tall. Barb is quite active in extracurricular activities. She is treasurer of Glee Club, secretary of Student Council, on the Booster Club board, a member of the Drama Club, National Thespian Society, and the National Honor Society. Barb's favorite meal is hamburgers and French fries. She doesn't have any pet peeves.

**Rosemary Griffith**, known to most of us as "Rosie," is 16 years old. Rosie is a junior hailing from homeroom 109. She has brown hair, green eyes and measures up to 5'4½" tall. She is also kept busy with her outside activities. Rosie is in Drama Club and National Thespians Society, Booster Club, "B" team cheerleader, Student Council, TOWER, and Junior Achievement. She has no favorite meal but likes everything that is fattening.

**Marilyn Rainer**, our third candidate for queen, is 16 years old. Marilyn is a junior from homeroom 205. She has blonde hair, blue eyes and is 5'1" tall. Marilyn works on the Album and TOWER and is a member of the Drama Club. Her favorite meal is pizza, the favorite of many of us. Her pet peeve is unfriendly people — those who don't say "hi" in the halls.

**Suzanne Schwanz**, though usually called "Sue," is the youngest of our candidates at 15 years old. Sue is a sophomore from homeroom 213. She has blonde hair, brown eyes and is 5'4" tall. Sue is another of Adams' busybodies. She works on the TOWER and Album and is in Booster Club and Student Council. Sue is also a "B" team cheerleader. Her favorite meal is steak and French fries. Sue's pet peeve is the kids who don't come to the "B" team basketball games and those that do come and don't cheer.

**Jeanne Weiss**, the next candidate for queen, is 17 years old. Jeanne is a senior from homeroom 215. She has light brown hair, brown eyes and is 5'3½" tall. Jeanne is on the Glee Club board, in TOWER, Album, Student Council and Junior Achievement. Her favorite meal is ham with anything. Jeanne's pet peeve is gossip in general.

Marcia is in the National Honor Society, Student Council, co-senior editor of Album, exchange manager of the TOWER, and on Bunte's fashion board. The highlight of the annual Adams-Central football festivities will be the crowning of the school queens. They will be crowned by the principals of the two schools, Mr. Russell Rothermel of Adams and Mr. Rupert T. Ferrell of Central, at half-time of the game on Saturday night, November 3, at School Field.

The Booster Club of Adams distributed ballots to the home rooms with the names of the queen candidates, and the students voted for eight girls. Each homeroom had previously chosen two girls as candidates, and these candidates were presented to the student body in the pep assembly on Friday, October 19.

The eight girls who received the most votes are Barbara McIntyre, Drude Koren, Donna Huffman, Marcia Hoelscher, and Jeanne Weiss, seniors; Marilyn Rainer, Rosie Griffith, juniors and Sue Schwanz, a sophomore. One of these eight girls will be crowned as the Adams queen. At half-time these girls will be escorted onto the field by the following boys: Bob Ziker, Pete Sherman, John Ross, Ron Wallace, Tom Horn, and Joe Barnette.

Among the activities which will precede the game on Saturday night are a pep rally which will be held at 7:00 p.m. tonight, at the Potawatomi Park bandshell, a bonfire at the north baseball diamond immediately after the pep rally, and a dance, "Eagle-Bear Romp" which will follow the bonfire. The dance will be held in the Adams Little Theater, and the Rhythm-Aires will provide the music.

The entire student body is urged to attend all of these festivities and to support the team with all they can give in spirit at the game on Saturday. The last game of the season will be the game which will decide the fate of Adams and Central in the conference. The Adams students should let the team know that there is someone in the stands tomorrow night.

### Sandra Mitchell Chosen As D.A.R. Good Citizen

Sandra Mitchell, a senior from homeroom 111, was chosen by the seniors and a faculty committee as the D.A.R. Good Citizen. This is an annual award given to the outstanding girl citizen in the senior class and is sponsored by the Daughters of the American Revolution. Sandra will compete with twelve other girls from high schools in this area in a written examination on November 19, at Central High School.

## EDITORIAL

Many students have asked members of the **Tower** staff questions concerning the management of the paper. Among the most frequently asked questions are, "Why aren't there more pictures in the **Tower**?" "Why is so much space devoted to advertising?" and "Why isn't there more gossip?"

Before I directly answer these questions, I would like to briefly explain how the **Tower** is supported. Many high school newspapers are supported by funds allotted to them by the school. This is not true in the case of maintaining a school paper at Adams. The **Tower** is supported through funds from student subscriptions and advertising by the local businessmen and patrons of the school. Approximately 380 students and 15 alumni have subscribed to the **Tower** this semester and usually about 150 students purchase single copies of the paper on Friday morning. These figures may sound like the **Tower** is well-supported. When you stop to consider the fact that Adams has an enrollment of 1178 students, these figures do not appear so attractive. The rest of the students usually read some phases of the **Tower** even though they don't purchase it. These people are commonly referred to as "**Tower** leeches." As I attempt to answer the three questions previously mentioned, please bear the above facts in mind.

There are not more pictures in the **Tower** for one major reason. Because of a lack of funds, the **Tower** is smaller than most papers of schools which are the size of Adams, and funds are not sufficient to cover the processing costs for a lot of pictures. The size of the **Tower** does not allow space for a lot of pictures and sufficient coverage of news in the same issue.

Much space is devoted to advertising because it is the greatest source of income for the **Tower**. If it were not for the local businessmen and patrons, the paper could not continue to exist. The income from the subscriptions is not sufficient enough to support the paper. When funds from the subscriptions and advertisers is not sufficient to maintain the **Tower**, funds are borrowed from a general school fund and therefore the paper goes into the "red."

This year the staff has felt that a gossip column every week is not necessary when there are so many more worthwhile activities and students who should be given recognition. There are more students who dislike having a gossip column than those who favor it. When a person's name appears in this column, more often than not it presents more problems than it solves. Our policy this year

## Eagle of the Week

This week's choice for **Eagle of the Week** is **Sandy Mitchell**. A senior, she hails from home room 111. Sandy has brown hair, blue eyes and is 5'5½" tall. June 18, 1939, is the date on the calendar that spells birthday to Sandy. She is now 17 years old.

Sandy is a very busy gal, as she's an officer in two clubs — president of the National Honor Society and secretary of the Booster Club. She is also secretary of the Senior Class, in the Future Nurses Club, and on the Student Council.

Sandy Mitchell

Sandy likes everything along the food line, but fried chicken and French fries rate pretty high on her list. Her favorite TV program is "Bob Cummings" while "High Society" ranks best in the movie world. Bill Holden is her favorite movie star and number one on list of pop tunes is "Blue Moon."

Sandy's pet peeve is when somebody says that they will do something and then won't do it.

As for her most memorable occasion here at Adams, it was being inducted into the National Honor Society.

Upon her graduation from John Adams in June, Sandy plans to go into nurse's training at Memorial Hospital.

## 17 CLUB MEMBERS ATTEND CONFERENCE

The Hoosier Librarian Association held its ninth annual conference Saturday, October 20, at Lafayette, Indiana. John Adams sent 17 Library Club members as delegates to the conference. The Indiana delegates held their meeting at Sunnyside Junior High and from there went to Purdue University for their luncheon, where the speaker was Rosemary Du Jardin. While at Purdue they were also entertained by the Purdue Male Choir. The delegates reported to the other club members when they returned from the conference.

has been to publish the names of those students who have participated in activities or have done unusual or amusing things. We feel that fewer feelings will be hurt, and more people will be given the recognition which they deserve.

One solution to having more pictures and less advertising in the **Tower** is better support of the paper on the part of the students.

## Exchange Student Edgeir Benum Writes of Impressions

I live in the middle part of the country of Norway. This part is one of the great farming districts of the country. In other words, it is one of the districts where the land is so flat that farming can be fully developed by means of modern machinery. The second profession of importance in this district is lumbering. Huge forests of spruce and pine are found here. Like many of the boys and girls of this area, I was born on a farm, which my father bought at the age of 65. I went to elementary school in the country. The first two years of my high school I took at a school about two miles from my home, and I got there by riding my bicycle. However, one year ago, I had to go away to a neighboring town to continue my education. I then went into a school which will enable me to start at the university when I graduate. I still have two years left at this school.

Last year we were a little more than 200 students going to this school. After attending such a small school in Norway, you can imagine that it was quite a change to come to John Adams. In our school, we do not have so many activities as you have. We have the student council and "student association," where we meet to discuss things, hear talks, or dance. We also have an athletic club of which I was the president. This club arranges meets with other schools in skiing, skating, soccer, or field-sports. However, athletes have to practice on their own or in the athletic club of the town. We have 14-15 subjects at school, but some of them we have only two or three times a week. Our school day goes from 8:30 in the morning to 2 o'clock in the afternoon. We have about three hours of homework every day, and the last year we have at least four hours a day. We have a vacation of two months in the summer. At Christmas we are out of school for nearly three weeks, and at Easter for ten days. Before each vacation, we have a big test in the main subjects.

It is quite common that the students have a job during the summer vacation. I used to take two weeks free and work the rest of the time. Boys often have jobs with farmers, surveyors, or in filling stations, while girls usually work in stores. Christmas vacation is the time when almost all students stay at home, just relaxing from the school. At Easter-time a great part of the people in Norway leave their homes and go up in the mountains to their cottages. There is still snow in the mountains at that time, so skiing is the main activity up there. As the sun is warm at that time, they are brown like Indians when they come home again.

In our spare time, we do many of the things you do. We go to the movies, dances, and parties. I used to go to a play once a month, as a visiting theatre usually brings very good plays. Most people also do some kind of sport. I always have been interested in sports, and skiing, skating, and soccer occupy a great deal of my spare time.

To this time I have got only good

things out of my stay in the United States and the differences are not as great as I believed they were before I came here. Of course there are great differences in scenery. You also take more advantage of technical advance in your daily life than we do. But as a whole you live and behave almost like Norwegians. I have had experiences here and met people both within school and other places that make me sure that this year will be a pleasant year as well as an educational one to me.

## Sophomore Participates In Classes by Telephone

"Good morning, Carol! Ready for work?" This may sound like an ordinary greeting as a student enters a classroom. But Carol Kaiser enters her classroom in an extraordinary way — through a two way telephone device, furnished by the Indiana Bell Telephone Company, between the Children's Hospital and John Adams. In order for Carol to become a member of the class, Carol and her teacher at school simply turn on a small box-type of telephone.

Carol takes health under the instruction of Mr. Joseph Laiber and English under Miss Dorothy Wampler through the use of this device. She participates in all class discussions, assignments, and tests with the help of a co-operative fellow student who carries the tests and assignments to and from the hospital. "The nurses try to take the tests along with me, but Mr. Laiber, your tests are just too rough for them — and me too," says Carol with surprising cheerfulness and high morale.

Miss Wampler, Carol's English teacher, enjoys the setup too. "We just have loads of fun," she says.

"Anyone interested in a good education needn't let hospitalization or illness stop him while we have this device," commented Mr. Laiber.

Carol has been in the hospital since August with a broken leg and two broken jawbones suffered in an automobile accident. Here's hoping we'll see you soon, Carol, entering your classroom via the door rather than via the telephone.

## 52 OF GLEE CLUB SING AT NORTH CENTRAL

The Thursday evening program for the North Central Teachers Association was presented by the representatives of the high school glee clubs and orchestras of Northern Indiana.

The chorus consisted of six hundred and thirty students, and the orchestra consisted of one hundred and twenty-five students. Fifty-two members of the John Adams Glee Club sang in the chorus. This quota is based upon the enrollment of the Glee Club. The Adams accompanists were Carol Hertel and Janet Rawles who won in the tryouts.

At 8:30 a.m. on Thursday the entire group rehearsed at Central. After lunch, another rehearsal was held at 1:30 p.m. at John Adams.

Some of the selections which were sung were *He Watching Over All the World*, by Mendelssohn; *Eternal God*, by Dieterich; *Fum, Fum, Fum*, arranged by Tolmage. The final selection was Schubert's *Omnipotence* sung by the chorus and accompanied by the orchestra.

This year the director was Harold A. Decker, head of the Vocal Music Department at Wichita University, Wichita, Kansas.

## EAGLES TRIP BLAZERS

Last Saturday night, October 27, the Adams Eagles won their fourth ENIHSC game and their seventh of eight regular games by trouncing the visiting Elkhart Blue Blazers 34-6. The Eagle victory put them in a tie for first place with Central and set the stage for the title game tomorrow night between the two schools with the victor claiming undisputed first place.

The Eagle scoring started with a bang. Adams elected to receive to start the game and after the opening kickoff had been returned to the 35, halfback Johnny Turner found a hole in the Elkhart defense and scampered 65 yards into the Blazer endzone. The running try for the extra point failed, but the Eagles had a 6-0 lead with only 50 seconds gone in the game.

After failing to score again in the first quarter, Adams exploded for three TD's in the second to practically kill all Elkhart hopes of winning. Gene Phillips' recovery of a Blazer fumble set up the second Eagle tally and the first of his own three. Phillips took the ball, blasted thru the right side of the line, and galloped 47 yards to paydirt. Turner ran the extra point and Adams led 13-0.

Moments later guard Jerry Williams blocked a Blazer punt and Adams took possession of the ball on the Elkhart 43. Halfback Grady gained one yard on the first play but on the second play Phillips chewed up the remaining 42 all in one dash and Grady ran for the extra point to make the score 20-0 in favor of the Eagles.

The fourth Adams six-pointer came three plays after Barry Grady recovered a fumble on the Elkhart 43. Turner picked up 12, Grady gained 17, and then quarterback Dick Scott ran around right end for the final 14 yards and six more points. Grady again ran for the extra point to make the halftime score 27-0.

Elkhart finally cashed in on a 27-yard pass play in the third period after a recovery of an Adams fumble.

The fifth Eagle tally came with 7:49 remaining in the game. The Eagles recovered a fumble on the Elkhart 20 and two plays later Phillips bounded over from eight yards out for his third touchdown of the game and Grady ran his third extra point of the evening to make the victory scoreboard read 34-6.

## ADAMS WHIP PANTHERS 21-0

Under the fog clogged lights at School Field Saturday, October 20, the Adams Eagles beat the Washington Panthers 21-0 for the second straight year after being on the losing side for 14 years.

Adams fans saw the Eagles strike for a touchdown in each of the first three quarters on two Dick Scott to Barry Grady passes and a long run by Gene Phillips.

With 4:37 left in the first quarter, Scott tossed a short pass to Grady who then proceeded to outrun the Panther defenders for Adams' first touchdown of the evening. Grady ran for the extra point.

In the second quarter, Grady made the second score of the game as he caught another Scott pass and easily ran into the end zone. Grady's run for the extra point raised his season total to 84.

The third Eagle tally of the ball game came after a Washington punt to the Adams 22-yard line. After three plays and a first down put the ball on the 38, Phillips broke into the open and ran 62 yards to another score for the Eagles. John Turner ran the ball for the extra point. The final score was 21-0 in favor of the Eagles.

## Eaglets Trounce Riley 25-7

The Adams Eaglets remained unbeaten on their home field as they trounced highly rated Riley 25-7 on Thursday, October 18.

Riley was allowed only four first downs by the Eaglets and their lone touchdown was scored with 25 seconds remaining in the game.

## BEAGLES DOWN RILEY FOR WIN NO. 4

The Adams "B" team under the coaching of Mr. Joseph Laiber is well on its way to one of its best seasons in history. On Monday, October 22, the Beagles defeated the Riley "B's" by a score of 13 to 0 to give them a season's record of four wins, one loss, and one tie.

In the game with Riley, the Beagles completely dominated the first half by scoring a touchdown in each quarter. The first touchdown was a sustained 99-yard march with Jerry Alford going over for the score. Thomas Townsend failed in the run for the extra point.

A 23-yard run by Robert Hall accounted for the score in the second quarter. A pass from Jim Dowdy to Bob Sheets contributed the extra point.
