JOHN ADAMS HIGH SCHOOL — SOUTH BEND, INDIANA

May 3, 1957

Spring Band, Orchestra Concert Tonight

BUSINESS ED-O-RAMA TO BE PRESENTED AT MAY P. T. A. MEETING

BUSINESS ED-O-RAMA is the name given to the program which will be presented at the May meeting of the John Adams High School P. T. A. by the business education department on May 7 at 7:30 p. m. in the Little Theater.

A brief explanation of the courses in the business education curriculum will be given by members of the department—Miss Annajane Puterbaugh, Mrs. Martha Valentine, Mrs. Jane Nagy, Miss Mary Walsh, and Mr. Casimer Swartz. Following this, demonstrations by students of selected phases in the various business education courses will be held. These will consist of demonstrations on various machines of actual class activities as well as displays of resource materials and projects undertaken by the classes.

Students participating in the demonstrations will be: Sue Flack, Lee Chaden, Iris Kendall, Janet Mueller, Marilyn Schwanz, Marilyn Rainier, Dorothy Pierson, Berniece Overton, Darla Jo Doyle, Lois Allen, Carolyn Lightner, Marilyn Ranschaert, Barbara Dickey, Wilma Baldwin, Patsy Rupert, Shirley Norton, Patricia Kasa, Barbara Kirkendall, Jeannine Wheatley, Anita Oberli, Brenda Askew, Robert Williamson, Robert Ziker, Dan Hoyt, and Clayson Kaiser.

Preceding the program, a short business meeting will take place with music to be presented by Rev. H. C. Inlow; and students of the drama club will give the devotions. In addition, new officers who were elected at the April meeting will be installed.

MINOR EMPLOYMENT LAW RESTATED

The guidance office has been asked once again to explain the law governing the employment of minors. The purpose of this law is to protect the working minor and his employer.

Without using the technical wording of the existing law, it is unlawful for any person, firm or corporation to employ any minor between the ages of fourteen and eighteen years until that minor has on file with the employer a working certificate. The employer may demand a certificate of a

(Continued on Page 4, Column 1)

Gayle Heyn Selected To Go Abroad On AFS Exchange Program

Gayle Heyn, a junior, has been chosen by the American Field Service to represent John Adams High School in their summer exchange student program which provides the opportunity for American students to live abroad in European countries. Adams is eligible to send students abroad through this program by supporting a foreign student each school year. Funds for this program are raised during the Student Council's drive, "Share Their Fare."

Gayle has been notified where she will live during her stay abroad. Gayle will live in France and she is most happy about the selection.

She has been very active in extra-curricular activities and has been elected to offices for her senior year. Gayle will be second page feature editor of the *Tower*, and secretary of Thespians. She is also a member of the National Honor Society, the Drama Club, and on the Album staff for next year.

PEARSON TO ATTEND JAMBOREE IN ENGLAND

Tom Pearson, Adams sophomore, is one of three boys who have been chosen to represent this area at the International Boy Scout Jamboree in England this summer. There he will meet and exchange ideas with other Boy Scouts from all over the world. After the Jamboree, Tom and about thirty other scouts from Indiana will tour Europe arriving home on September 5. However, before going to England, Tom will attend the National Boy Scout Jamboree which will be held at Valley Forge, Pennsylvania.

Tom has had many experiences during his five years of scouting. He has earned the rank of Eagle Scout which is the highest award in scouting. This rank qualified him for the Order of the Arrow Brotherhood, a society for honor campers.

In addition to spending much of his time in scouting activities, Tom has other interests. He plays the trombone in the Adams band, orchestra, and dance band, and he is active in his church youth group.

THREE CHOSEN TO ATTEND GIRLS' STATE AND BOYS' STATE

Three Adams students have been selected to attend Boys' State and Girls' State by the members of the American Legion and the American Legion Auxiliary. Brian Hedman and Peter Trescott have been chosen by the American Legion Post 303 to attend Boys' State for one week in June. Sandy Weldy, chosen by the Auxiliary of Post 303, will attend Girls' State for a week in June. These conferences will be held during two different weeks at Indiana University in Bloomington, Indiana.

The purpose of Boys' State and Girls' State is to better acquaint young people with the functions of their local and state government. It also hopes to encourage leadership, citizenship, and an interest in government. It provides practical and first hand knowledge of how Indiana government operates. Mythical local and state governments are set up with two parties, and elections are held. After elections, the governments are organized and operated. The climax of the week is the inauguration and visitors' day.

Eligibility is limited to members in the junior class or first semester of the senior class.

Senior Prom Committees Busy with Dance Plans

Plans are well under way for the Senior Prom which is to be held in the Indiana Club on the evening of May 17. The decorations for the dance are being made by a committee of seniors headed by Ronnie Weaver. The decorations will be centered around the theme, "Under Paris Skies."

Jo McCreight and Dave Chizek, program chairmen, have announced that the programs are being made and will be issued to every senior the night of the prom.

Tickets are being sold in the home-rooms for two dollars per couple. A representative from each homeroom is on the ticket committee.

Tonight in the John Adams Auditorium the band and orchestra will present their first spring concert. The concert will begin at 8:00 p. m. with the orchestra, directed by Mr. Ronald Walton, playing the "Shepherd King Overture" by Mozart. The next selections will be the "Orchestra Quartet" by Stamitz, and "Sandpaper Ballet" by Anderson. The "Sandpaper Ballet" will feature Sue Stoner in a dance number.

Following the dancing John Winkelman, pianist, will present a novel arrangement of "Chopsticks" accompanied by the orchestra. The closing number will be the "March of the Meistersingers" by Wagner.

A short intermission will precede the opening number by the band which will be "Pieces of Eight" by Wilcox-Jenkins. The band will then play the "Finale from Symphony No. 1 in E Flat" by Saint Saens, and the "First Movement of Piano Concerto in A Minor" by Grieg-Bain featuring piano soloist Patricia Rusk. June Verhostra accompanied by the band will then play the "Rondo" from Horn Concerto No. 3 in E Flat" by Mozart. "Goffin" by Baroni and some selections from "Carousel" by Rodgers will round out the program.

The program which is planned should appeal to almost any taste in music, whether it be classical, popular, or jazz, and promises to be a most enjoyable one.

Daniel Wins First in State Math Contest

Seven Adams students who competed in the mathematics division of the Indiana University State Achievement Contest qualified for medals. Fifteen students of the math and language classes from Adams went to Indiana University to represent Adams in the contests.

Jim Daniel, a junior from 105, won first place state award in the senior division of comprehensive mathematics. Jim was awarded a gold medal. Last year while attending Indianapolis Broad Ripple High School, Jim won first state award in the geometry division.

In the junior division of comprehensive mathematics, three Adams students qualified for medals. Duke Hobbs placed second in the state and received a gold medal. Tom Price

(Cont'd on page 2, col. 1)

CAMPAIGN FOR CAR CONTROL

It seems as though in this day and age every month, week, and day is set aside for some sort of campaign as the month of April is set aside annually for Cancer Control Month. Not wishing to deviate from the normal and said thing to do, we set aside and dedicate this, the season of spring fever, restlessness, and excitement to Car Control Month.

Like cancer control, there are danger signals to look for in car control. With the oncoming rush of warm, balmy weather the fellow behind the wheel is liable to get the "bug" and by dragging every car he pulls up next to he loses any car control he might have.

Following the incubation period of the dreaded cancer germ, the infectious disease spreads to all parts of the body while bad courtesy and safety habits on the road are incubated and bred in the minds of "the big wheel" behind the wheel. When such bad habits aren't curbed by some sort of self control, they spread to all parts of our "big wheel" until he is power mad and unable to control himself. These bad habits stem from the restlessness and insecurity of today's youth.

With prom time growing nearer by the minute, good driving habits can't be stressed too much. Pop's "big bomb" or your own little "Stud" are both transportation to and from the gala affair and aren't to be sneezed at. Why try and wreck either one of them with sloppy driving habits? However you go, drive carefully, the life you save — may be your own.

Today the city is sponsoring the car check on Greenlawn behind Adams for teenagers and their cars. This is a good opportunity to show our elders we aren't all juvenile "hot rodders" with no conception of car or self control. The car check will be continued through the month of May in different parts of the city.

Daniel Wins First

(From page 1, col. 4)

placed fifth in the state contest and received a silver medal. Norman Moyer was the recipient of a bronze medal for his participation.

In the geometry division, Richard Peters placed fourth in the state contest and was the recipient of a silver medal.

Jerry Hobbs placed second in the state and won a gold medal in the al-

Mr. Thomas Keiser, who is doing his student teaching in the community civics classes under the direction of Mrs. Elizabeth Schmidt. He came to Adams at the beginning of April from Indiana University. After graduation, he will be qualified to teach community civics, English, and United States history. Mr. Keiser is thoroughly enjoying his teaching experience at Adams.

Mr. Robert Leonard, who seems to enter into the gym classes he supervises at John Adams almost as energetically as he plays pro basketball with the Minneapolis Lakers. A student teacher for Mr. Vincent Laurita, Mr. Leonard is a native of Terre Haute and plans to get his degree from Indiana University in June. In the future, however, he plans to continue playing with the Lakers for several years. Fishing and golf are the favorite free-time activities of Mr. Leonard, who is married.

"I like Adams," commented Mr. Leonard, "and it has a real good gym set up."

THE MIDNIGHT RIDE OF SAM THE SMEAR

Listen, my children, and you shall hear

Of the midnight ride of Sam the Smear,

On the eighteenth of April in Fifty-two;

Very few heard and very few knew
Of what took place on that day one year.

He said to his friends, "Let's take a ride

On that stretch by the lake where the highway is wide."

His friends all agreed. "I'll race you!" one cried.

So they raced . . . then a crash . . . you guessed it! . . . Sam died.

They buried poor Sam — 'twas a sad day for all.

He left lots of friends, and his girl, Susie Small.

It's a tale full of woe, but there's one happy phase . . .

Sam's friends are still living and advise us these days,

"Take it slow on your driving; keep your head and don't race!"

—Spring Branch High School
Houston, Texas.

gebra division. Jim Weir also won a bronze medal in this division.

Congratulations, for bringing to Adams the distinction of having so many state award winners.

Are You Colorblind?

Everyone knows that Monday is blue and it is generally conceded that Wednesday is green, but what strange quirk of nature made chemistry purple? Some people may try to tell you that chemistry is pink but merely disregard such biased information. They say it is pink probably because they take physics and that makes chemistry seem easier. Physics is black. Black because it's pretty hard to see through.

Geometry is yellow. Not just a pale, anemic, yellow — but a brilliant singing, swinging yellow. Sometimes you find a touch of black in geometry but this is only geometry 3 because of its density. Thrus extensive research I've found that English is, or should be, red. Not a blinding, startling red, like fingernails or like the yellow of geometry, but kind of a maroon.

There is a great deal of controversy about this. Some noted colorologists say that English is blue, but this is ridiculous because everybody knows that Monday is blue. However, English is often confused with gym, which is a good, solid, tannish-orange. Gym is tannish-orange because the mats in the wrestling room are tannish-orange and the aroma is basically tannish-orange.

Machine-shop is gray. Not at all a depressing gray, but a noisy grinding gray. Sometimes an earsplitting gray. The reason girls don't usually take shop is because the gray doesn't do too much for their complexions. Shop gray is sneaky because it has a tendency to turn black.

History is chartreuse. A bold, slightly yellow chartreuse. It becomes a hysterically happy chartreuse on movie days but can look almost sauerkraut green on tests that come the day after a vibrant pink basketball game.

Envy the scholar who is color blind. All his classes are transparent and very easy to see through.

By Marti Brannan.

Daffy Definitions

Spring: The time of the year when motorists drain the anti-freeze from their radiators two weeks too soon.

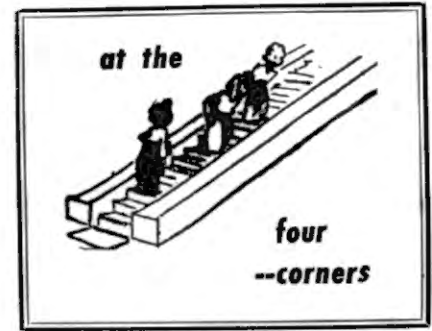

Adolescent: A teenager who acts like a baby when you don't treat him like an adult.

Capital punishment: The income tax.

Critic: One quick on the flaw.

Bachelor: The only species of big game for which the license is taken out after the safari.

It's spring! Again life focuses
On grasses and on crocuses,
On rows of deep-blue irises
And one or two new viruses.

The signs of spring are really in evidence around 'ye olde schoole building." Pony tails are being sported by quite a few of the gals, the attendance record lowers, baseball practice and games, drinking fountains are doing a booming business and window gazing are but a few of the signs of spring fever. The excitement and wonder of the seniors rises daily as they wonder who the "big date" for the Prom will be.

It seems that Mr. Roop has an able assistant in Jim Toepp, who likes to lead class discussions. He has a very good sense of humor, too.

Adams has its own answer to Harry Belefonte. A member of the track squad was heard singing "Banana Boat" in the halls during a recent glee club rehearsal.

Say it with flowers
Say it with eats
Say it with kisses
Say it with sweets
Say it with jewelry
Say it with drink
But always be careful
Not to say it with ink.

The annual Stardust Cafe, held last Friday in the Little Theater, was loads of fun for those who attended and were entertained by the quintet from 109. Couples who attended were: Carolyn Graf & Roy Hruska (Riley), Linda Flessing & Ron Wisely, Sandy Mitchell & Pat Soellinger, Sharon Hoke (Riley) & Jerry Rose, Pat Scott & Delbert Beyer, Eileen Shultz & Bob Chreist, Judy Hughes & Dave Brownell, Brenda Askew & Mike Badger, Kathy Beaty & Terry Darr, Pat Wozniak & Tom Miller, Joni Lindale & Lynn Dodson, Brenda Barritt & Brian Hedman, Sharon Minor (Mish.) & Dave Jansen, Annette Rossner (Mish.) & Ray Cox, Jeanine Wheatley & Earl Mitchell (Mish.), Merrylin Priest & Tom Tretheway (Adams alum.), Karen Davidson & Bill Esterline, Jan Barth & Steve Pickering, Susie Nelson & John Stackhouse, and Pat Taylor & John Litweiler.

Speaking of ailments — don't.

Congratulations to Jim Daniel who placed first in the State Math Contest.

I see he
I love he
For he, I would die
He tell I
He love I
But darn he, he lie!!

Eagle of the Week

"Mirror, mirror on the wall, who is fairest of them all?" This seems an apt question to ask of this week's Eagle. If not the fairest, she is one of the fairest at Adams. We refer to

Marcia Hoelscher our basketball queen.

Marcia is school renowned for her beautiful blonde hair and green eyes. This 5 foot 6" gal can often be found with another member of the senior class whose initials are D.C. Until recently these two were inseparable.

Marcia is really an active Adamsite. Being co-senior editor of the Album, exchange editor of the TOWER, a member of National Honor Society, student council, and senior cabinet, take up a good deal of her time.

Marcia's most memorable experience at Adams was her crowning at the Riley-Adams basketball game. She will miss the wonderful times and the friends she has made when she graduates.

Little Sisters — What a Pain!!

She can wear your clothes, but you can't squeeze into hers.

She borrows your neckscarfs and forgets to return them.

She comes in an hour after the deadline and not a word is said.

When you've almost accomplished sneaking into your room at a late hour, she almost strains her vocal cords yelling, "Hi, Sis!!"

She worms her way into your confidence and then after she knows all your womanly secrets she spills the works to your friends, boy friends and parents.

She has more dates and she hasn't known boys as long as you.

She always manages to save more and spend more money than you.

She always has to have a drink of water at the moment you are saying a fond farewell to your "big moment" in the kitchen.

But:

She is someone to talk to when you are in trouble.

She takes the kidding of being called "little sister."

She always has money to loan you when you run short.

She takes your side in a family argument.

She buys you what you want for Christmas instead of giving you something you wouldn't wear to a dog fight.

She makes you feel like a woman

Olive's Autobiography

Olive gets up. Olive goes to school. Olive flunks three tests. Olive goes to work. Olive really works!! Olive goes home and eats very bad supper. Olive asks Dad for car. Dad says "No" (&, no). Olive says thank you and goes out with the girls. Olive rides around looking for some boys. Olive finds no boys—only other girls, looking for boys. Olive gets very discouraged and decides to buy a hot fudge Sundae. Olive goes home and gets bawled out for being a bum. No one called, no dates, nothing. Olive gives up and goes to bed. Another exciting day.

CLUB NEWS

HI-Y

Bob Wilson and Jim Wiseman of Adams have been elected as officers of the St. Joseph County Hi-Y Council. Bob was elected president of the council for next year, and Jim was elected chaplain.

State workshops will be presented at the State Hi-Y Conference which will be held at Camp Tecumseh on July 14.

May 9 is the date which has been set for the induction and installation of officers for all Hi-Y clubs in the county.

DRAMA CLUB

John Ross, president, presented next year's slate of candidates for officers at the April 23 meeting of the Adams Drama Club. Election of officers will be held at the May 7 meeting of the club. Candidates for the four offices are Virginia Davis and Dave Brownell, president; Ruth Ryon, Paul Troup, vice-president; Gayer Heyn, Trully Thompson, secretary; Brenda Barritt, Duke Hobbs, treasurer.

Members of the third hour drama class presented record pantomimes at the April 23 meeting. Those who participated in the pantomimes were Helen Williams, Don Rowe, Alta Stock, Anita Walter, Nancy Whitlock, and Sandy Scheiman.

JUNIOR RED CROSS

Members of the Junior Red Cross held an election of officers for next year at the April 24 meeting. Those who were elected to office are Bob Wilson, president; Kathy Donahue, vice-president; and Carol Ritter, secretary-treasurer.

Members are also preparing gift boxes for the children in schools overseas. They are also making plans for a dinner party to be given for Hungarian refugees.

NATIONAL THESPIANS

Members of National Thespian Troup 1464 of Adams held an election of officers for next year at their monthly meeting on April 19. Those who were elected to office are Mike Sedorf, president; Sandy Weldy, vice-president; Gayle Heyn, secre-

tary; Paul Troup, treasurer; and Dave Brownell, parliamentarian.

Installation of officers and induction of candidates will be held on May 22 in the Adams Little Theater.

JUNIOR WALTONS

Members of the Adams Junior Walton and the Riley Junior Walton planted pine trees on the Izaak Walton League club grounds in Clay Township on April 27. They also planted butternut trees as part of the reforestation project. Last year they planted 2,000 multiflora rose shrubs as a wildlife habitat.

The pine trees were obtained from the state nursery at Medaryville, Indiana, and the butternut trees were supplied by a local nurseryman.

SENIOR GLEE CLUB

The officers for the 1957-58 Senior Glee Club have been elected. The officers are Tom Miller, president; Dave Hartenbower, assistant president; Brends Barritt, vice-president; Shirley Otolski and Beverly Twigg, assistant vice-presidents; Jutta Jutta-john and Beverly Thompson, first semester secretaries; Wendy Fischgrund and Sarah Lou Smoth, second semester secretaries; and Sandy Weldy and Rodney Robinson, treasurers.

Librarians are Susan Bowman and Ilene Schultz, first semesters; and Barabara Jones and Julie Ebeling, second semester. Others who were elected are Trully Thompson, musical advisor; Joyce Bulhand, bulletin board; Barbara Helkie, publicity manager; Duane La Mar, business manager; Larry Thompson, student director, assisted by David Getzinger and Dick Wilson; and Pat Bolling and Marshall Nelson, robe chairmen.

Accompanists are Janet Rawles, Sue Shotola, and Sandy Baker.

Eagles Place Ninth In Conference Trials

Fort Wayne North Side was the victor in the Eastern Division NIHSC track trials at Mishawaka's Tupper Field last Friday. The field was muddy and it began to rain heavily as the field events and trials began. Only one record was set and that was by Fort Wayne half-miler Frank Geist who ran in 2:01.2 to break the former record of 2:01.5 which was set last year at Elkhart by Bruce Fischer of Michigan City.

Fort Wayne had 58½ points. Adams had 9 16/21 which gave them ninth place.

Fred Osmon placed fifth in the 100-yard dash. Roland Davis tied for fourth place in the high jump. Fred Osmon placed fourth in the 220-yard dash. Jerry Alford tied for fifth place in the pole vault. Adams' half-mile relay team which consists of Fred Osmon, Roland Davis, Pepe Hirou, and Gene Phillips placed third.

MINOR EMPLOYMENT LAW RESTATED

(Continued from Page 1)

minor until he presents proof that he is twenty-one years of age.

The same law provides that no boy between the ages of fourteen and sixteen years, and no girl between the ages of fourteen and eighteen years may be employed more than eight hours on any one day, nor more than forty-eight hours in any one week, nor before six o'clock in the morning, nor after seven o'clock in the evening. Girls between the ages of sixteen and eighteen years may be employed until nine o'clock in the evening in any occupation that is not determined to be dangerous to life, limb, health, or morals of the girl.

Working permits may be received after school closes at the Pupil Personnel Office in the School Administration Building, 228 South St. Joseph Street, South Bend.

If you secure a job which is covered by the Social Security Act, you will need a social security card. This card should always be kept in a safe place.

If you have lost your original card, you should call at or write the Social Security District office listed below. They will secure the original number issued to you, as that one number is the only one you should ever use. If you have never had a number, you can secure an account number by calling or writing: Social Security Administration, 335 North Lafayette Boulevard, South Bend 1, Indiana. These are precautions for your own protection.

BATSMEN BOW TO RILEY BY 8-3 SCORE

The Adams baseball team did not find the Riley Wildcats too hospitable as the Eagles dropped an 8-3 decision on Riley's home diamond last Tuesday, April 23. This was the third consecutive setback suffered by the young Eagle nine.

The main reason for the defeat was the fact that the Eagles left a total of 12 men on the bases during the seventh-inning contest.

Riley hammered starter Gary Wallman for four runs in the first inning and picked up the rest off of Gary and his reliever D. J. West. Riley hurler Doug Burns pitched a six-hitter, taking the victory.

In order to build interest in their baseball team Riley announced the names of all the players and music was provided between the innings.

Trackmen Lose to Culver Military Academy As Osmon Wins Twice

The Eagle harriers came out on the short end of the 62½-42½ score in a dual track meet with Culver Military Academy. The meet was run at Culver on Tuesday, April 23.

Winning points for Adams were:

120-yd. high hurdles—Cogdell, 3rd
100-yd. dash—Osmon, 1st; Phillips, 3rd

Mile run—Petske, 1st
440-yd. dash—McCormick, 2nd
180-yd. low hurdles—Turner, 2nd
220-yd. dash—Osmon, 1st; Phillips, 2nd; Barton, tie for 3rd
Half-mile run—Fischer, 3rd
Shot put—Nichols, 1st
High jump—Turner, Taylor, tie for second

Broad jump—Turner, 2nd; Alford, 3rd

Pole vault—Alford, 2nd
Half-mile relay—Adams, 1st (Osmon, Davis, Hirou, Phillips)

In the mile relay Adams entered two teams, one of which was called the varsity. The team of Tom Kaiser, Bob Fischer, Tom Cox, and Dick Nichols was the second team entered, and they beat both Culver and the Adams first team. The result was that Adams second team was the loser because they were not entered as the varsity.

Week's Sport Calendar Sees Baseball and Track Teams Busy

The outlook on sports this week is a good one provided "Mr. Weatherman" does us a real good turn and shuts off the water for a few days. Bleachers have been erected on the baseball field so now you students who stay home from the game because you are too lazy to sit on the ground haven't a legal excuse.

Starting off our week tonight with a baseball game against Central, we are hoping to come out on top of the plate and bring home some "Bearmeat." This is a home game so all of you good fans had better get out and really yell for the Eagle batsmen.

Saturday, May 4, sees the track team heading for the conference meet. This year it is to be held at Mishawaka. We hope that they do extra special good and bring home some glory for Adams.

Tuesday, May 7, finds the track team again in action — this time with city-rival Washington. This same day the Eagle baseball team will meet the Washington team in a conference game to be played at Washington.

On Thursday, May 9, the baseball team again plays St. Joseph and with the blessing of the weatherman this game will be played. The last one which was to be played at Bendix Field was called off because of a wet diamond.

The batsmen will face the Cavemen of Mishawaka on Friday in a conference game to be played on the Adams diamond.

All of the home baseball games are played on the diamond at the rear of the school and are scheduled to begin at 4:00.

Runners Down Clay By Decisive 78-31 Score

Taking nine first places, the Adams track team defeated the Washington-Clay Colonials on Tuesday, April 30, by a score of 78-31.

Adams runners who placed were the following:

100-yd. dash—Osmon, 1st; Taylor, 2nd

120-yd. high hurdles—Hostrawser, 3rd; Cogdell, 4th

Mile run—Petzke, 1st; Benum, 2nd; Harlan, 3rd (4:51.95)

440-yd. run—Osmon, 1st; McCormick, 2nd; Hirou, 3rd (54:1)

180-yd. hurdles—Turner, 1st (22.3)
880-yd. run—Fischer, 1st; Kaiser, 2nd; Smith, 3rd (2:12.5)

220-yd. dash—Davis, 1st; Barton, 2nd; Phillips, 3rd

Shot put—Conley, 2nd
